On and on I go,

the seconds tick the time out.

There's so much to know,

and I'm on the road to find out.

*Well, I left my happy home
to see what I could find out.*

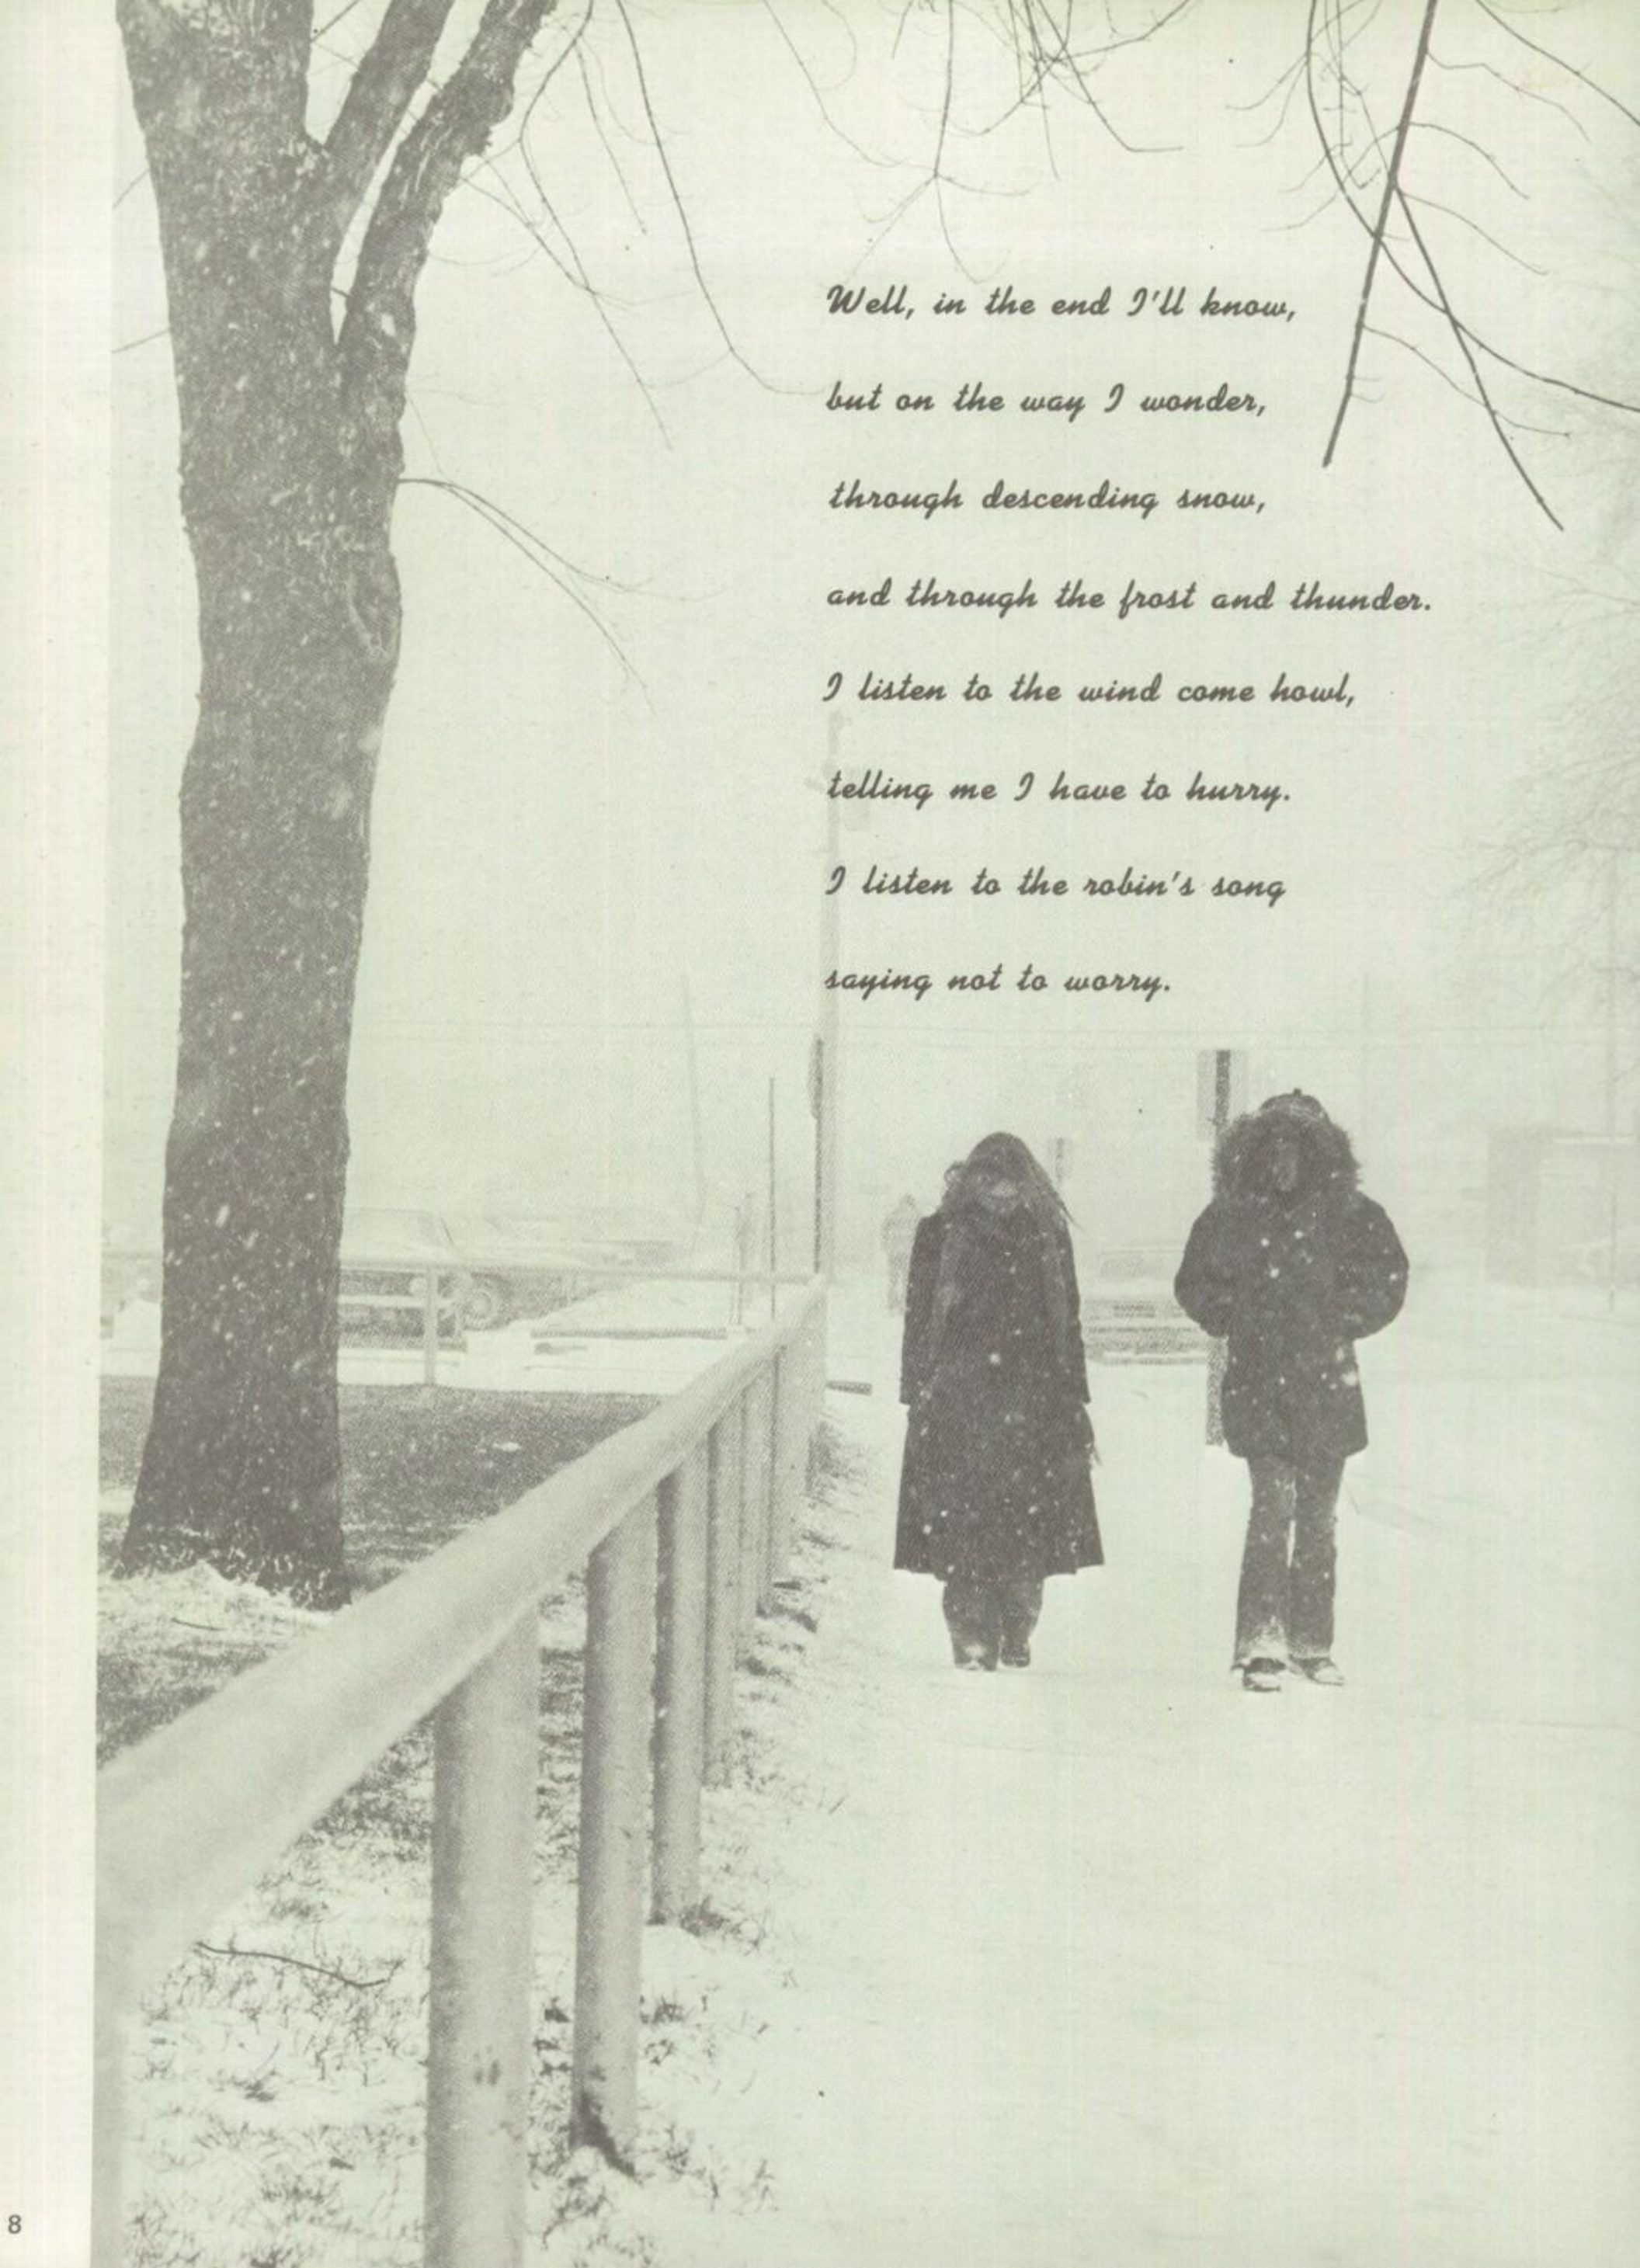

*I left my folk and friends
with the aim to clear my mind out.*

*Well, I hit the rowdy road
and many kinds I met there.*

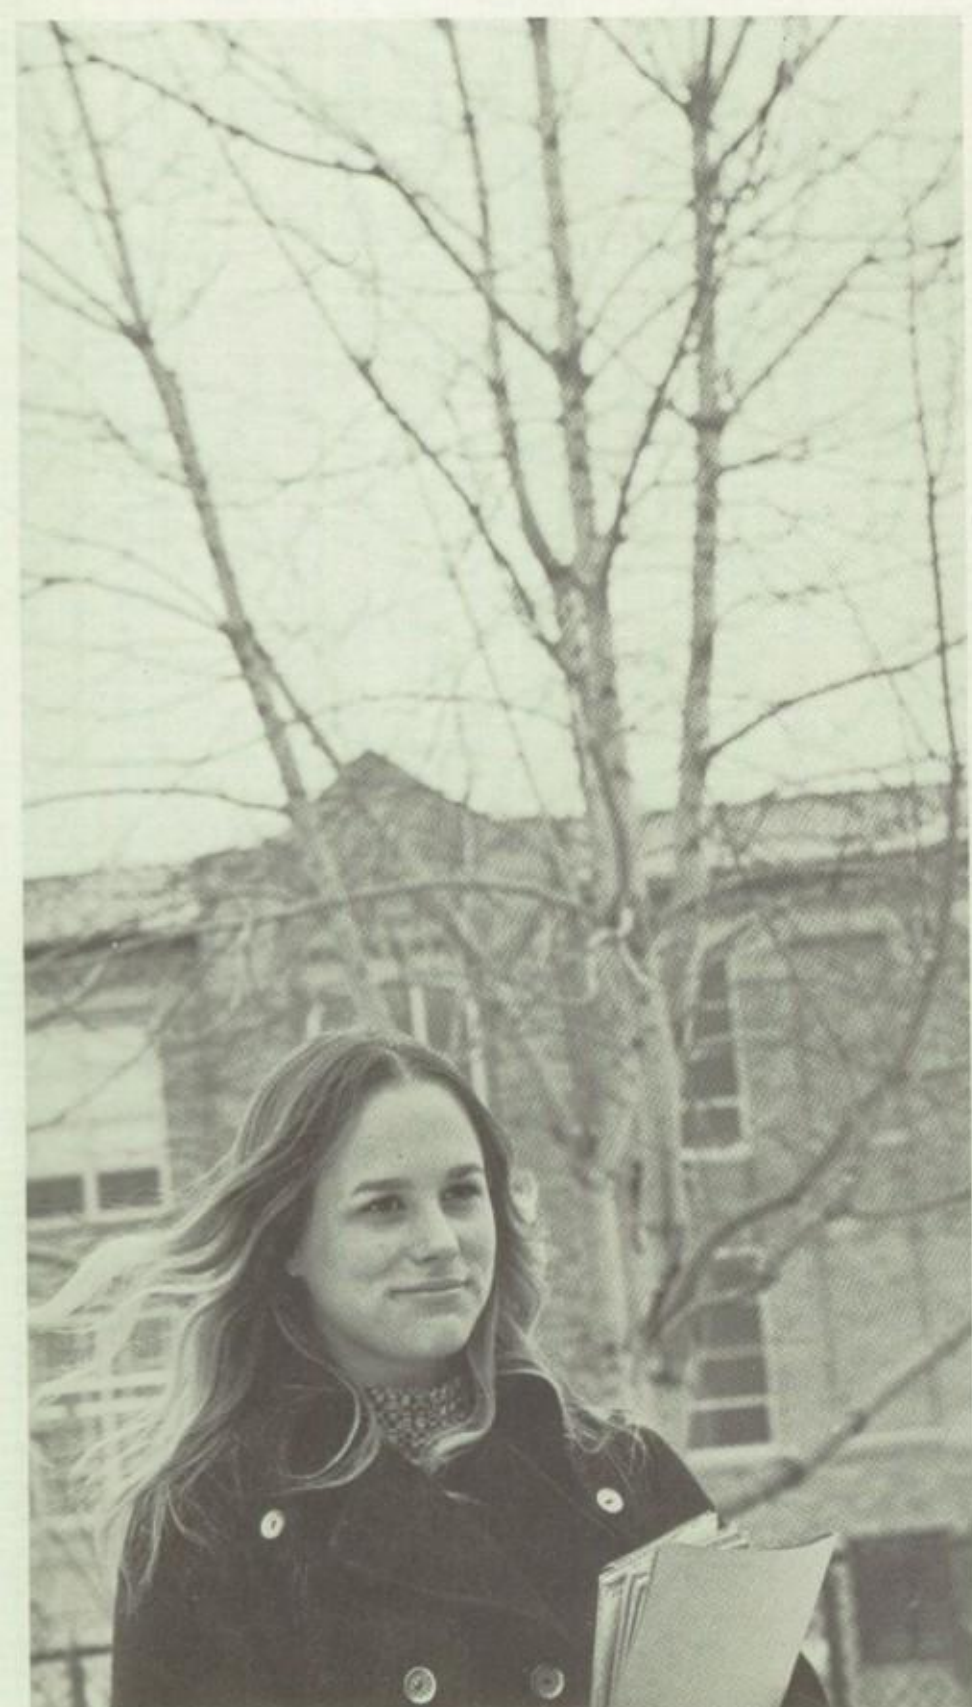

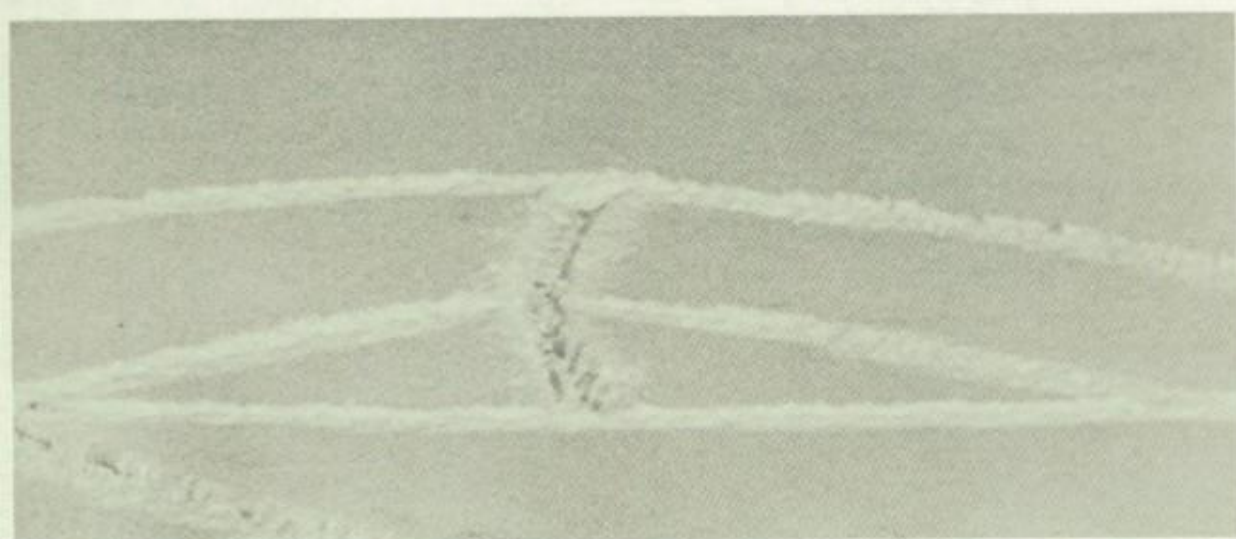

*Many stories told me
of the way to get there.*

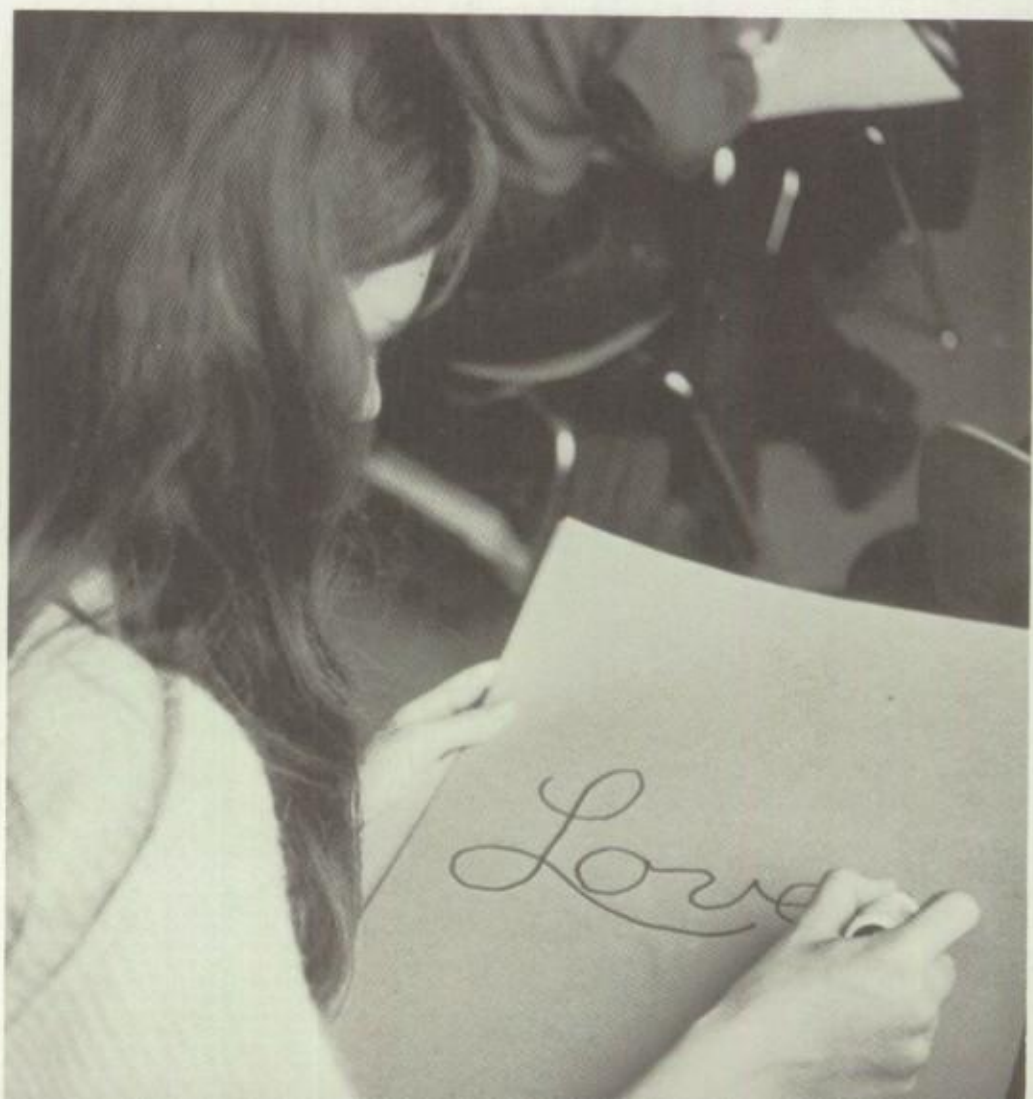

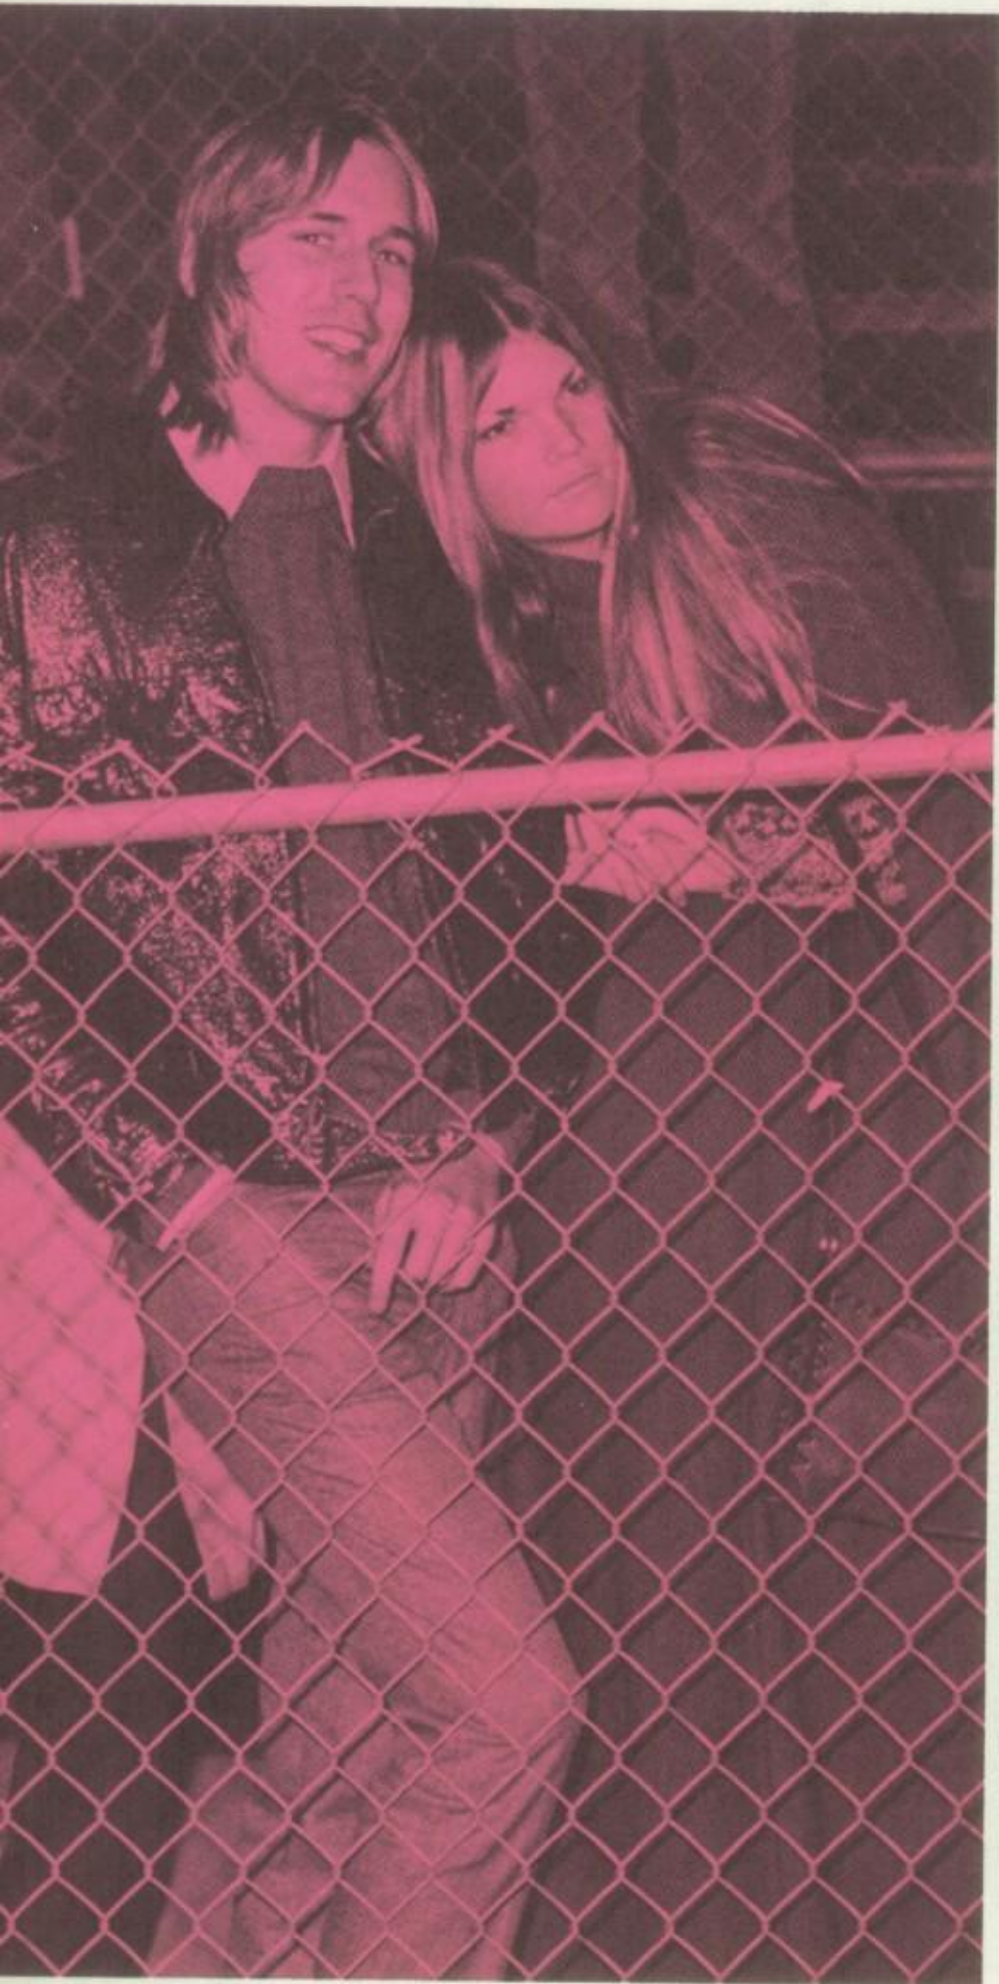

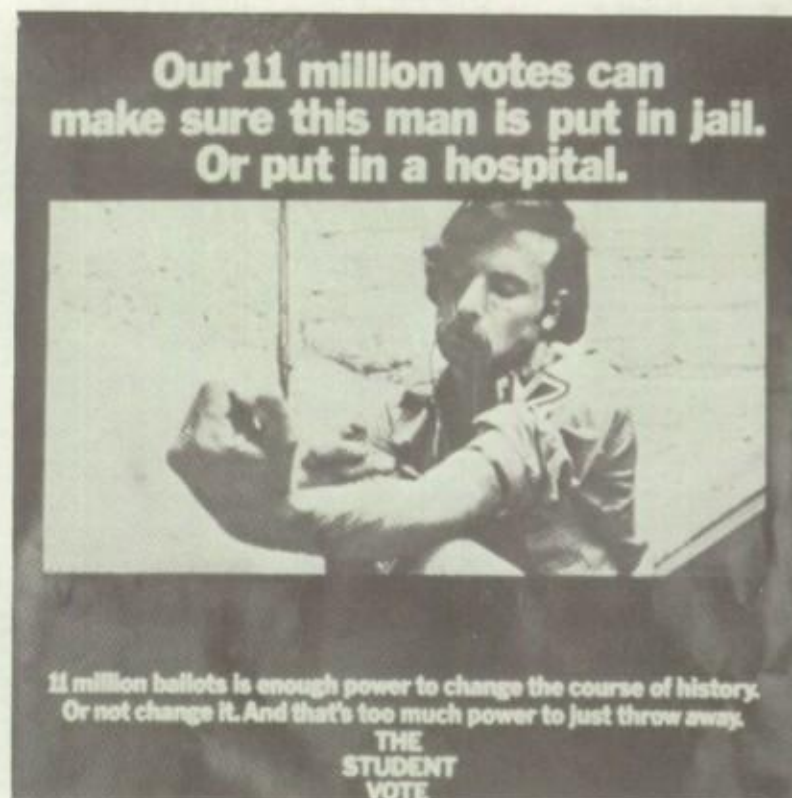

*Well, in the end I'll know,
but on the way I wonder,
through descending snow,
and through the frost and thunder.
I listen to the wind come howl,
telling me I have to hurry.
I listen to the robin's song
saying not to worry.*

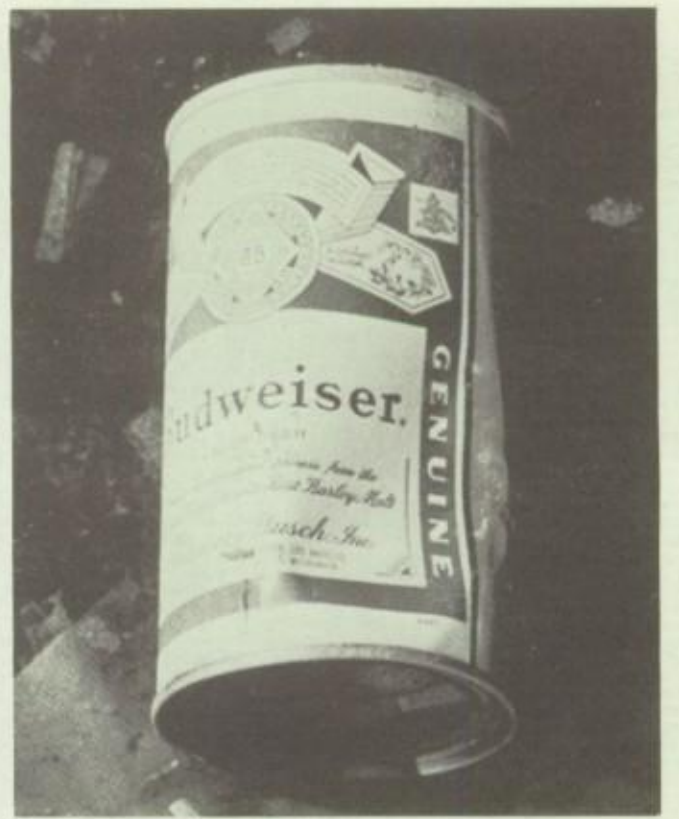

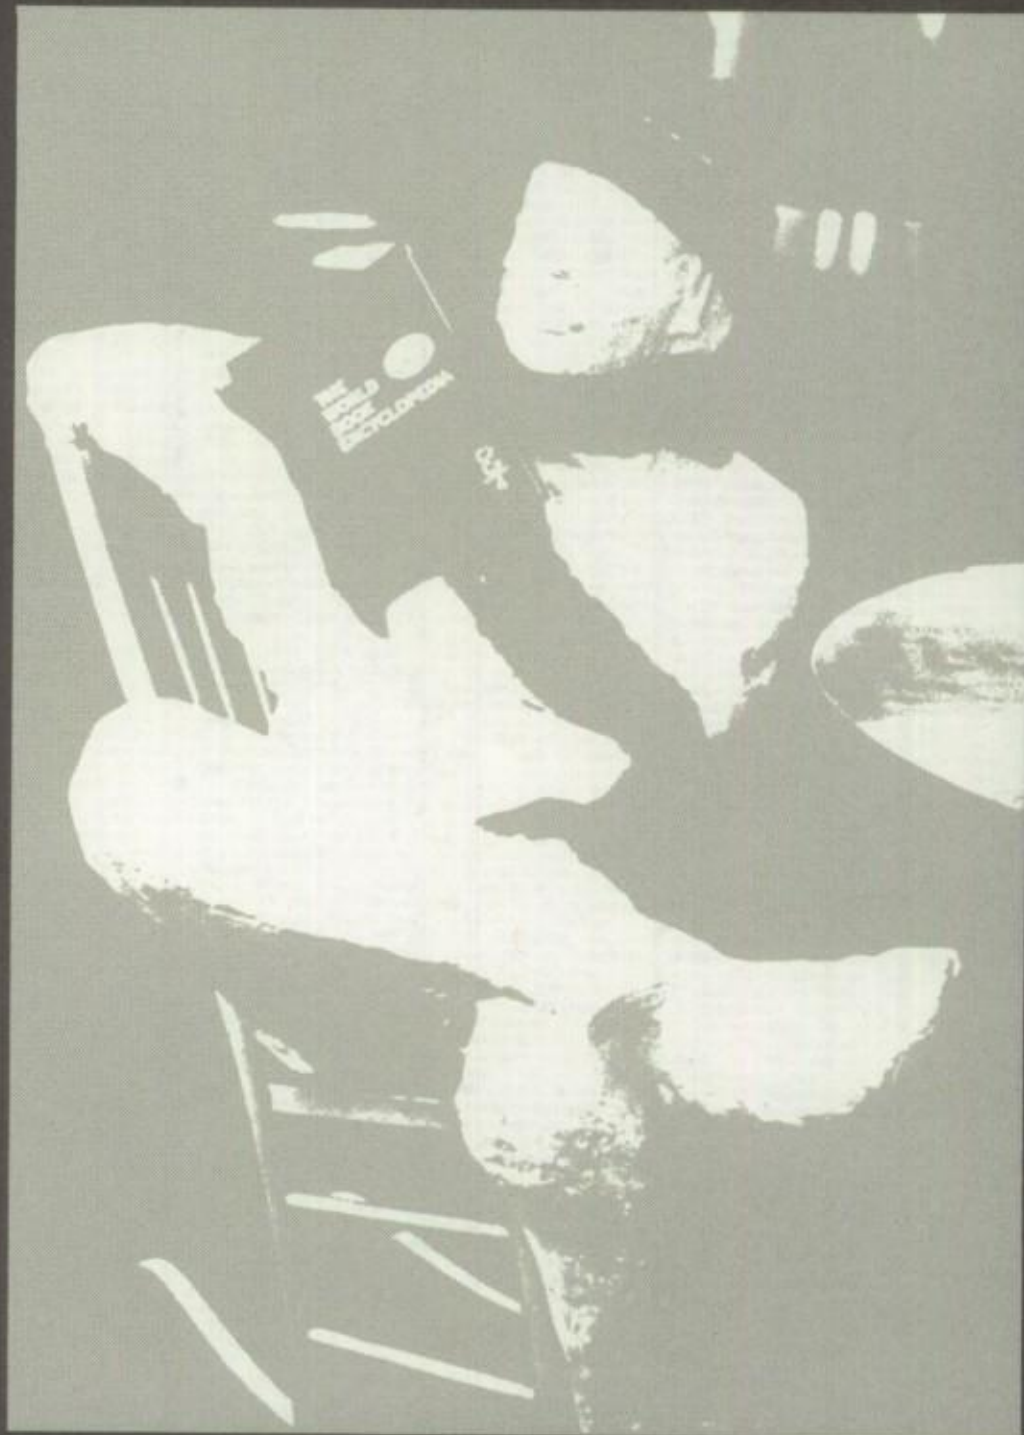

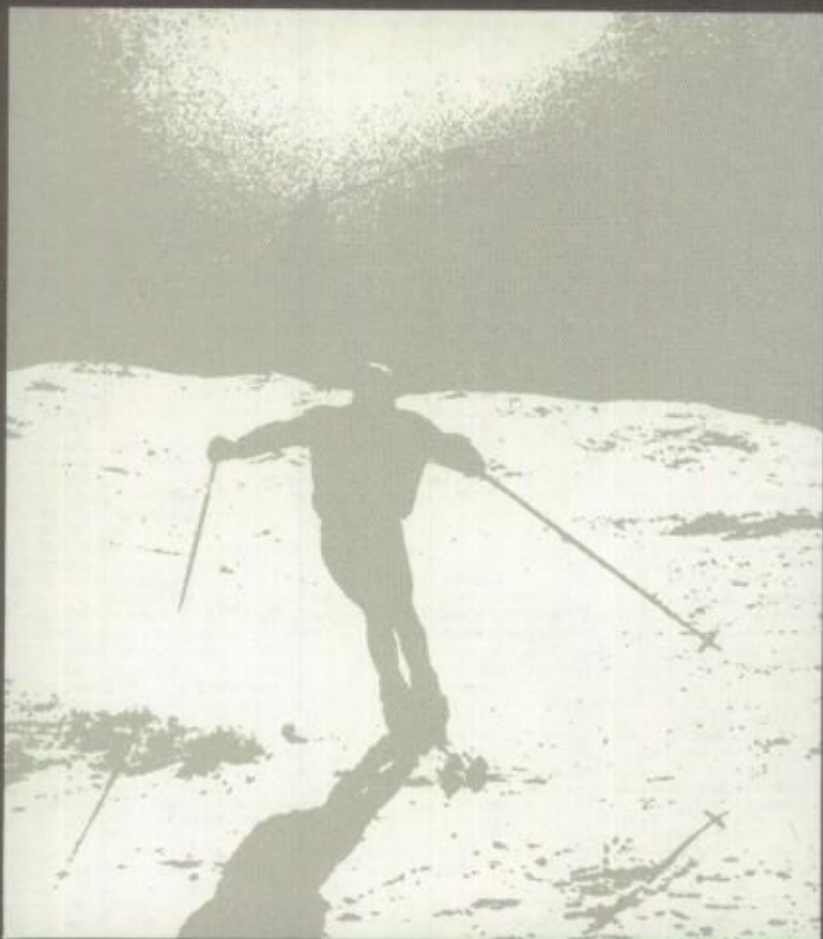

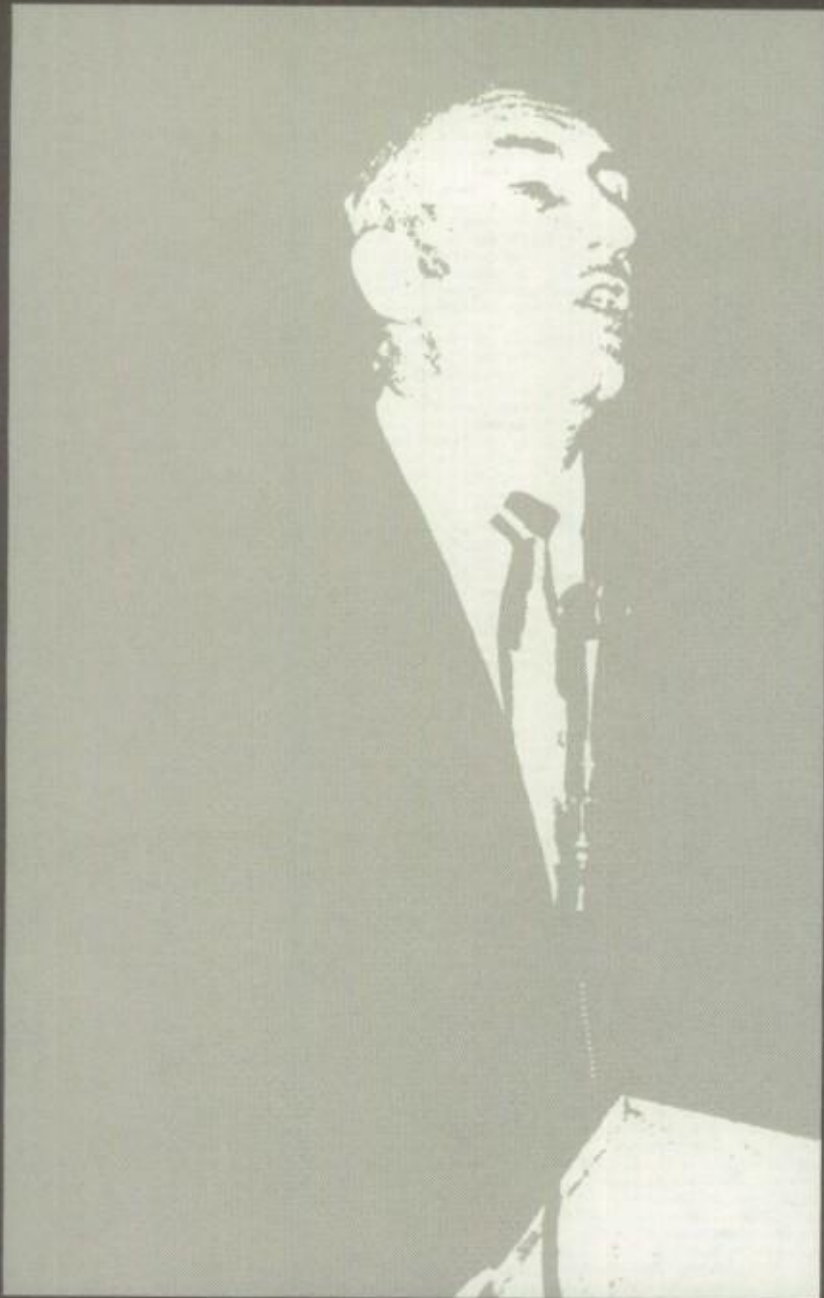

*Then I found myself alone,
hoping someone would miss me.
Thinking about my home,
and the last woman to kiss me.
But sometimes you have to moan . . .
when nothing seems to suit you . . .*

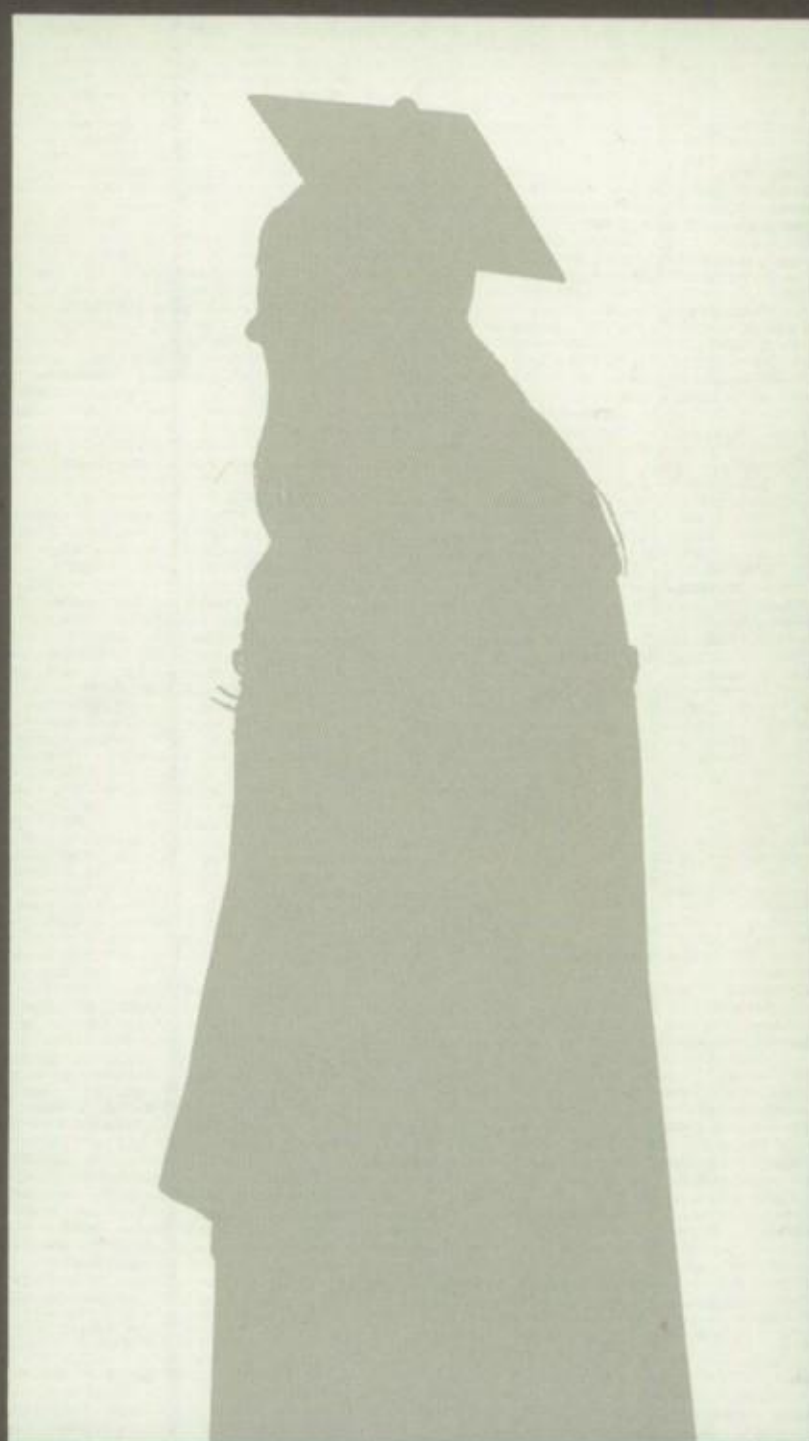

*but nevertheless you know
you're locked towards the future.*

Student Life

on the road to . . . individuality

ELECTED 1971 Homecoming Queen is Sharon Pruett, center, surrounded by her court; Pat Budzinski, Dorothy Sirhan, Karen Cross, Debbie Gaffke, Zaira

Maio, Connie Babincheck, Debbie Pietron, Collette Marchinini, Denise Sharon Vickie Marasco, and Jackie Hill.

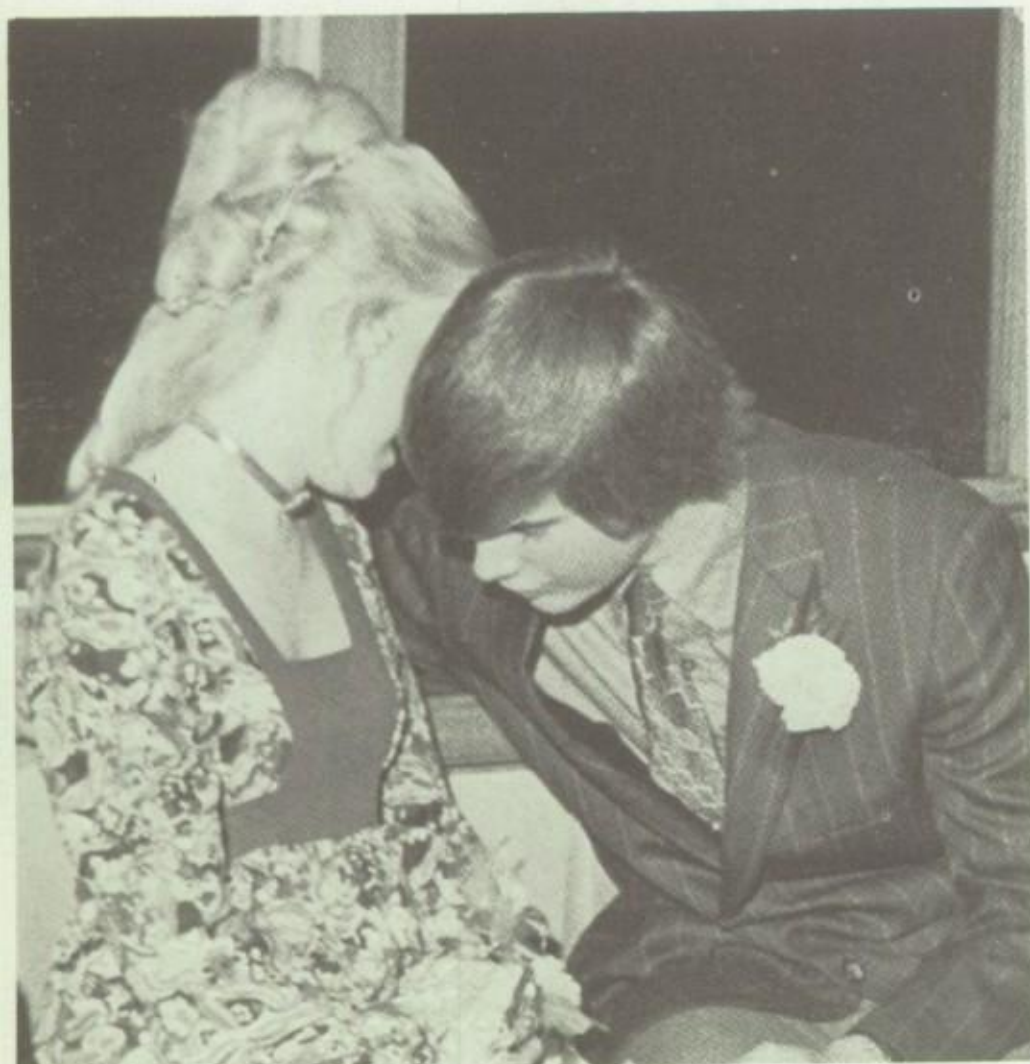

HONORING their queen, Sharon Pruett, right, students watch as she dances with her escort. Creating a splash an onlooker becomes involved, above, at the tug-of-war.

Victory Highlights Homecoming Festivities

TRADITIONALLY, homecoming was celebrated by a variety of activities. Student Council officers, Kathy Marrocco and Debbie Mackin, organized this year's festivities.

The tug-of-war was the first activity. Those who attended vengefully pulled friend or foe into the awaiting mud puddle and fought hard to keep themselves out. The bonfire, the next activity, blazed while the cheerleaders and band sparked enthusiasm at Kennedy Park in front of a large gathering of students.

Before the Homecoming game, clubs and classes participated in the annual parade. The class floats were displayed again during halftime before it was declared that the Seniors had recovered the "Best Float" title. For their halftime presentation the band performed for the first time the unique aleatoric drills. After the band completed their exercises, the Homecoming Court was brought out onto the field where Sharon Pruett was announced Homecoming Queen. An informal sock-hop followed the game to celebrate the victory. The final activity, the semi-formal dance, was held in the cafetorium and "Insanity's Horse" provided music.

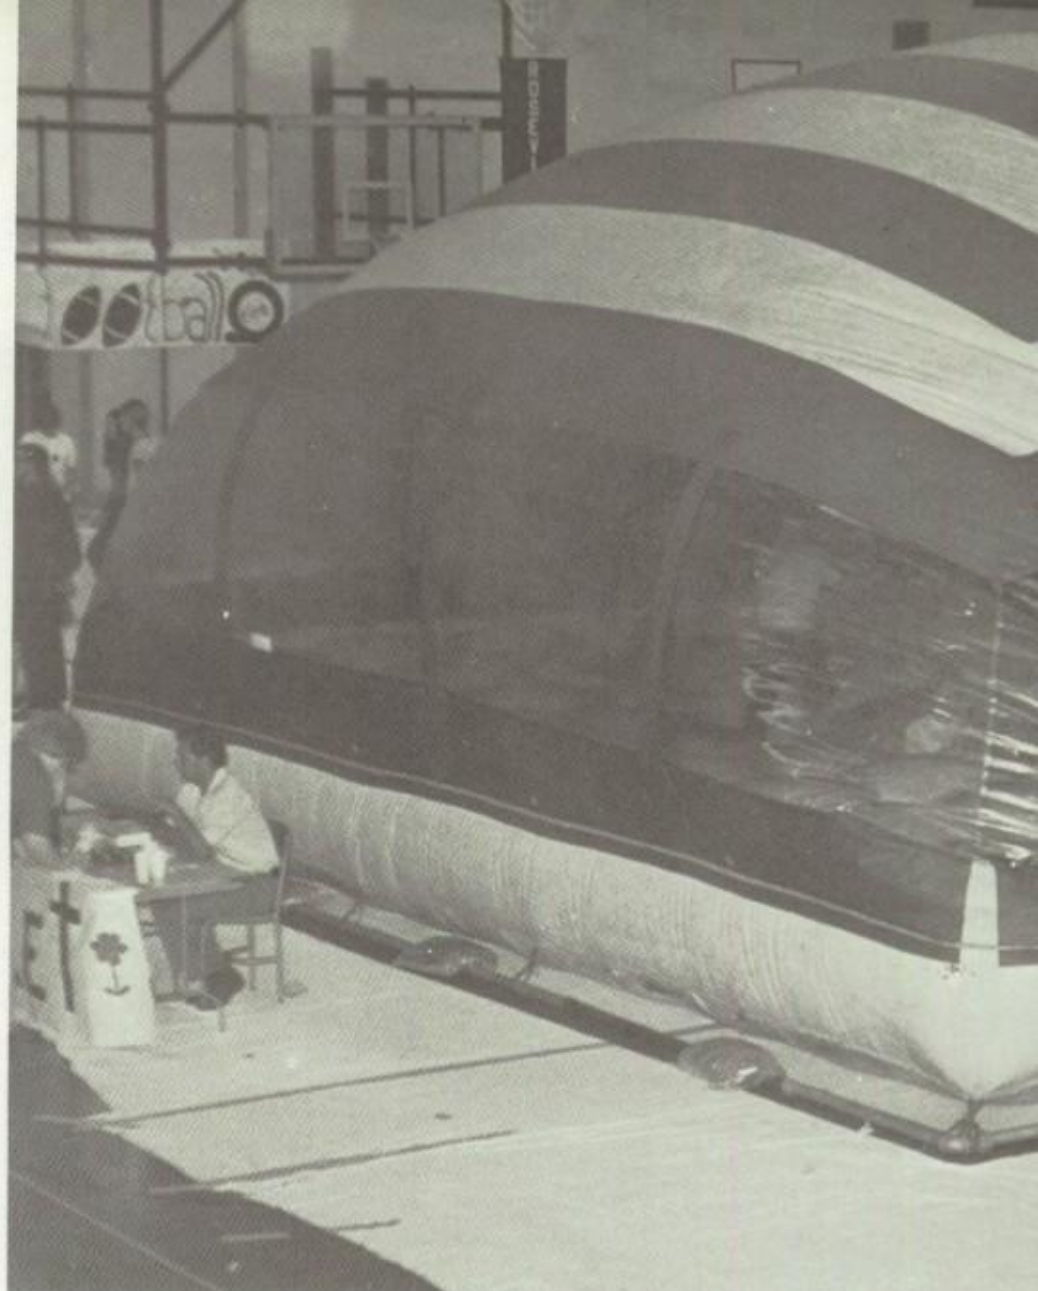

SPIRITS and hopes for a victory rise, above, as the bonfire blazes. Noise levels, right, force Mike Langrill's date to speak in his ear.

Bands Sponsor Fun Fair To Finance Concert Tour

REHEARSING even before school started in September, the 126 volunteer members of the East Detroit Marching Band worked diligently to perfect the routines they performed. Students, alumni, and Mr. Al Marco participated in producing the excellent football halftime and pregame shows.

As soon as the football season had ended all efforts were turned to the preparation of a successful march in the Thanksgiving Day Parade. Proud students were able to watch and listen to their band on television as it marched in the Hudson Parade.

Their fund raising project for this year was the Fun Fair Carnival. Both young and old challenged their skills and enjoyed the variety of attractions. While the Moonwalk and Dunking the Clown appealed to students, the fishing and racing cars yielded excitement in the expressions on toddler's faces. Prizes, such as the Kawasaki 250 motorcycle and a Waterbed, made the raffle the highlight of the carnival. All proceeds from the carnival went to help finance the anticipated concert tour through New York and Canada.

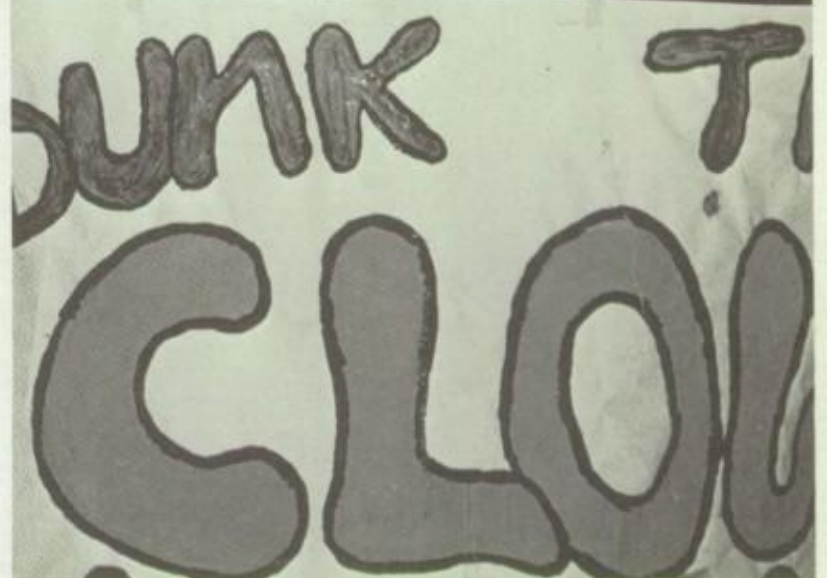

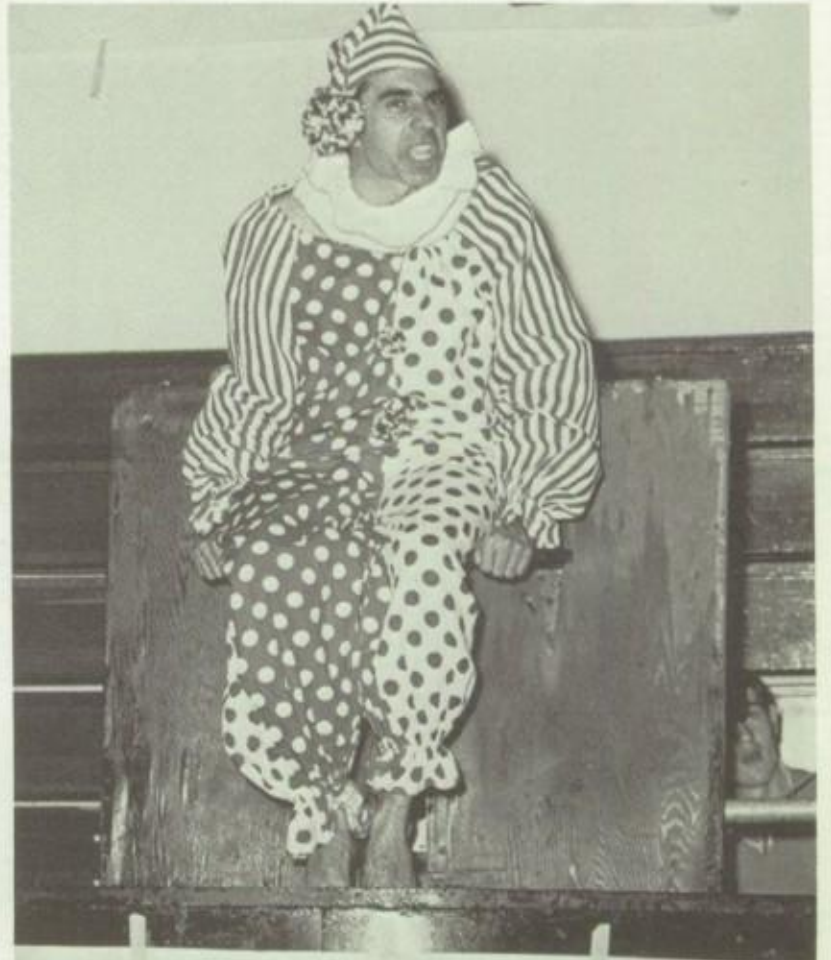

CONCENTRATION was needed by Drum Major Jim Rehahn and band member, John Rivera, to perform the aleatoric drills. The band members, right, march off the field.

TAUNTING participants, Mr. Al Marco made himself an ideal target for revengeful students. Another attraction at the Fun Fair was the moonwalk, left, which predominated the gym floor.

Tour Creates Opportunity For Broadening Knowledge

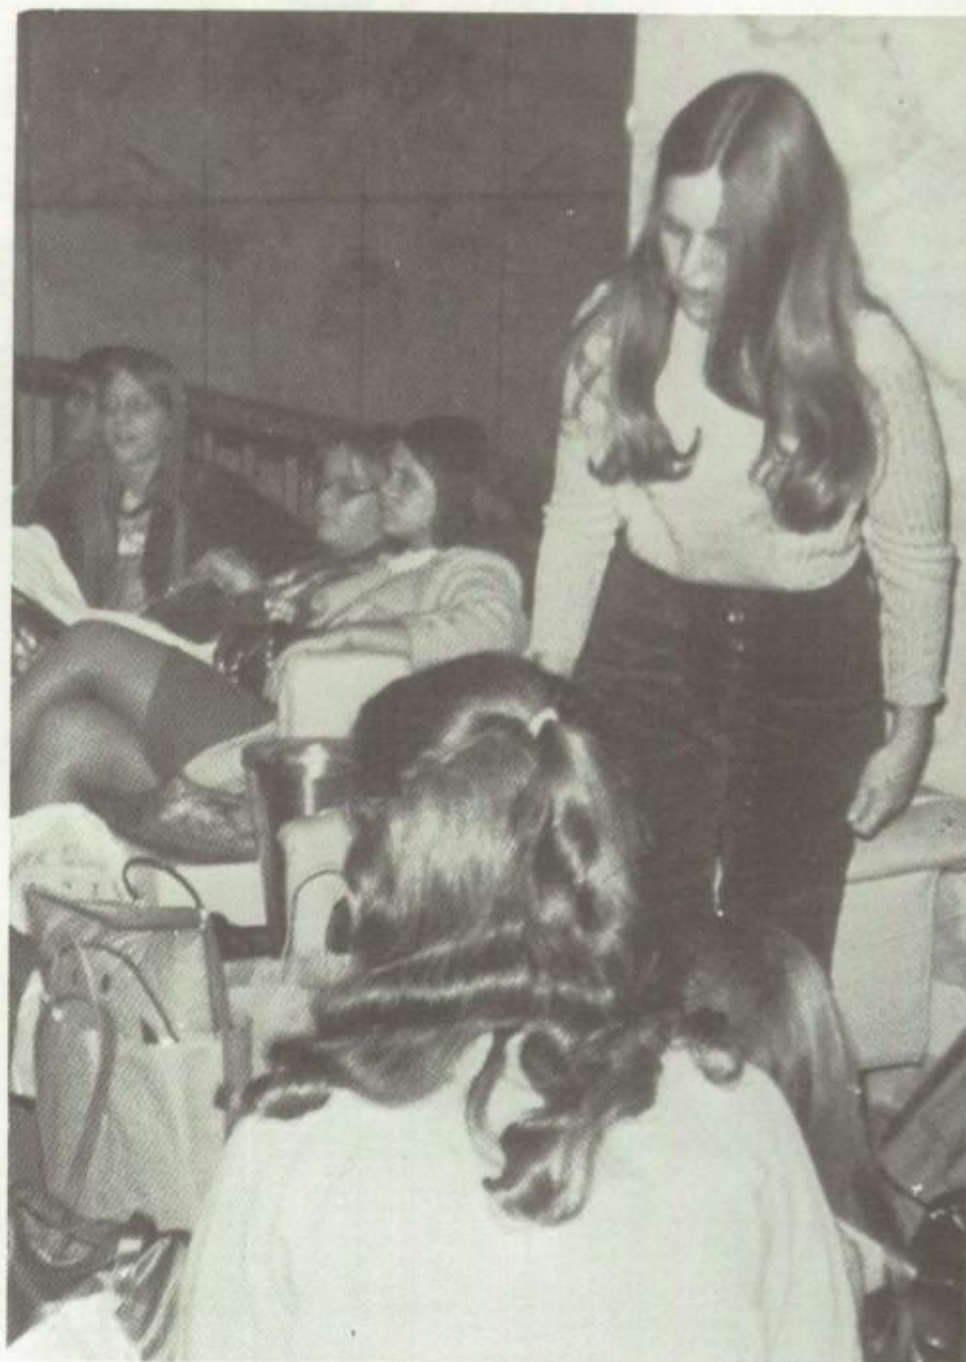

ADVENTUROUS and eager, members of the New York-Washington tour looked forward to becoming acquainted with history first hand as they arrived in Washington for the first half of the 1971-'72 tour.

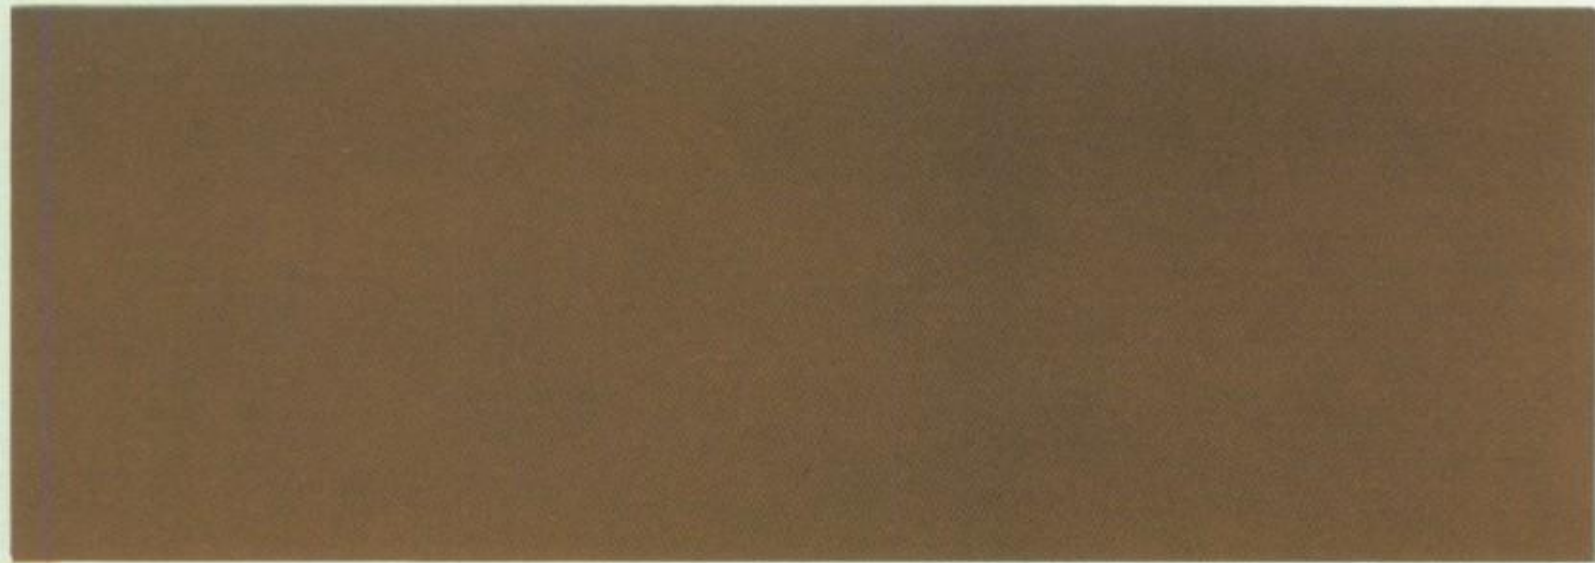

Little time was wasted sleeping. The itinerary for each day was crowded with the historic places that Washington D.C. and Williamsburg are famed for. In addition to the historical places visited a more modern highlight of Washington, the JFK Memorial Center was seen. Recently completed it greatly impressed the tourists with its simplicity and magnitude.

It wasn't long before the greyhound bus which was used for transportation, became fondly referred to, by tour members as their "Mobile Home".

Attending the Broadway play "Fiddler on The Roof" was not the only exciting event featured in New York. Members also had the chance to climb the Statue of Liberty and Empire State Building, visit Rockefeller Center, to see the famous Rocketters, and familiarize themselves with the mysteries of the subway. The words hustle and scrunch became an integral part of their "New York" vocabulary.

PACKED and ready to head back home, tour members waited in the lobby for their bus, upper right. Costumed in colonial dress the hostess, right, explains the function of the rooms in the Governors' Palace. Students, below, wandered through the grounds at Mount Vernon.

MEMBERS of this year's Social Studies tour are: bottom row, Sue Cloyd, Jennifer Roselle, Carolyn Ward, Denise Bernhardt, Rita Battaglia, Joan Hoffman, Linda Maynard, Barb Ruemenapp, Agnes Wolski, Debbie Oliver, Janice Leone, Patti Mylam, Carol Cione, Carol Koczat, Sue Zaun, Janice Earl. Middle row, Joanne Asbury, Cathy Francisco, Mary Arambages, Elyse Chenoweth, Jane Lawrence, Kathy Perreman, Lauri Titsworth, Denise

Buckner, Karen Hagan, Diana Knapp, Kathy Hageman, Cecillia Riden, Nancy Ream, Denise Martin, Denise Drodek. top row, Mr. Dely, tour director, Mark Davidson, Paul Yee, James Rancilio, George Rafeadus, Cliff Black, Mary Wesley, Shelly Bossenberger, Mrs. Ella Doster, Mr. David Brooks, Miss Alice Mualem, Erwin Kwiotek, Don Vanderhoef, Pam Gibson, Shirley Collin, Mike Hiel, Mr. Dely.

Concerts Combine Modern, Classical Sounds

CULTURE is not only reflected in paintings and sculptures. As demonstrated by the band and choir it can also be found in both contemporary and classical sounds.

The choir was the first to display their musical talents. They held their concert before Christmas featuring a variety of numbers. The emphasis was placed upon classical selections rather than on Christmas carols. Each of the three choirs; Concert, Shamrock, and Mixed; had four numbers prepared and the perfectly harmonized Madrigals highlighted the performance with their version of "Fruitcake".

The band held their concert during the middle of January. The Concert Band played first followed by the Symphonic Band. Dennis Gac was featured soloing on oboe and Sue Lazar played a flute solo. The most effective number played was "Jesus Christ Superstar" by the Symphonic Band. Selections from the album were arranged together and performed as one number. Electric guitars enhanced the mood making the arrangement complete and well harmonized.

Students, grateful for devotion, presented Mr. Marco with a stuffed bear, bottle of champagne, and an evening out. Mr. Houser received a watch, jewel box, and a key ring.

BAND members watch notes carefully waiting for the appropriate cue, right. Trio members, above, sadly describe the events occurring in "The Twelve Days After Christmas".

VOICES strained to reach the high notes while Mr. Houser directed at the Choir Concert, left. Soloist Dennis Gac, below, is accompanied by Woodwinds in the background.

MADRIGAL singers, above, present the numbers they had prepared. Harmonizing the different sections Mr. Alfred Marco, left, becomes involved in the music.

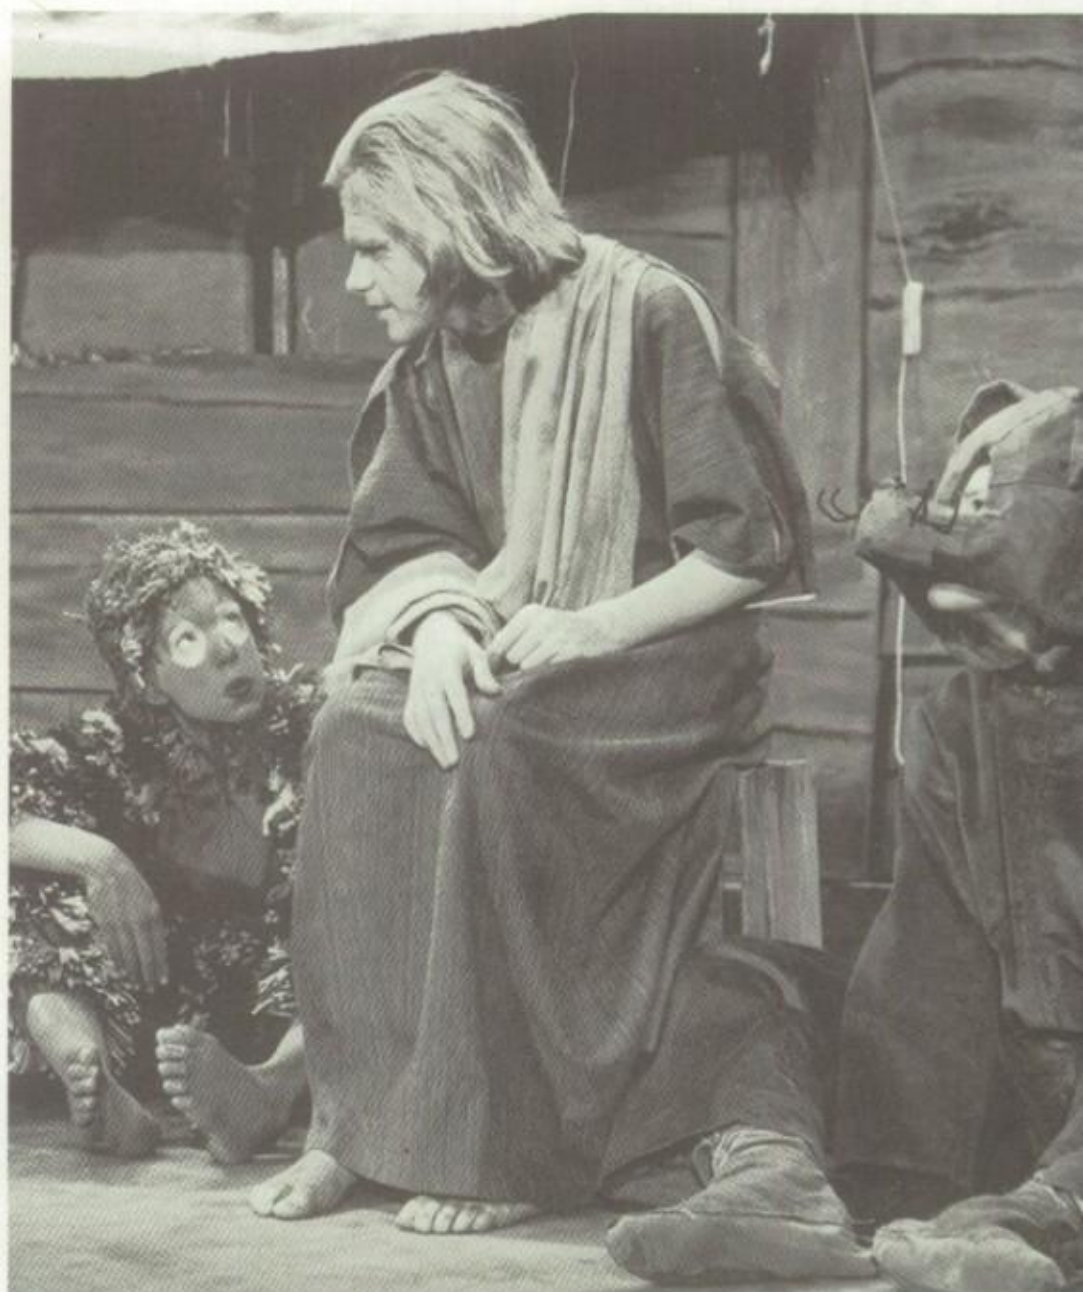

Biblical Narrative Dramatizes Social Theme

BIBLICAL history came to life for East Detroit students as the Pit and Balcony Drama Club presented the fall play "Noah" by Andre Obey.

The play dramatized the emotions and experiences of the characters during the forty days and nights of the famous voyage. Rick Waitz portrayed Noah and Kim Cruchon his wife.

The cast and crew built the stage props which included a huge replica of the ark on which much of the action took place. All costumes were also created by the participants including those of the animals aboard the ark. The animals, played by Perlie Van, the bear; Len Sorenson, the lion; Sue Briskey, the monkey; Chuck Heady, the Elephant; Karen Lang, the cow; Shelly Bossenberger, the wolf; Joanne Brauer, the lamb; and Teresa Stesney, the tiger, became a source of comfort to Noah during times of despair on the ark. His distress was caused by the impatience and lack of faith displayed by his sons and their wives. These faults, were important however, because it was through them that the underlying social themes were developed.

Ken Nichols, student director, assisted in the supervision of the production, aiding Mr. Raymond Beard, director.

ABOARD the Ark, Noah, Rick Waitz, is confronted by the animals, top. Rick Waitz, Kim Cruchon, and their daughter, Cheryl Myers, gather, above, around the dove which has just returned.

ACCUSING Noah of being crazy, an old man from the village, Dave Osburn, stands threatening Noah and his family, above. Tension aboard the ark is released as the passengers join in a game of Blind Man's Buff, left.

DESPERATELY, Kathy Ginnel attempts to imitate speech, below, while Paul Slabough and Joann Brauer watch wonderingly. Reprimanding Nick Stefani and Kim Crouchon for lack of disciplinary action, right, Debbie Kern pleads for cooperation. Finger- word games are used by Debbie Kern to teach Kathy Ginnel to communicate, far below.

MISBEHAVIOR is punished as Debbie Kern hurtles a pitcher of water at her undisciplined pupil.

*AFFECTIONATELY

dles her daugh-
ter to welcome

Students Work Miracles For Spring Performance

"MIRACLE WORKER" was, by far, the greatest play ever presented by the East Detroit Pit and Balcony Drama Club. Cooperation from the cast and crew, under the direction of Mr. Raymond Beard made it possible to achieve the authenticity and superb quality of their performances. Because its quality surpassed that of college level, it reached the National Associated Press, which considered it a professional play.

Special education instructors helped to accomplish the necessary realism of a successful production. Mrs. Betty Pellegrino taught five members of the cast the sign language of the deaf, while Ralph Pritchard, an instructor of physically-handicapped children, advised Kathy Ginnel in her role as Helen. During rehearsals, Kathy wore clouded prismatic glasses to blind her and earphones, which transmitted "white sound" to her ears, to deafen her, so she was able to understand and play well the role of a deaf and blind child.

The play was presented three consecutive evenings in March, the last being primarily presented to the deaf. During this performance, a representative from Michigan's School for the Blind, Mrs. Pellegrino stood on stage translating in sign language the entire play.

Major roles were portrayed by Kathy Ginnel as Helen Keller; Debbie Kern as Annie Sullivan, her teacher; and Nick Stefani and Kim Crouchon as her parents.

MUSIC and dance is enjoyed at the Cindrella Ball, right, as below, "Don't Rain On My Parade" is practiced by Cheryl Mull for her "Shenanigan's" solo.

CHOREOGRAPHER, Crystal Mayberry, perfects a dance routine, right, while laughs interrupt the rehearsal, far right, as Jim Rehann learns to portray his role.

Something Formal, Nothing Normal Lures All

HIGHLIGHTING the evening, Diane Kaake and her escort, Jim McLaughlin, were chosen "Cindrella" and "Prince Charming" through the traditional drawing.

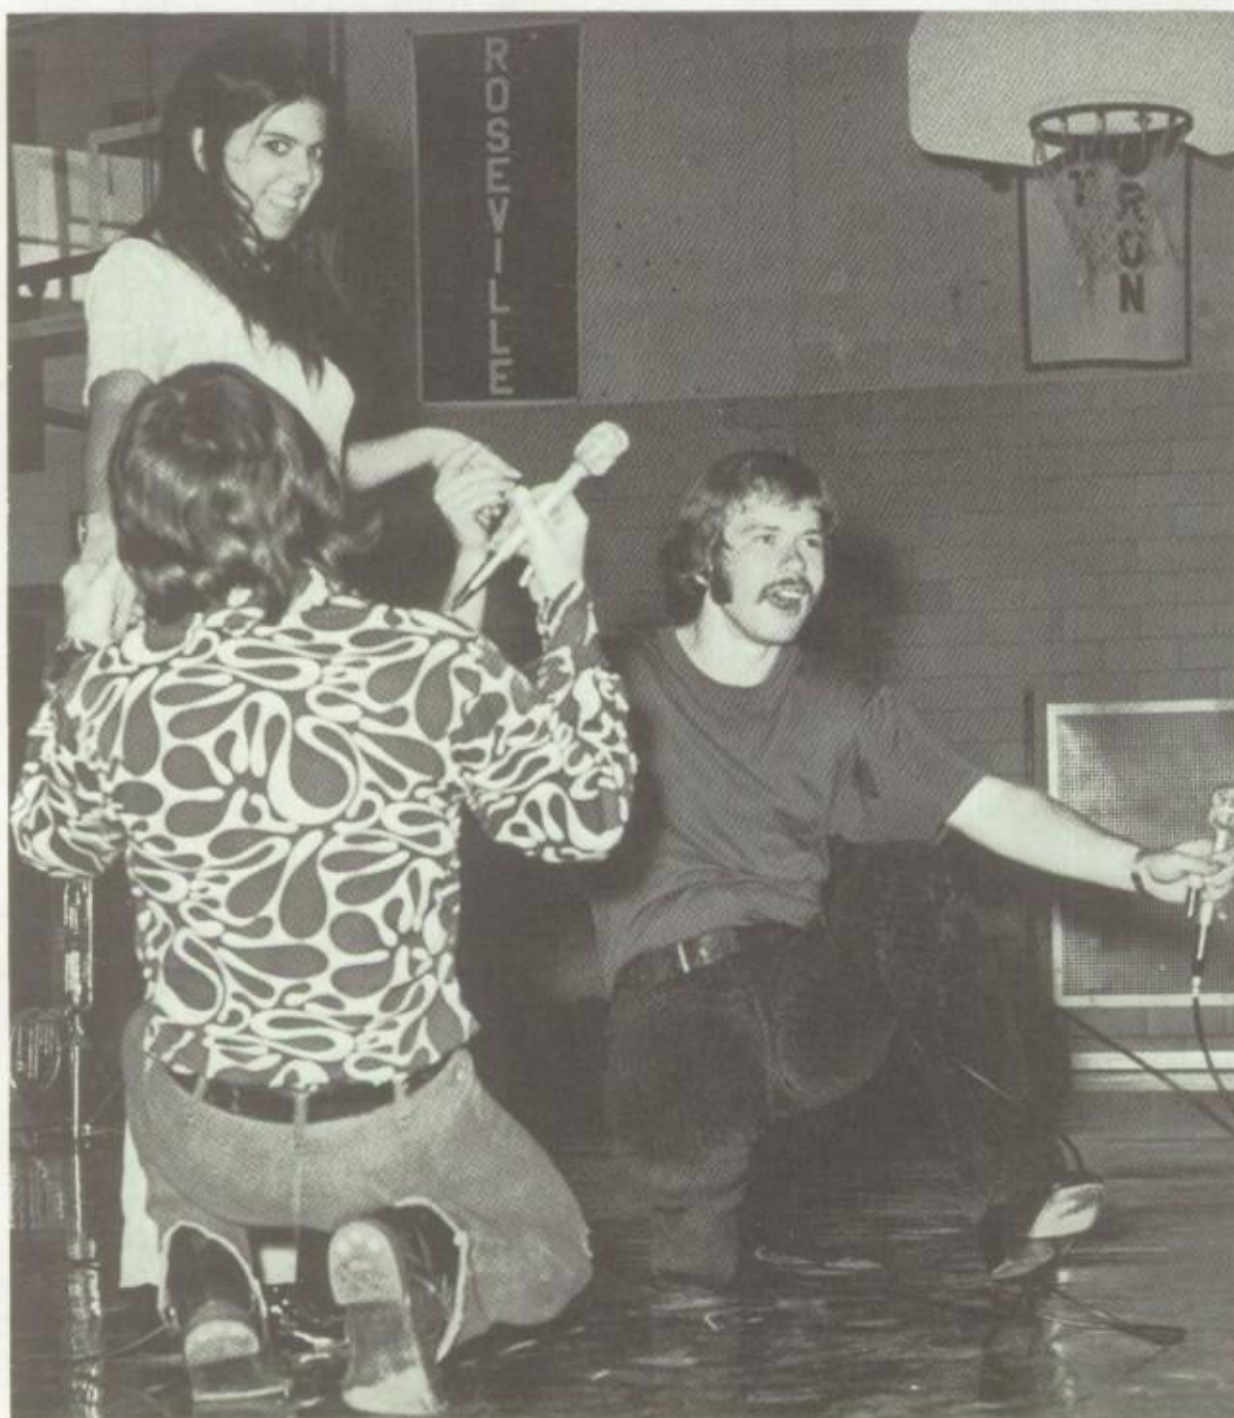

ATTRACTING great numbers of young people, this year's Cinderella Ball, sponsored by the Student Assembly, was held at Athena Hall. Although the unexpected large number of guests made the hall fairly crowded, everyone seemed to enjoy listening and dancing to music, the band, "Sheets of Armor," provided. Guests quenched their thirsts with fruit punch, and later Creme de Menthe parfaits were served.

Changing from the formals and suits to ready-worn jeans, students rehearsed for another of the traditional activities of East Detroit, "Shenanigans." This year's show, "Vaudeville '72," was directed by Mrs. Sherer, Mr. Comer, and Bob Horek. The students participating wrote the lines of their own acts. Some of the highlights featured in the variety show were a song and dance number starring Cheryl Mull, and a "Delivery Boy" skit, in which Brian Moore and Mark Kleim starred. Also presented to it's audience were impersonations: W.C. Fields by Charles Andrzejczyk; Geraldine by Chris Burkitt; and Lily Tomlin by Eileen Rowley. At the end of the show, chorus members made the audience feel more at home with the distribution of Shenanigan balloons.

TOGETHER with their escorts, Cindy Algueseva and Pat Tacconelli toast to a wonderful evening, above.

DOING its part to create an enthusiastic atmosphere is the EDHS Pep band, top. Two members of the Crimson Bridge, above, display their talents by serenading Kathy Asmar.

Assemblies' Endeavors Lack Spirit And Unity

PEP ASSEMBLIES, a thing of the past? This seemed to be the case at East Detroit in '72. The lack of enthusiasm of those attending and the struggle to keep students in school for the "free" hour were the main reasons for so few and so closely watched pep assemblies this year.

Split scheduling made it virtually impossible for all classes to be included in a single assembly. Thus, the majority of assemblies were presented for the Juniors and Sophomores for it was said that the Senior Class showed "little school spirit." However, as proved with the pep assemblies, neither did the Juniors and Sophomores.

A tradition, along with Senior prestige, died as underclassmen no longer had to wait respectfully for Seniors to leave the gym first. Seniors who had suffered silently for two years were disappointed at the loss of their privilege.

All attempts to generate enthusiasm failed to overcome the lack of unity. The few skits, Shamette routines, and cheers failed to arouse the complete involvement of students. The Pep Band was successful in stimulating some enthusiasm, however, they weren't present at every assembly and their absence became quickly noticed.

The most successful assembly was the rock assembly featuring the "Crimson Bridge". It was held twice, during different hours, to allow all students a chance to hear the band. Their showmanship won the audience's favor immediately.

SENIOR power and unity is proclaimed with a banner held up during a pep assembly, top. Stevenson students, left, visit a pep assembly trying to gain some support, but they fail to accomplish anything.

DRESS regulations were relaxed this year and Steve Spurgeon takes advantage of this privilege on the first day of the new policy, below. Halftime was livened up at a basketball game when the live chicken held by Jim DeLuca and Kurt Portelli, right, was thrown onto the court.

Split Scheduling Reduces Senior Prestige

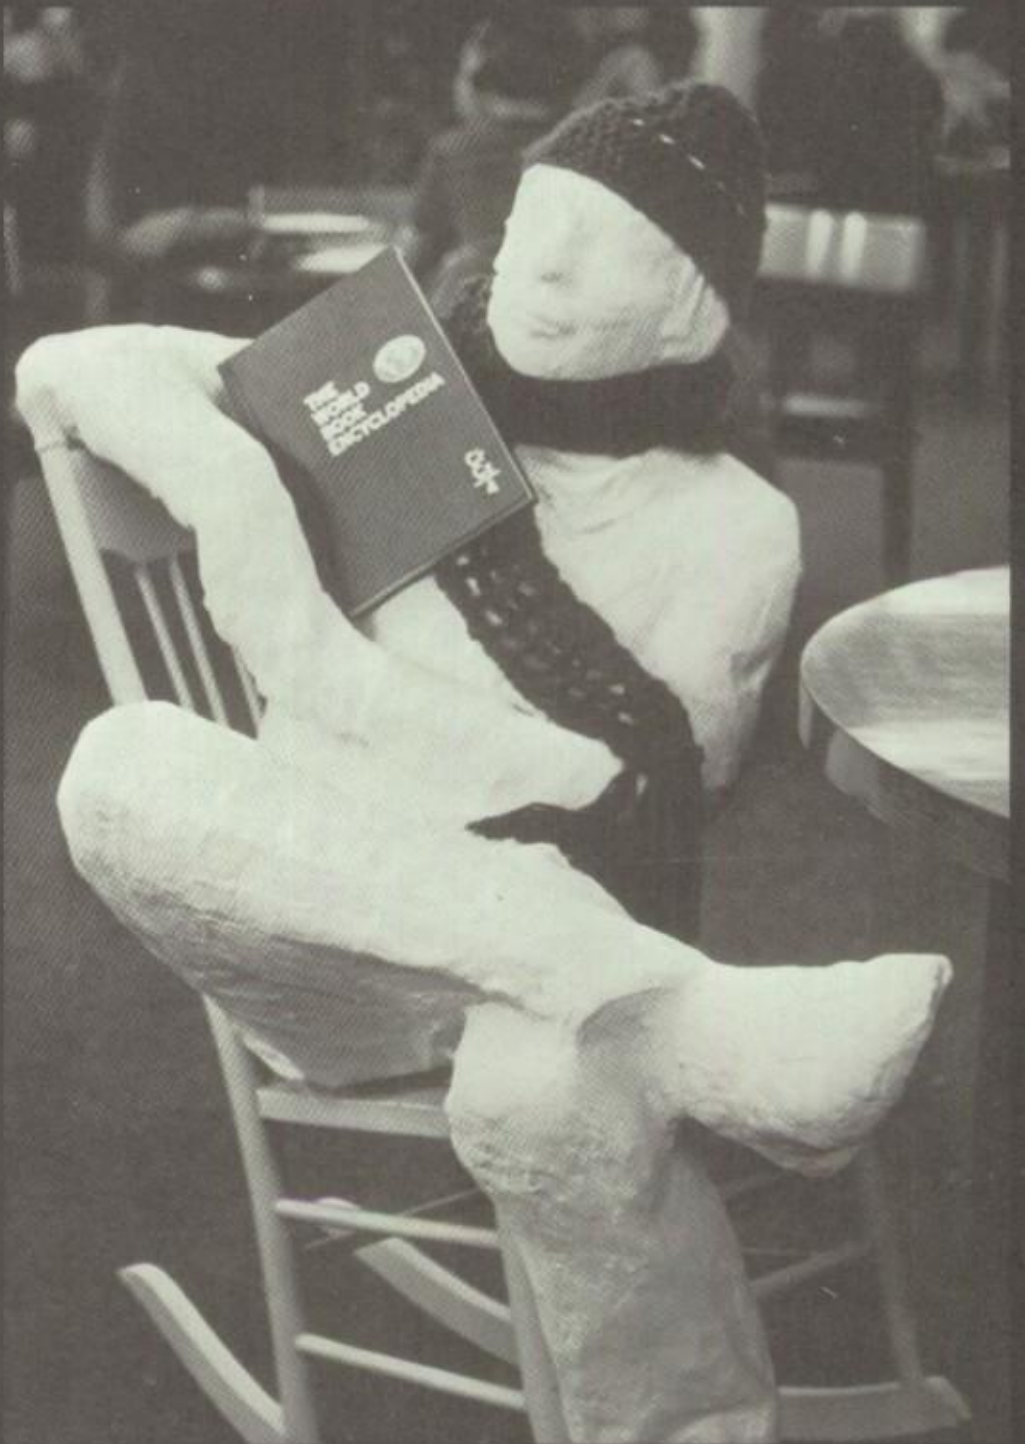

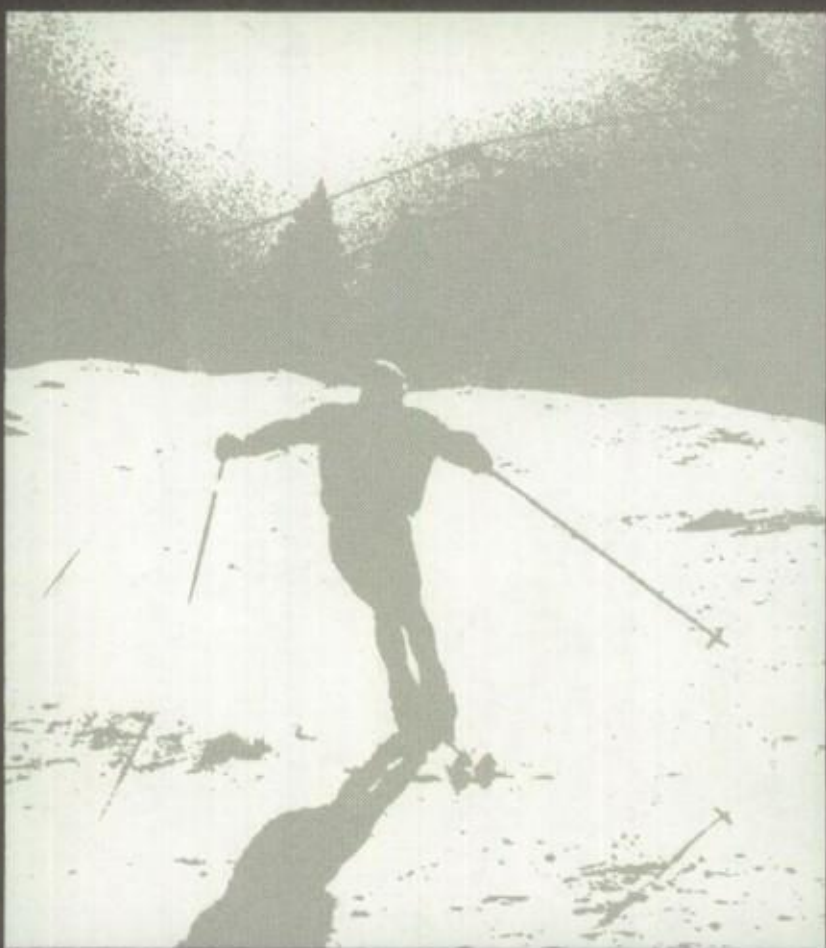

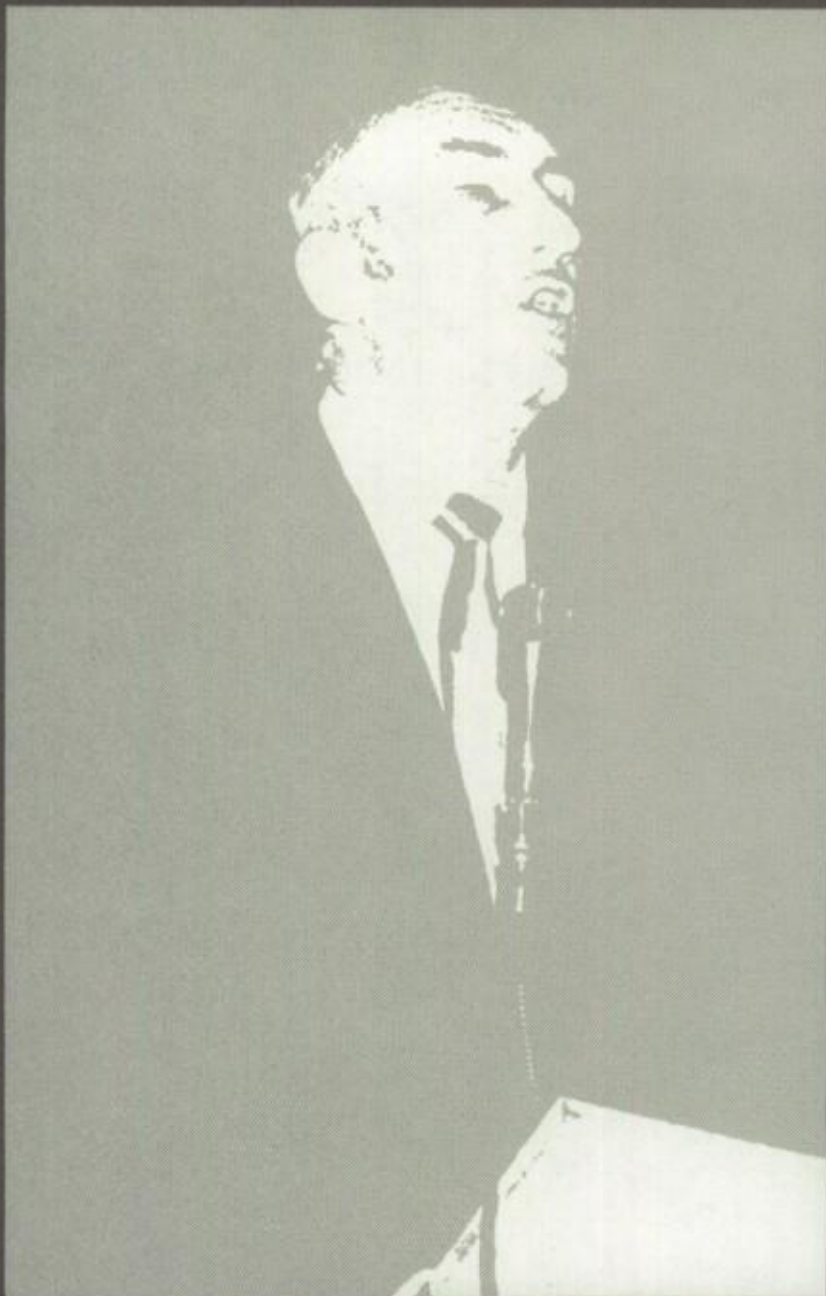

SKIPPING classes, hall mothers, friends, exams, homework, being tardy, clubs, report cards, dances, and falling asleep in class were all a part of East Detroit High. Students learned to change what they felt outdated, as proved with the relaxing of the dress code, allowing for freer personal expressions. A new newspaper, *The Wasted Ink*, printed by "The Foundation" brought about the first relevant paper seen in ED. With the lowering of the age of majority, adult responsibilities were assumed by the 567 eighteen year olds who registered to vote in the gym lobby.

Skipping to Buns was a main past time of many students. During each hour and especially at each pep assembly desperate students searched for a way to evade the ever-on-guard hall mothers to escape for a class period. Habitual skippers had one advantage this year in that earlier starting times lessened the extent of detention study hall.

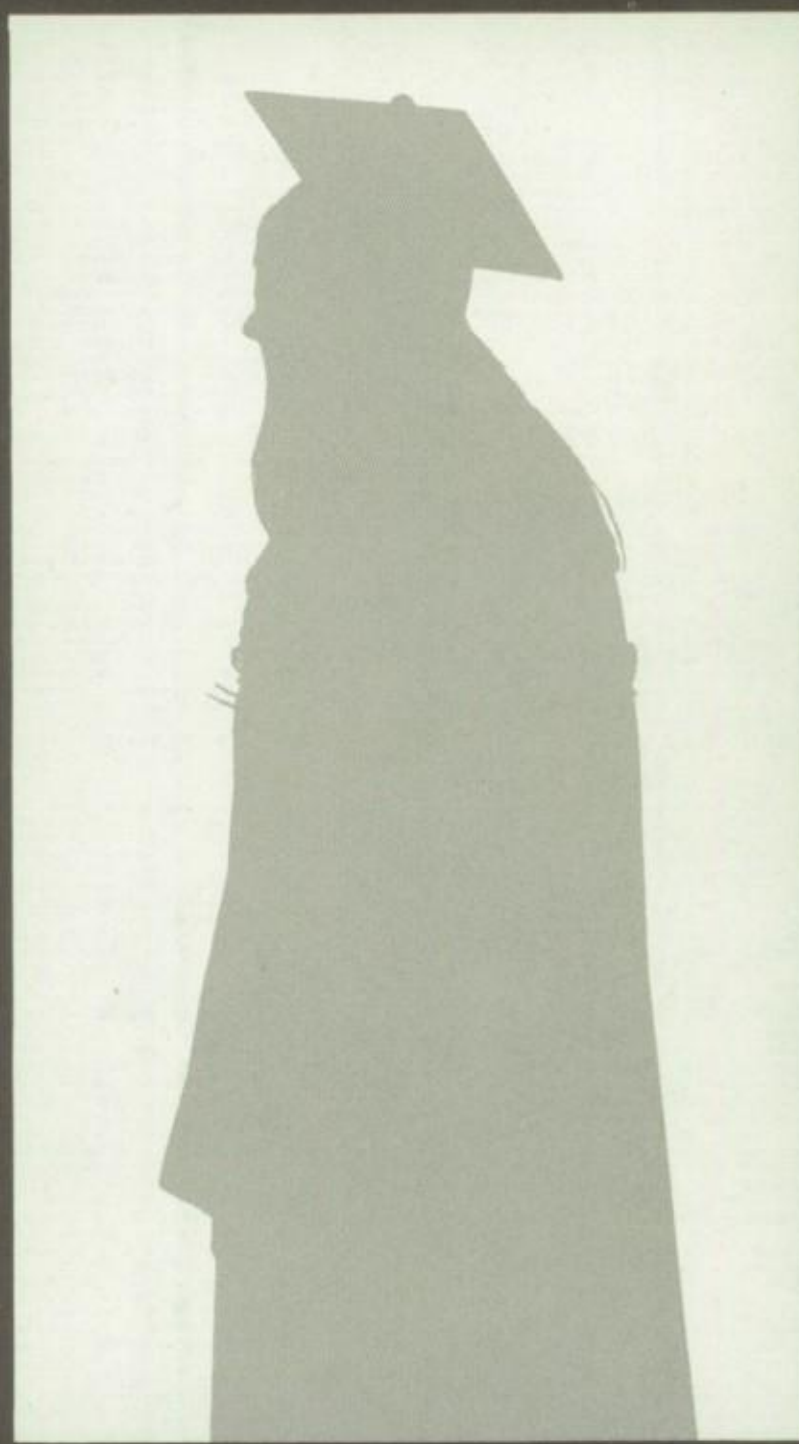

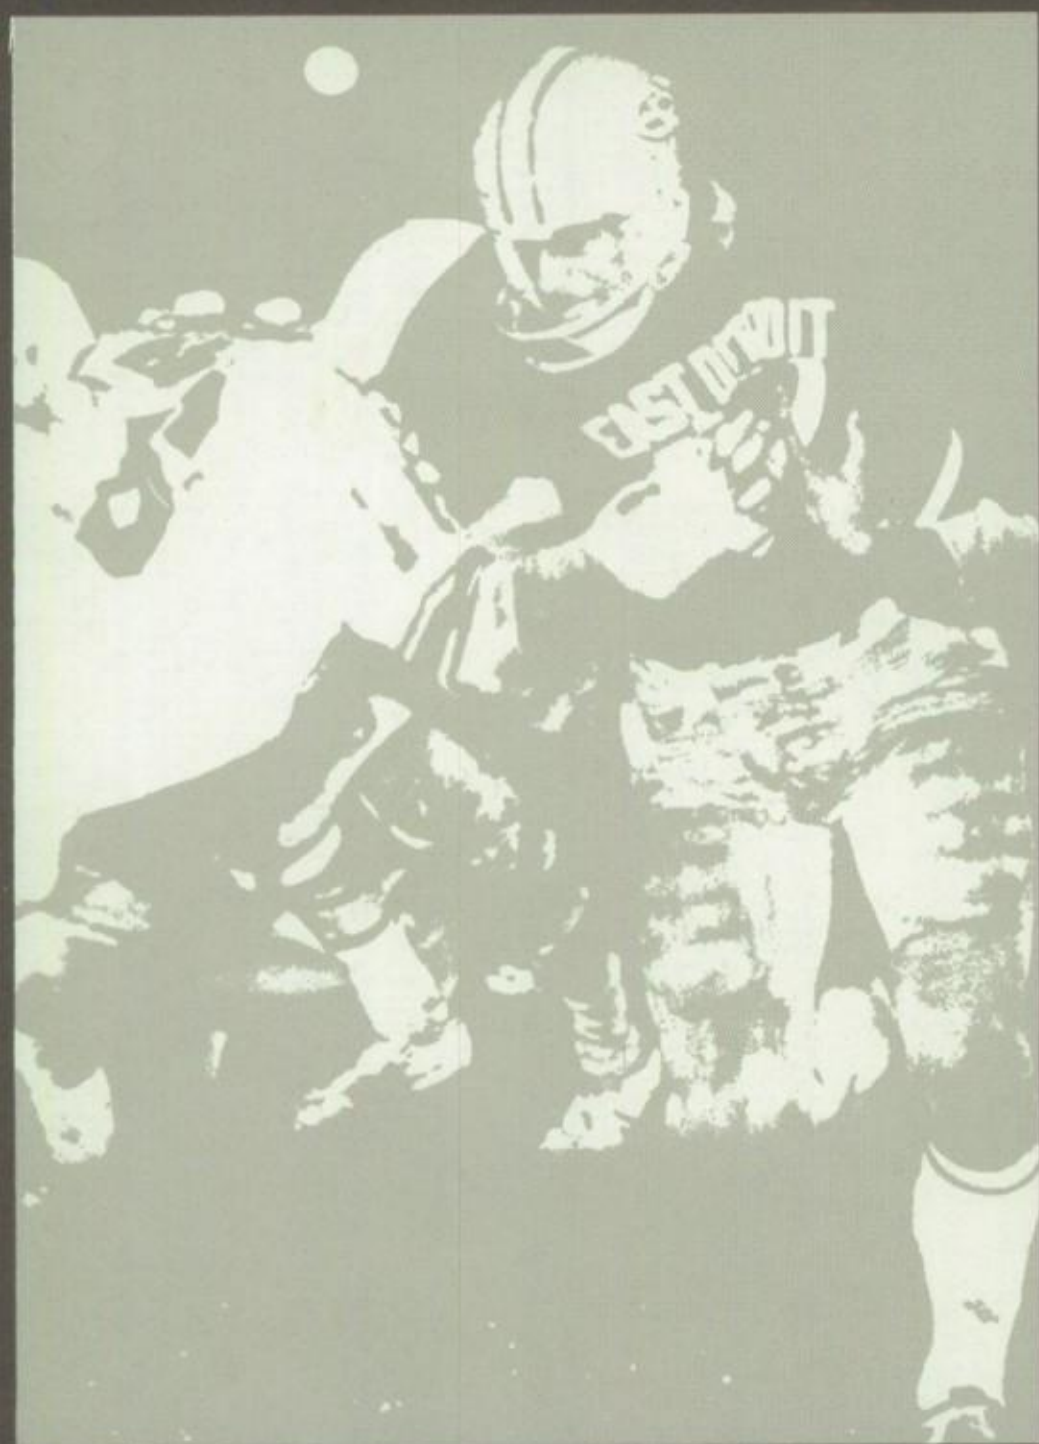

Sophomores starting late in the day had less reason to fear Senior power since the staggered scheduling kept the two classes from encountering one another frequently. The old familiar sight of sophomores carefully stepping over the Senior plaque wasn't common for few Seniors remained in the building to wait for an unwary victim.

SOLITUDE is rare, however, Debbie Penney finds a quiet moment, left. Lynn Franzel, above, is carrying "Noah's" inspiring mascot.

Academics

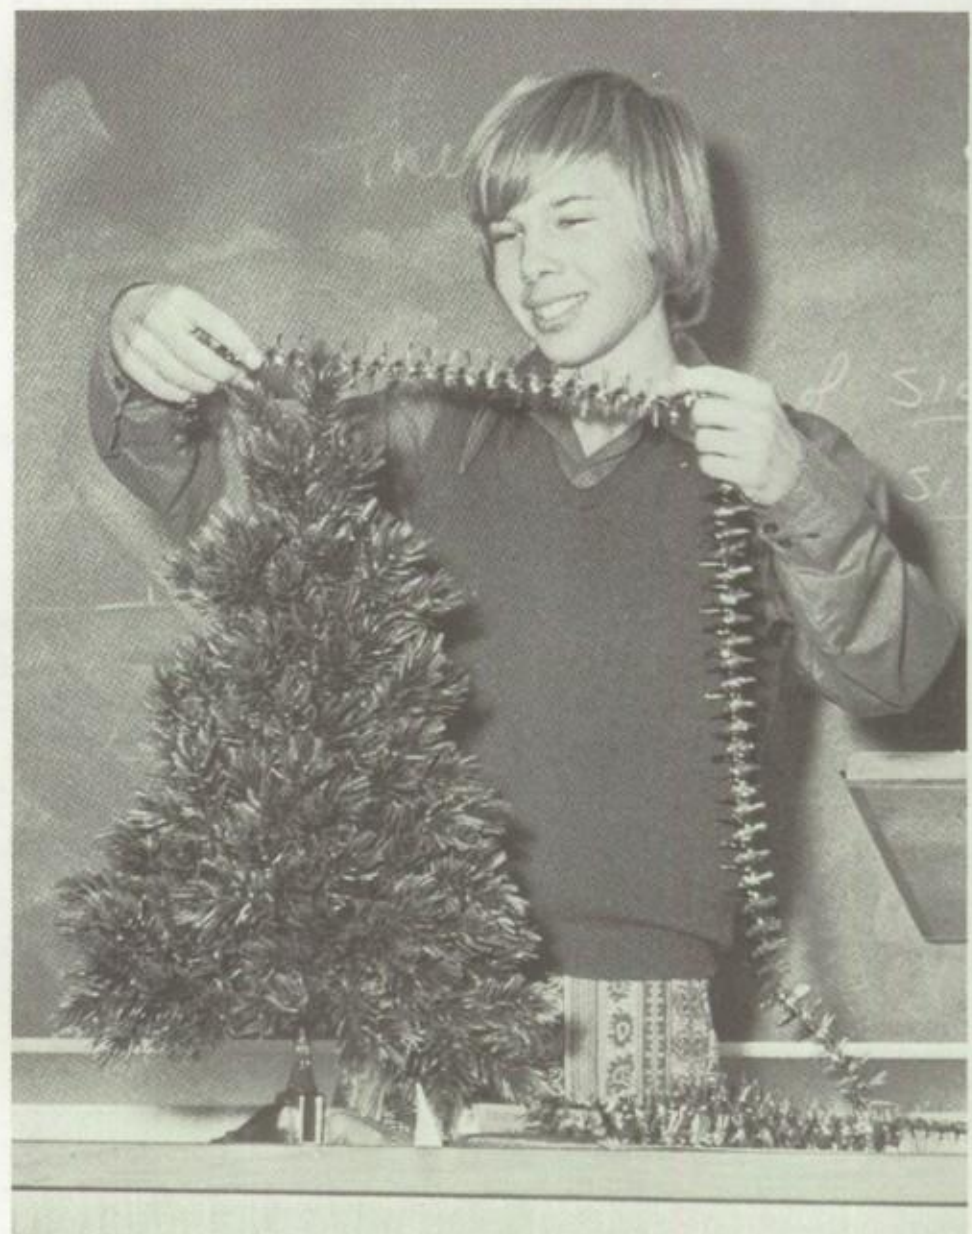

on the road to . . . wisdom

RECEIVING help in selecting library material, right, is Karen La' Crosse.

ENGLISH student Sue Salaski, above, turns to the dictionary for the information she needs. Sophomore Dan Pickle demonstrates how to trim a Christmas tree, right, in his Composition class.

English Courses Acknowledge Varied Interest

PROGRESSING from Creative Writing to Composition to the Research paper in just three short semesters is what I've accomplished in the Epic program. Next year I think I'll attempt to write a novel.

I took Romantic Literature expecting to read tales of love and romance but wound up reading the works of Whitman, Thoreau and other authors of the Romantic period.

I really enjoyed seeing all those movies for my Art of the Motion Picture class. The class, however, would be much more advantageous with the addition of a popcorn machine and a candy counter.

With English classes in Modern World Literature, Oriental Literature, Modern American Literature, and Afro-American Literature, I've become familiar with a wide variety of authors ranging from Harper Lee to Confucius.

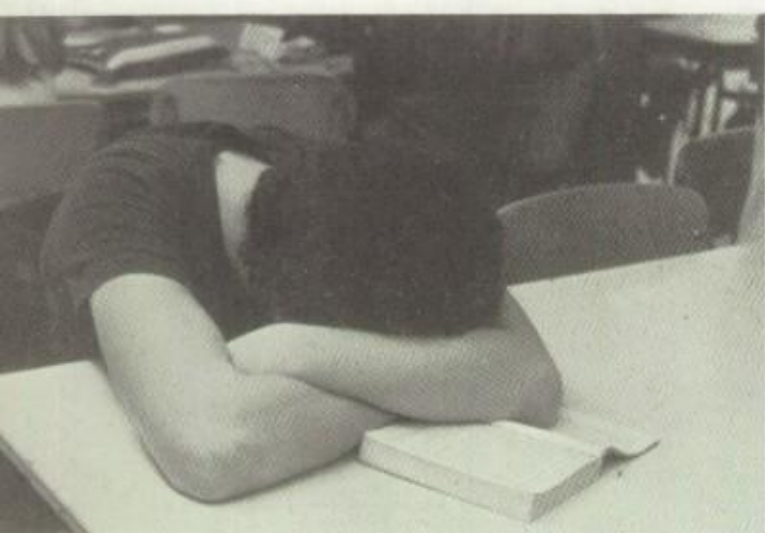

SCIENCE Fiction class finds Mike Schnabel, left, reading 2001, while Sue Law, above, demonstrates the proper technique in bathing a guinea pig for Composition class.

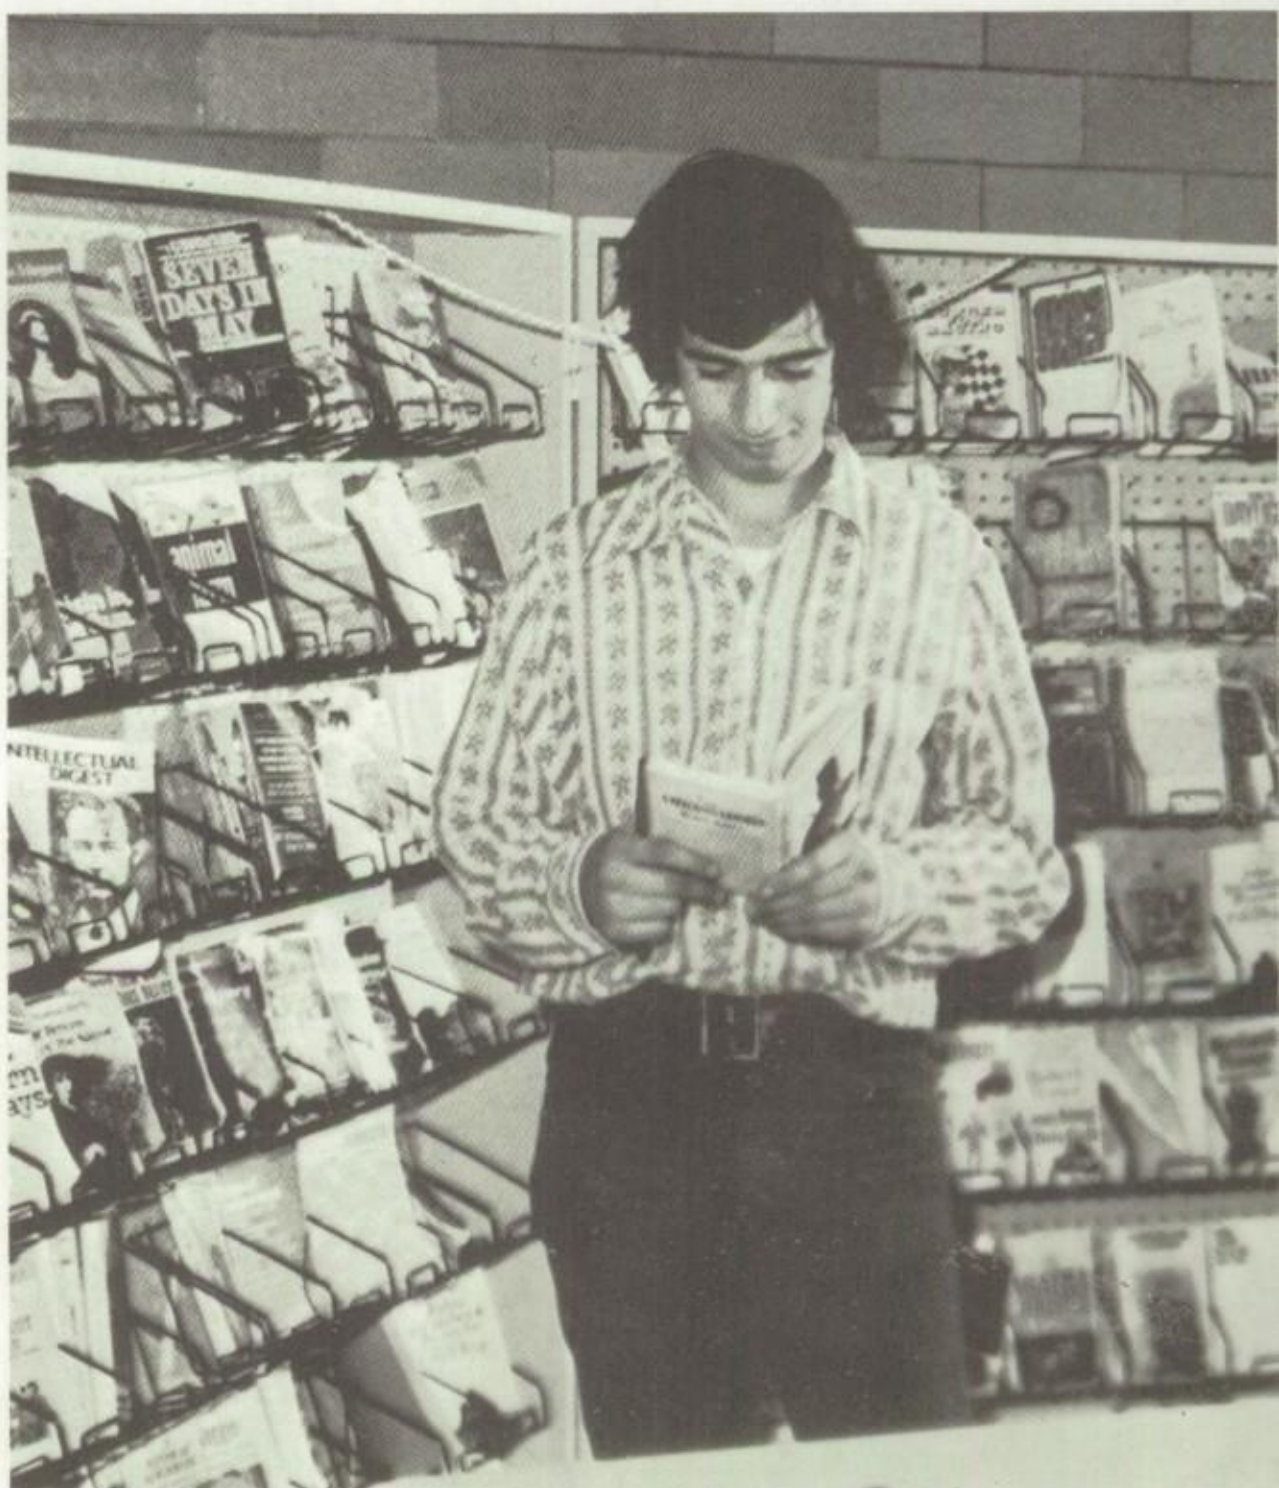

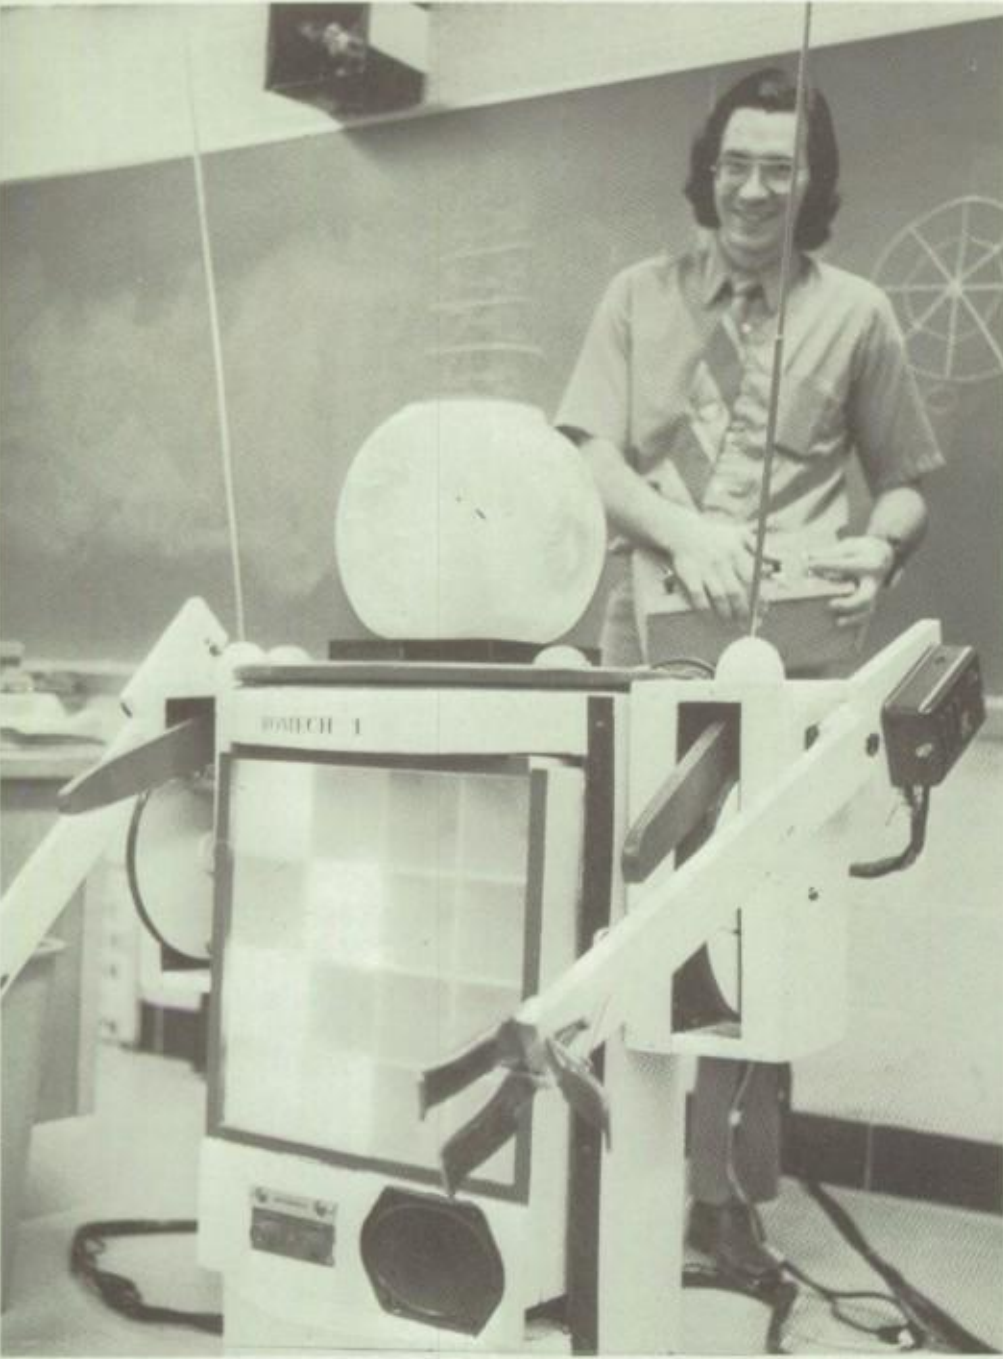

YOUTH Entertainment Enterprise board of directors are right, Margaret Trosinski, John Bullaro, and Pat Green.

ACCESS and EPIC Promote Individuality

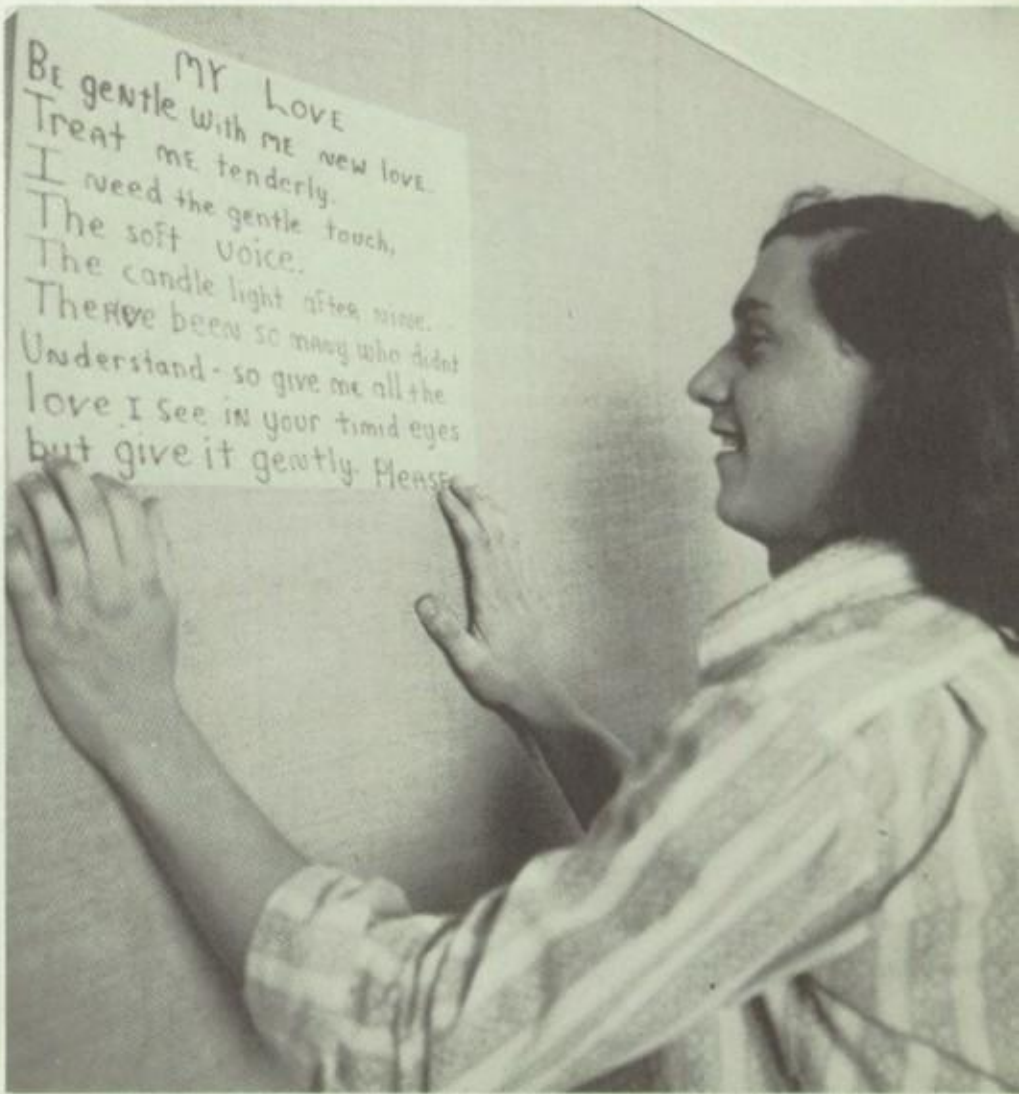

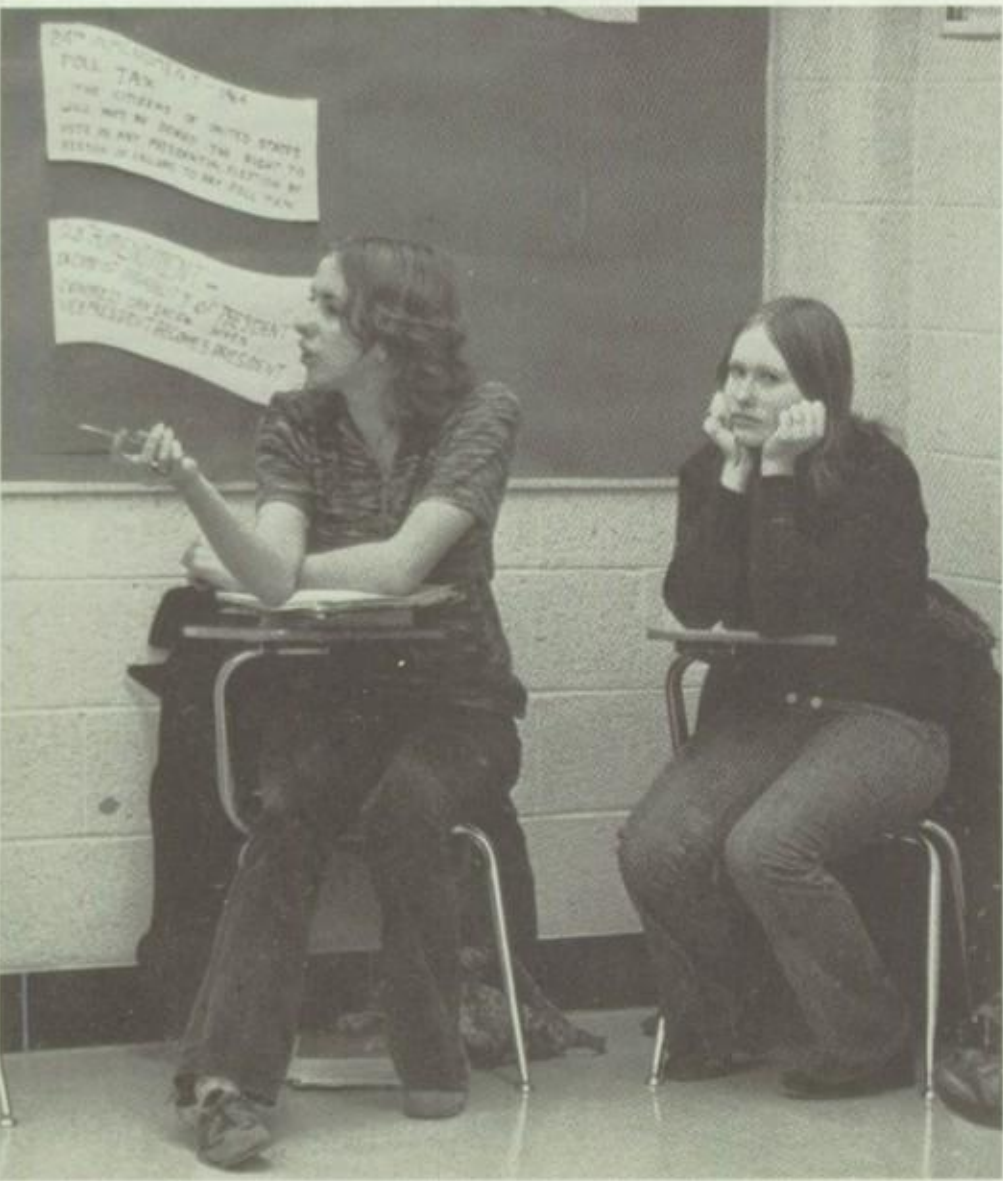

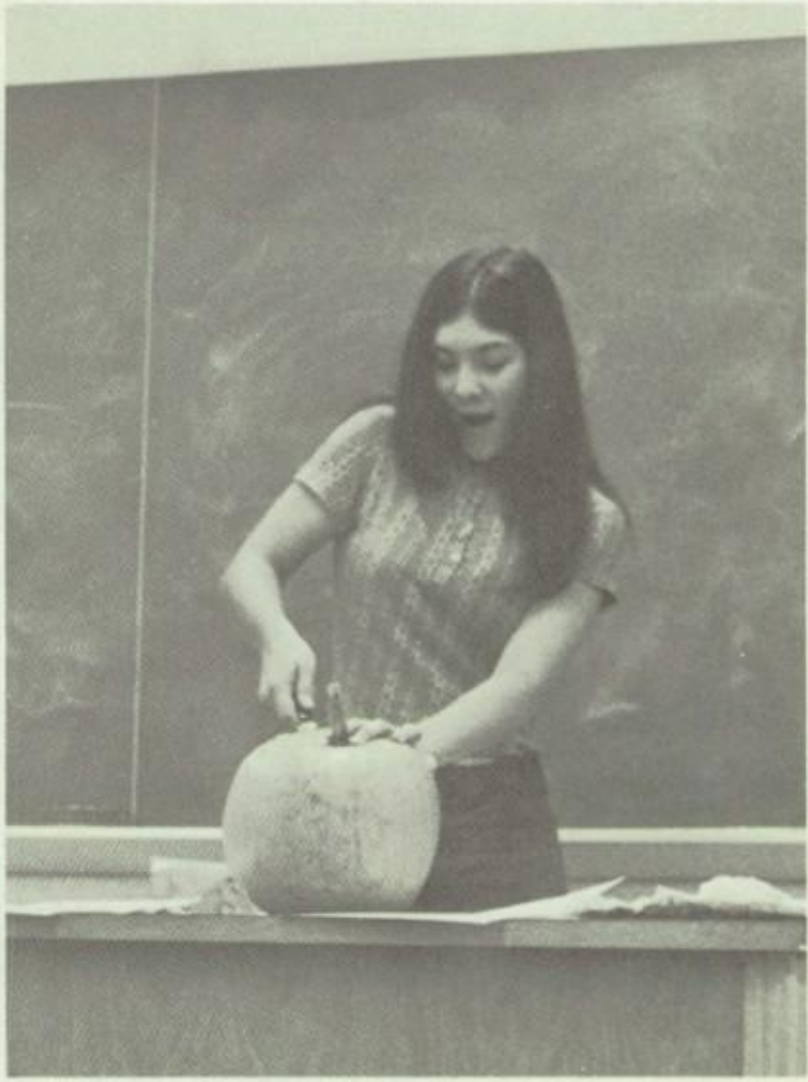

INDEPENDENT Reading, above, enables a few students to catch up on sleep while, right, Joe Dechellis chooses a book to read during class.

ROMECH I, left, a Science Fiction project, is operated by Mr. Hundley. Gail Churilla, below, demonstrates how to carve a pumpkin for her Public Speaking class.

PARTICIPATING in a Social Studies discussion, left, are Mary Hall and Linda Tegge. Larry Martin, above, displays a poem for Poetry class.

Social Studies Initiates Expanded Program

PLAYING an American Legal System game similar to Monopoly are Monica Allen and Nancy Ashton, above.

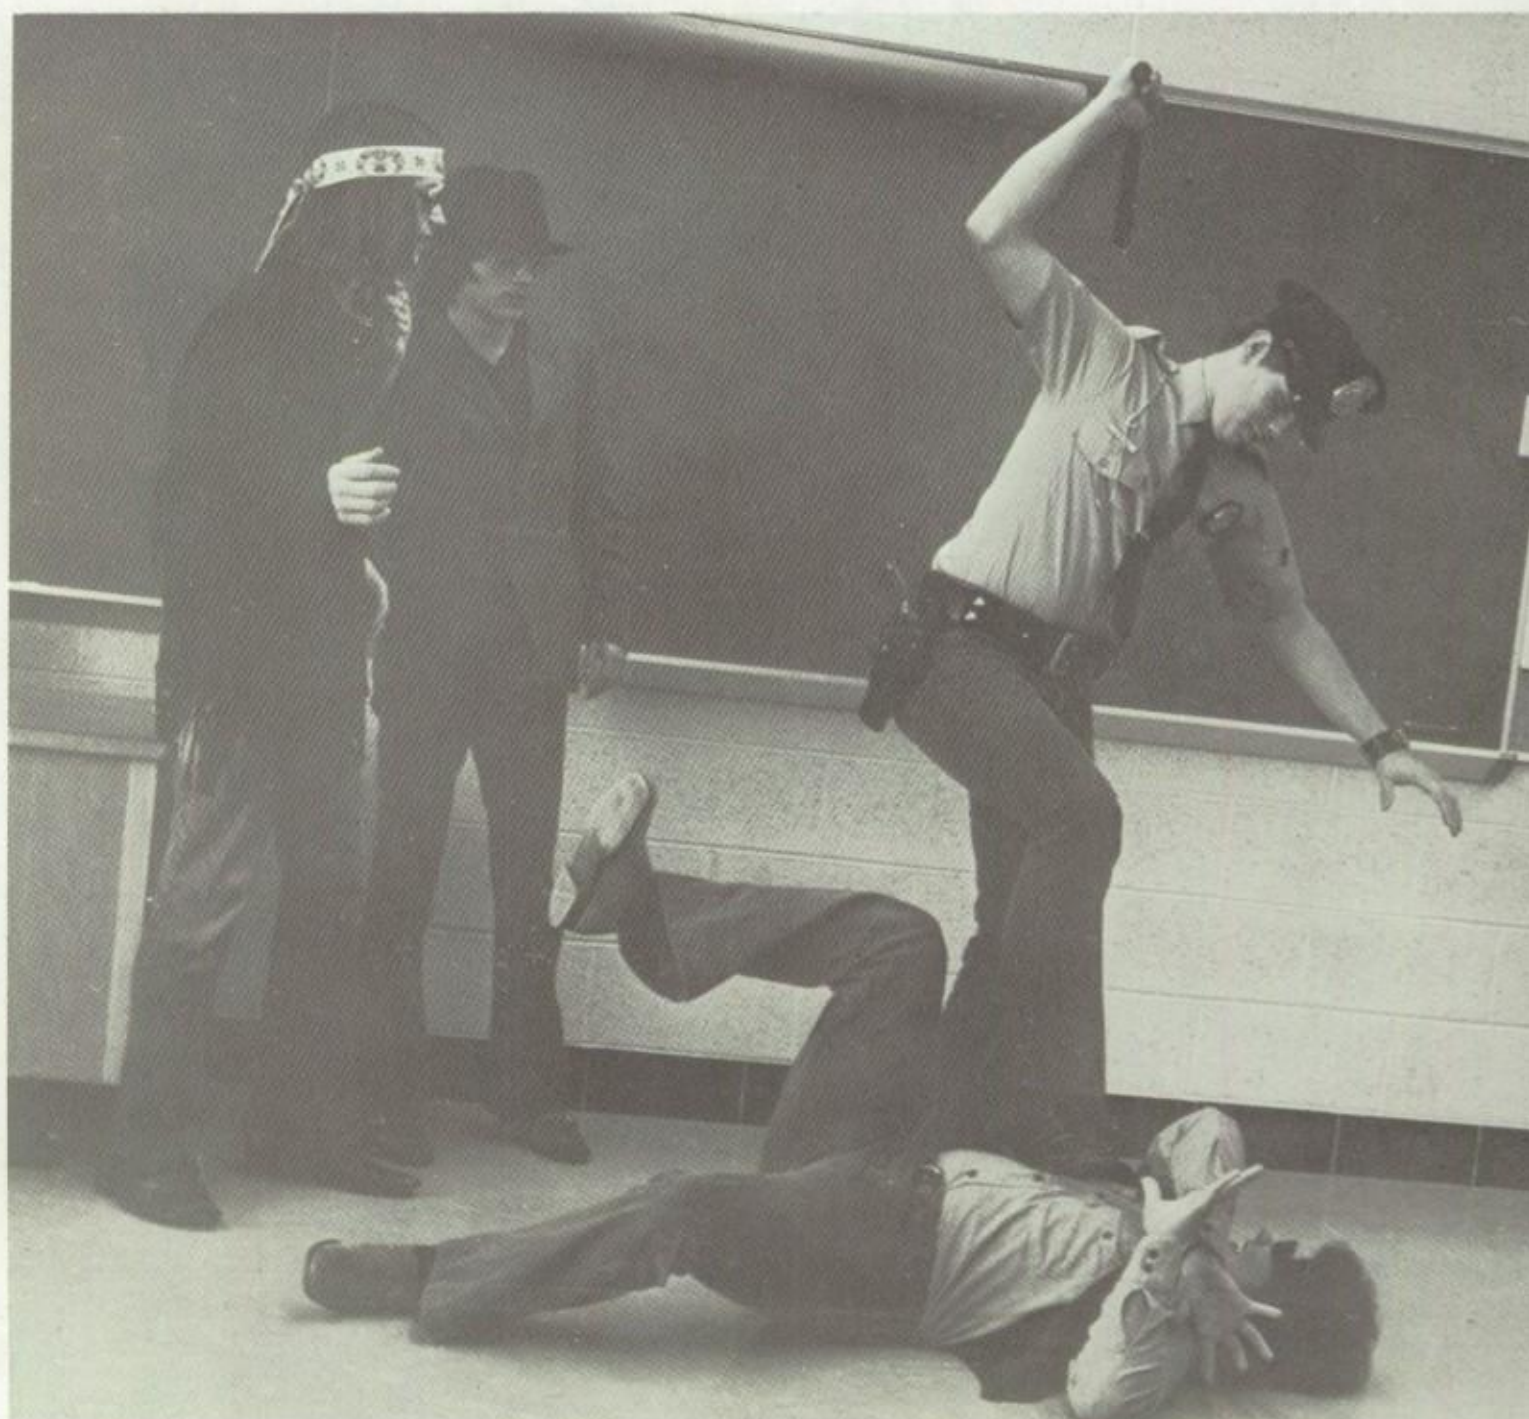

BELLE ISLE, Zug Island, the River Rouge Plant and the Federal Reserve Bank were just a few of the field trips I went on with my Econ class. I may not be learning much about supply and demand this year but I'm sure getting to see a lot of Detroit.

Eventually I will take a class from each of the main topics offered by the new ACCESS program, initiated this year. Government, History, and Economics are mandatory and with my concern for our new and vastly changing society, a sociology class is inevitable.

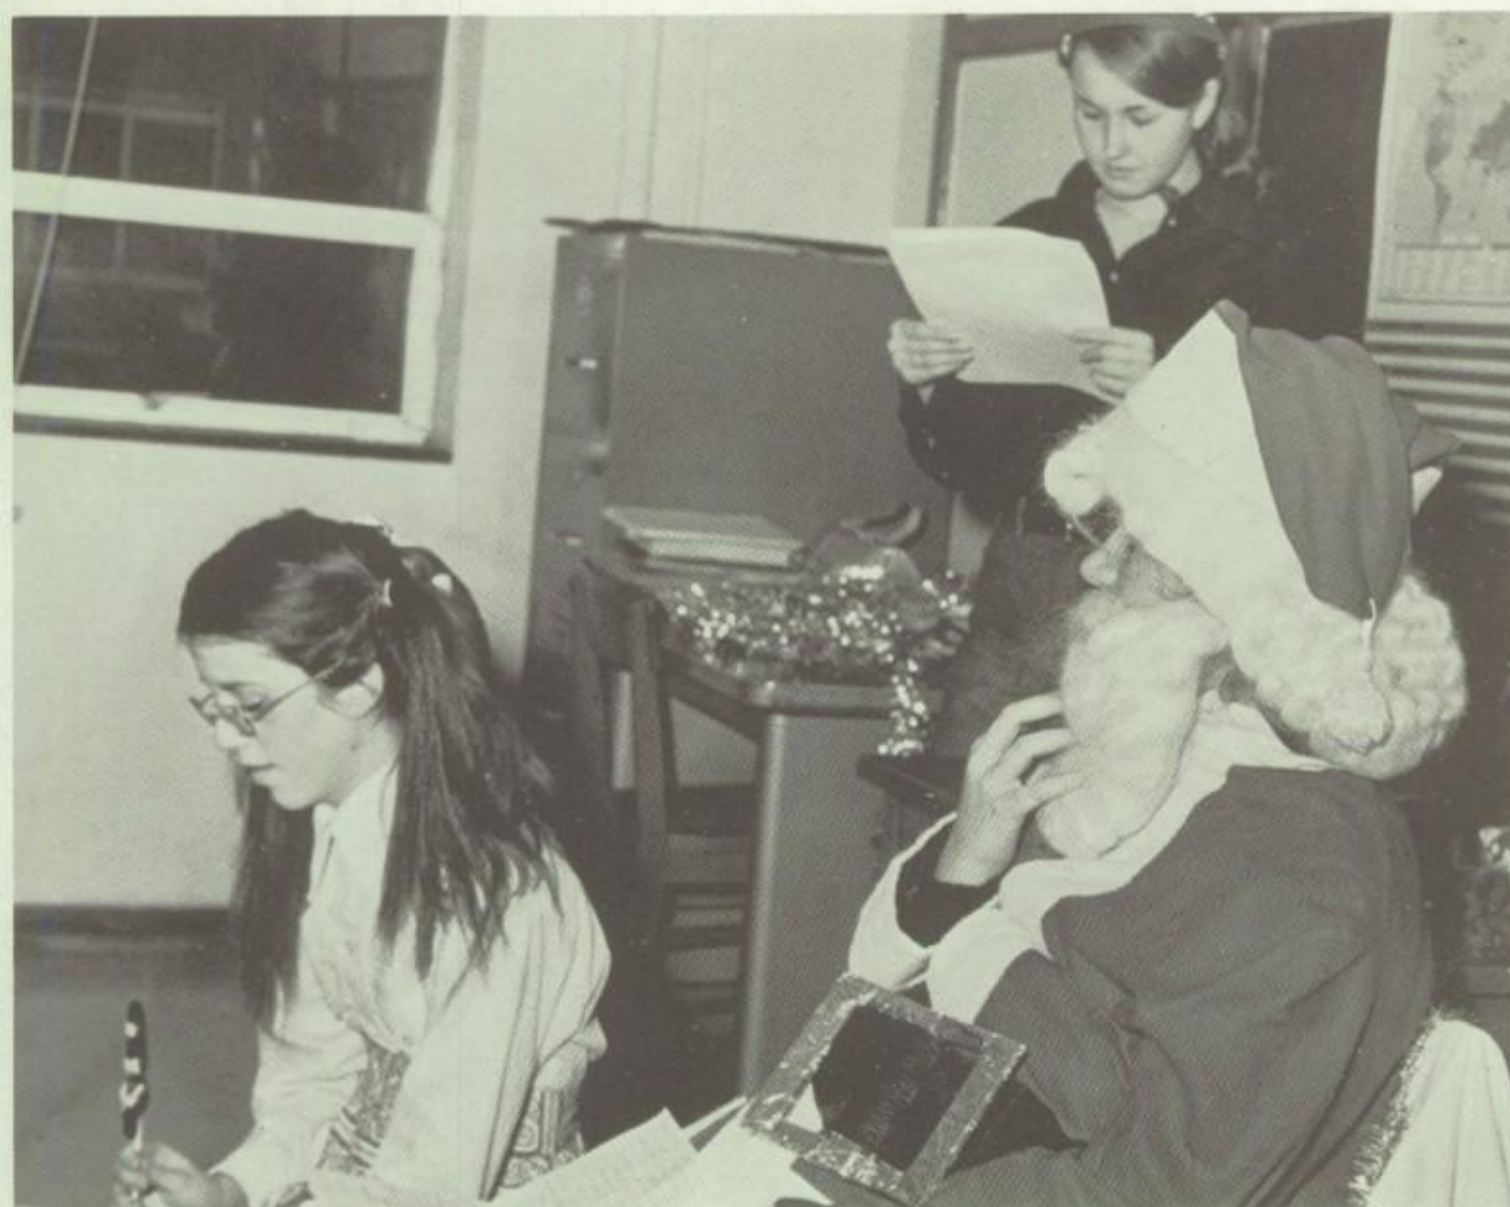

I was seriously considering getting married, until I took the preparation for marriage course, and discovered that unless my father raises my allowance to \$125. a week I am financially incapable.

Until I had a class in Michigan History, I thought the only historical event in Michigan was the launching of the Bob-lo boat. I never realized how historically important Michigan was.

I chose a class in International Conflicts because I wanted to learn about the United States' involvement in the World Wars, the Korean War and especially Viet Nam!

POLICE practices are presented in skit form by above, Mark Reichenbach, Ken Nichols, Officer Nick Stefani and Gary Meisner.

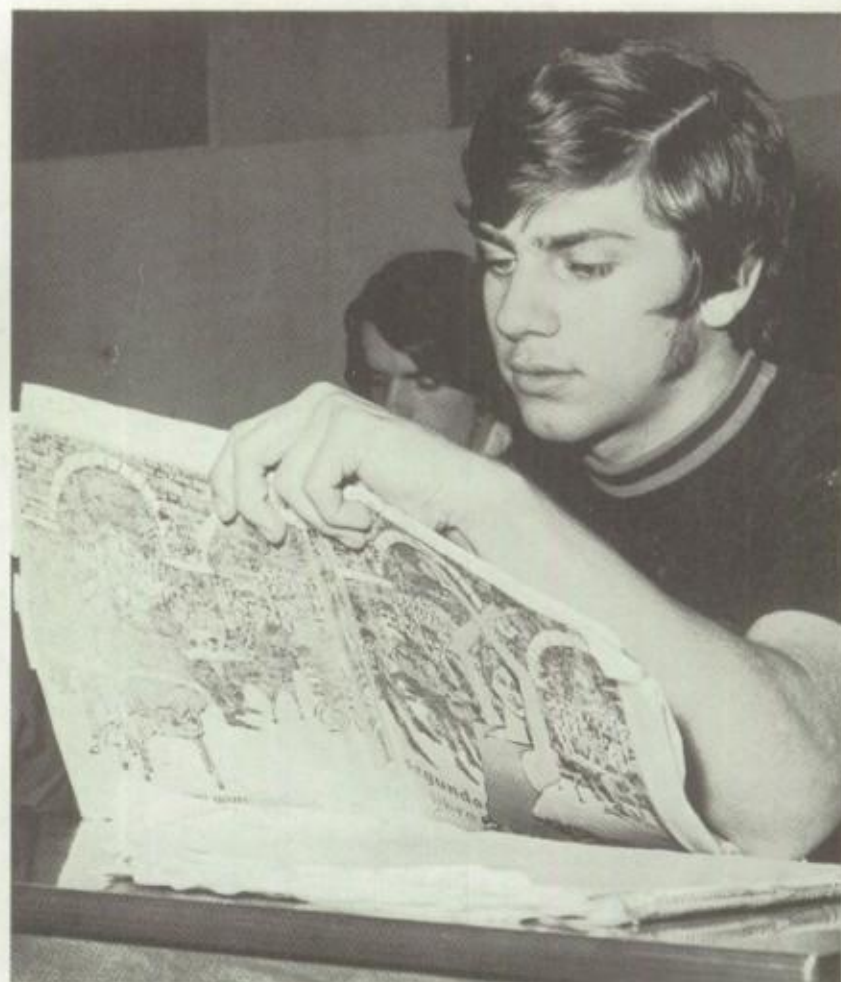

SKITS play an important part in Social Studies classes as Patty Bach, Diane Parmentier, and Pat Marker, left, do "All I Want For Christmas is the Locarno Pact."

HAIR STYLING is the goal of Shelley Marshall, left above, as she experiments on Ron Monze. Mr. Brooks and students, right above, view Detroit from Belle Isle.

PLAYING Tic-Tac-Toe is French Student Mary Ann Zogby, below, while Phil Veneri, right, works on his Spanish homework in class.

Foreign Language Classes

Add European Touch to E.D.

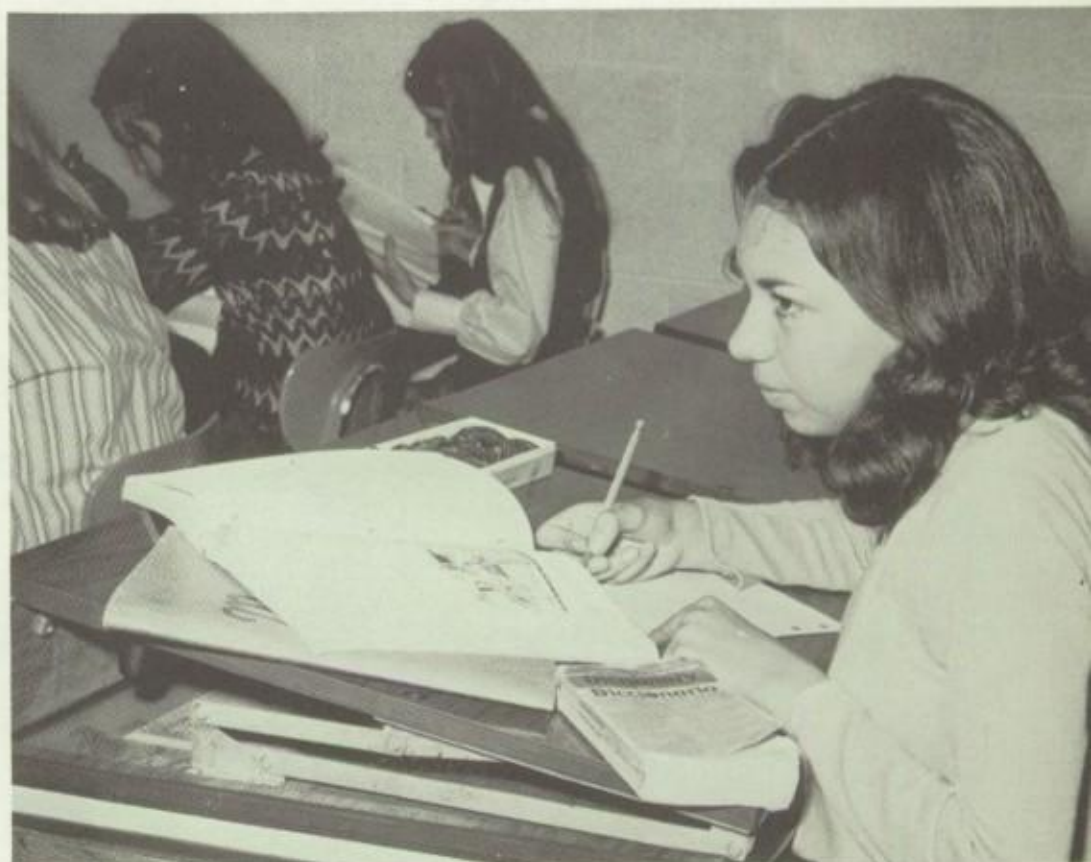

TRIPS such as Mr. Wolf's tour of Europe and the French classes' visit to Montreal and Quebec are examples of combining a classroom study of a language with actual experiences. Wouldn't it be nice if all-expense paid trips to the native country were offered as a supplement to a foreign language class?

I signed up for Spanish just to get my college requirements, but I had no idea it would be such a strong influence on my life-- I have decided to become a professional Spaniard.

What a relief to walk into French class and realize the sub can't speak the language.

The best days in German class are when the language labs are out of order, or when we have to fill out our schedule cards.

GERMAN students, below, recite under the careful observation of Mr. Rudolf Wolf. Mary Maio, above, conveniently employs a Spanish dictionary to help

in translating sentences for her Spanish class. Third year French students, far left, simulate a sidewalk cafe.

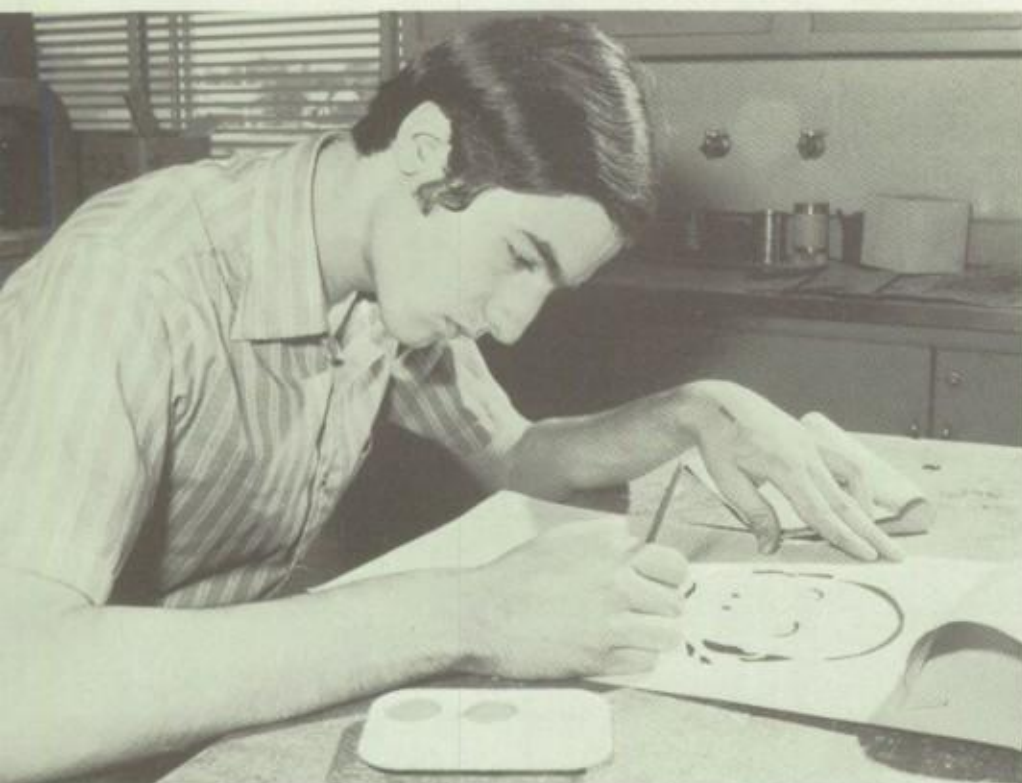

REHEARSING a new song, top right, are the members of the East Detroit Shamrock Choir. Ron Milcareck and Tom Stawarz, below, practice music for band class.

DISPLAYING their musical ability during a classroom rehearsal, above, are East Detroit Wind Ensemble members Debbie Witting, Dave Hallman, and Jennifer Roselle.

DESIGNING an oil painting, left, is art student Vincent Colorite. Jay Huebner, below left, checks his sculpture for interesting shadow effects in his creative design class.

Talent, Skill, Creativity Displayed in Fine Arts

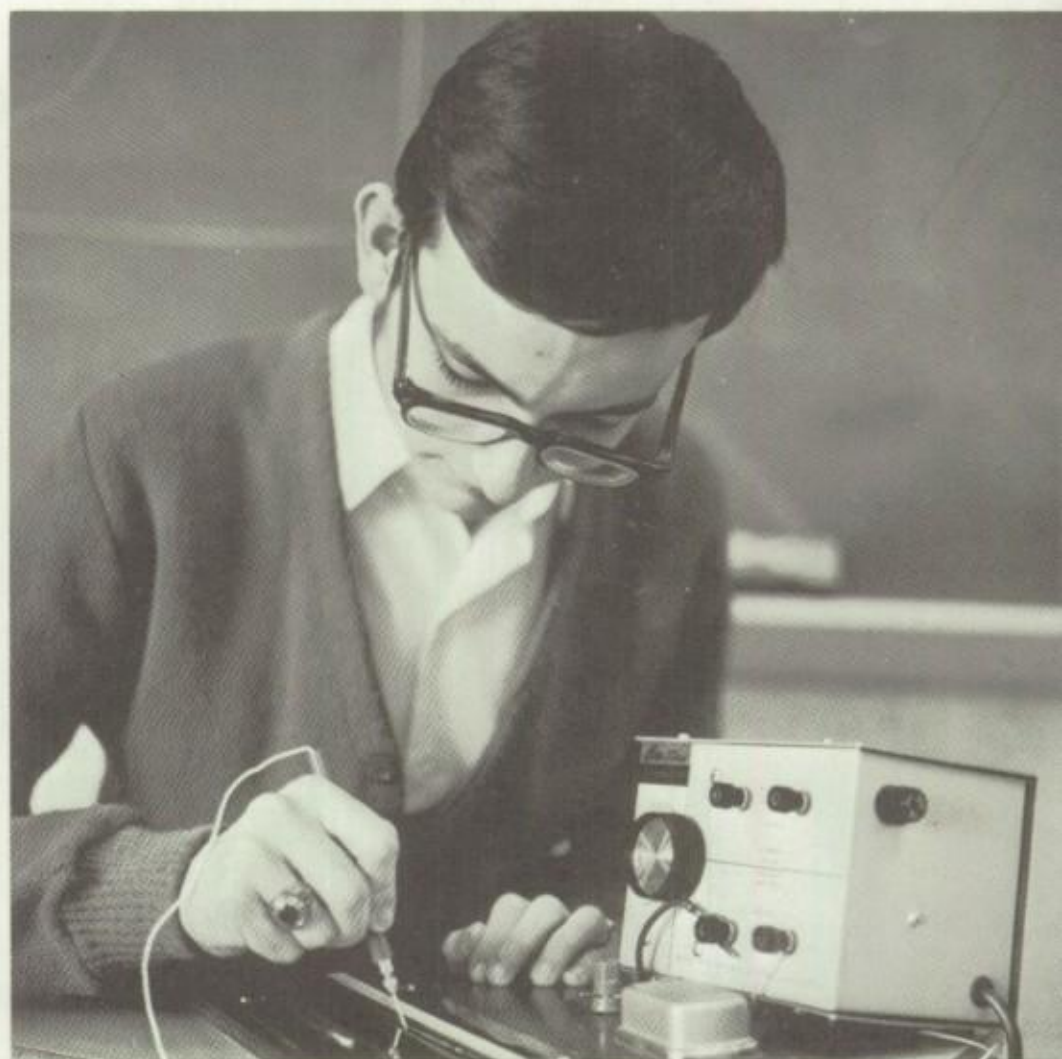

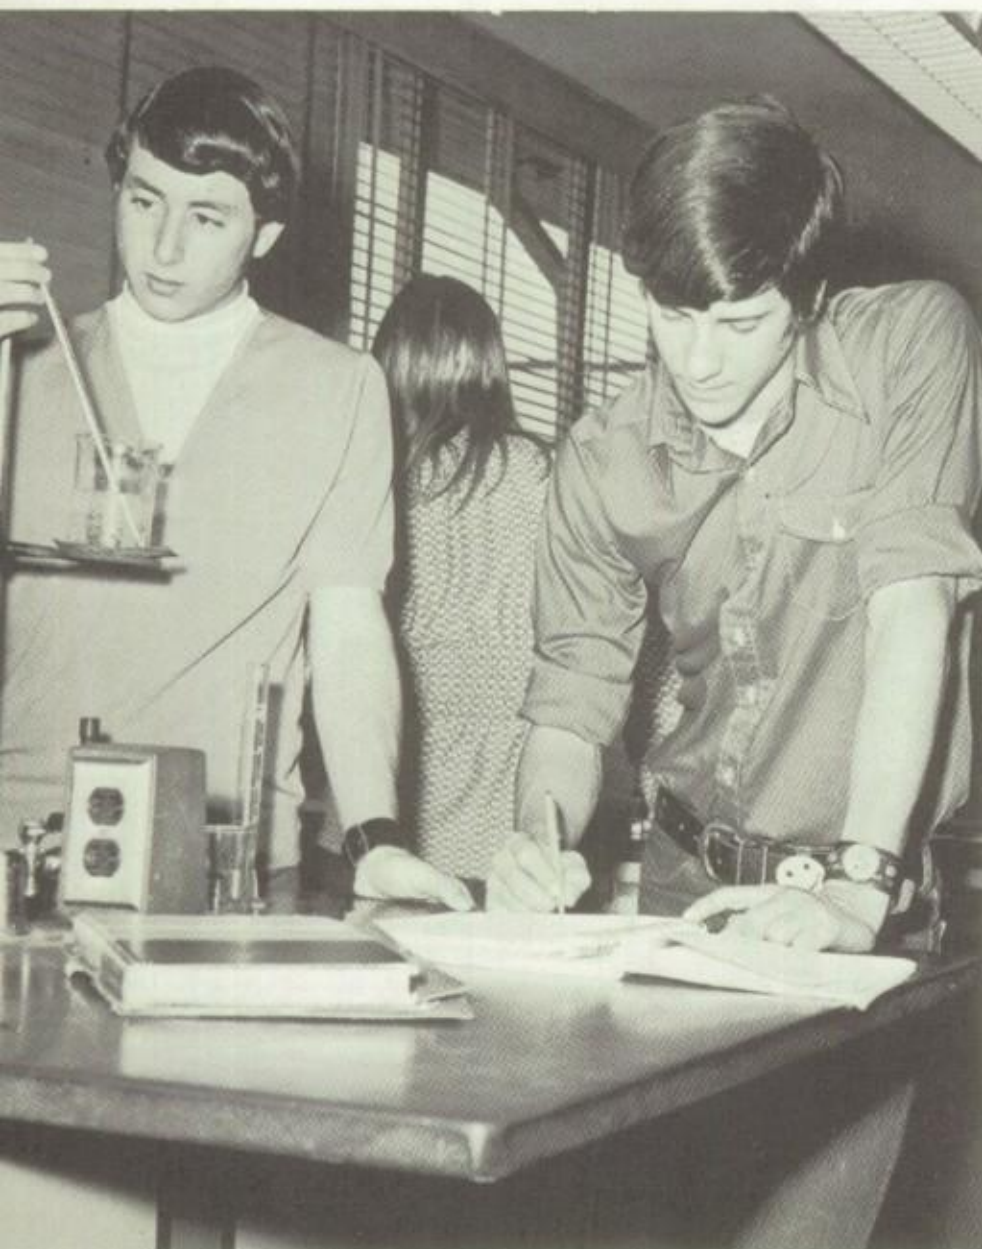

TAKING time out from books, lectures, and regimentation, the fine arts classes, band, choir, and art, give me an opportunity to express myself.

I don't think my artistic ability has improved much since kindergarten. When I bring home my works of art, my parents still ask: "What's it suppose to be?"

Before I joined the band I thought competition was found only in sports. I didn't know what it meant to have first chair.

I wanted to become famous so I joined the Shamrock Choir, but I found myself washing dishes at a Spaghetti dinner.

PSYCHOLOGY student Jim Rancilio, below, tests his ability to learn as Chris Burkitt and Dan Gnesda record their experiment.

AFTER three years of science classes at East Detroit I've gone from the dissection of a frog in Biology, to polluting the air with the strong odors of my many Chemistry experiments, to the observation of light in Physics.

One of the few remaining frontiers left for man to explore is his own mind and emotions. I guess that's why I like Psychology so well. It's a real challenge just trying to figure myself out.

Before I had Chemistry I always thought a mole was just a small animal that lives mainly underground.

BIOLOGY students watch carefully as Mr. Gary Dysarz dissects and points out several organs of the frog and pig, right.

DISSECTION of animals plays an important part of Biology, below.

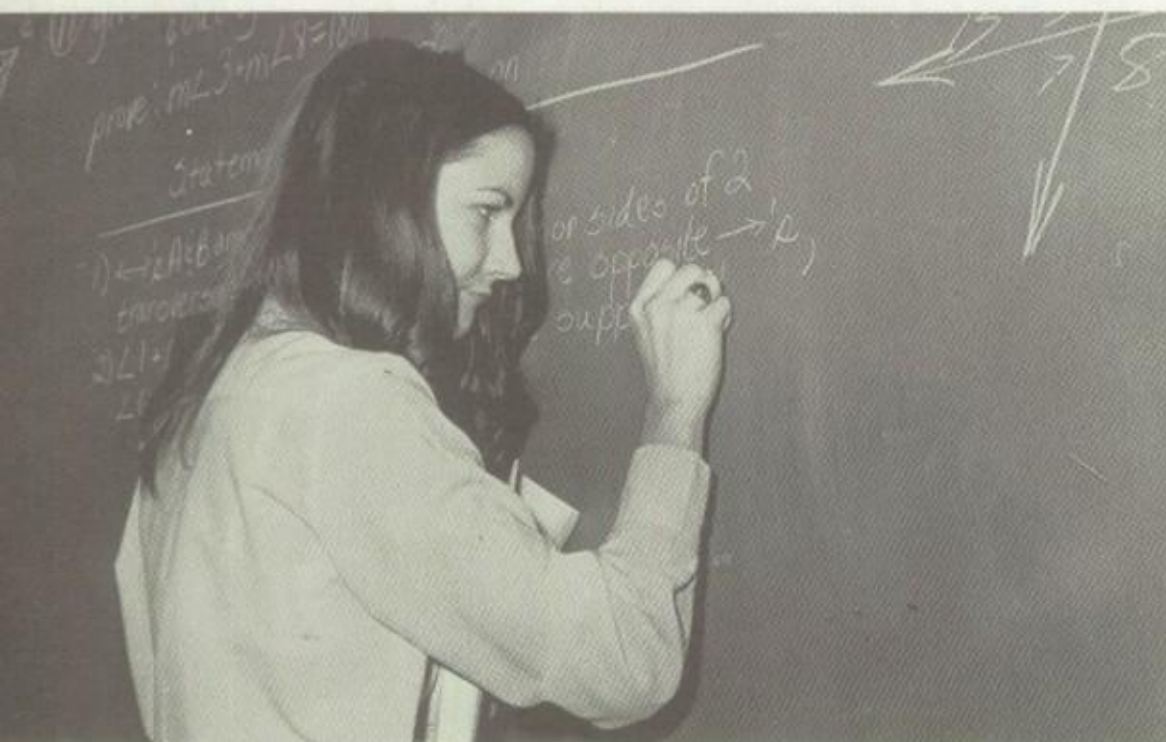

Experiments Designed To Test Scientific Laws

FILTERING is required in the experiment performed by Dave Osburn, above left, as Christine Von Gablen, above right, applies the mirror tracing device.

Computers Become Integral Part of Math

ARITHMETIC has really progressed since I've been in school. Instead of just taking general math classes, you can now take algebra, geometry, trigonometry, and math analysis.

Every year I hear my math teacher say, "You think this is hard? Well, just wait until next year."

I study so hard for geometry tests I actually dream about Euclid. But I still think the easiest way to solve proofs is to make up your own theorems.

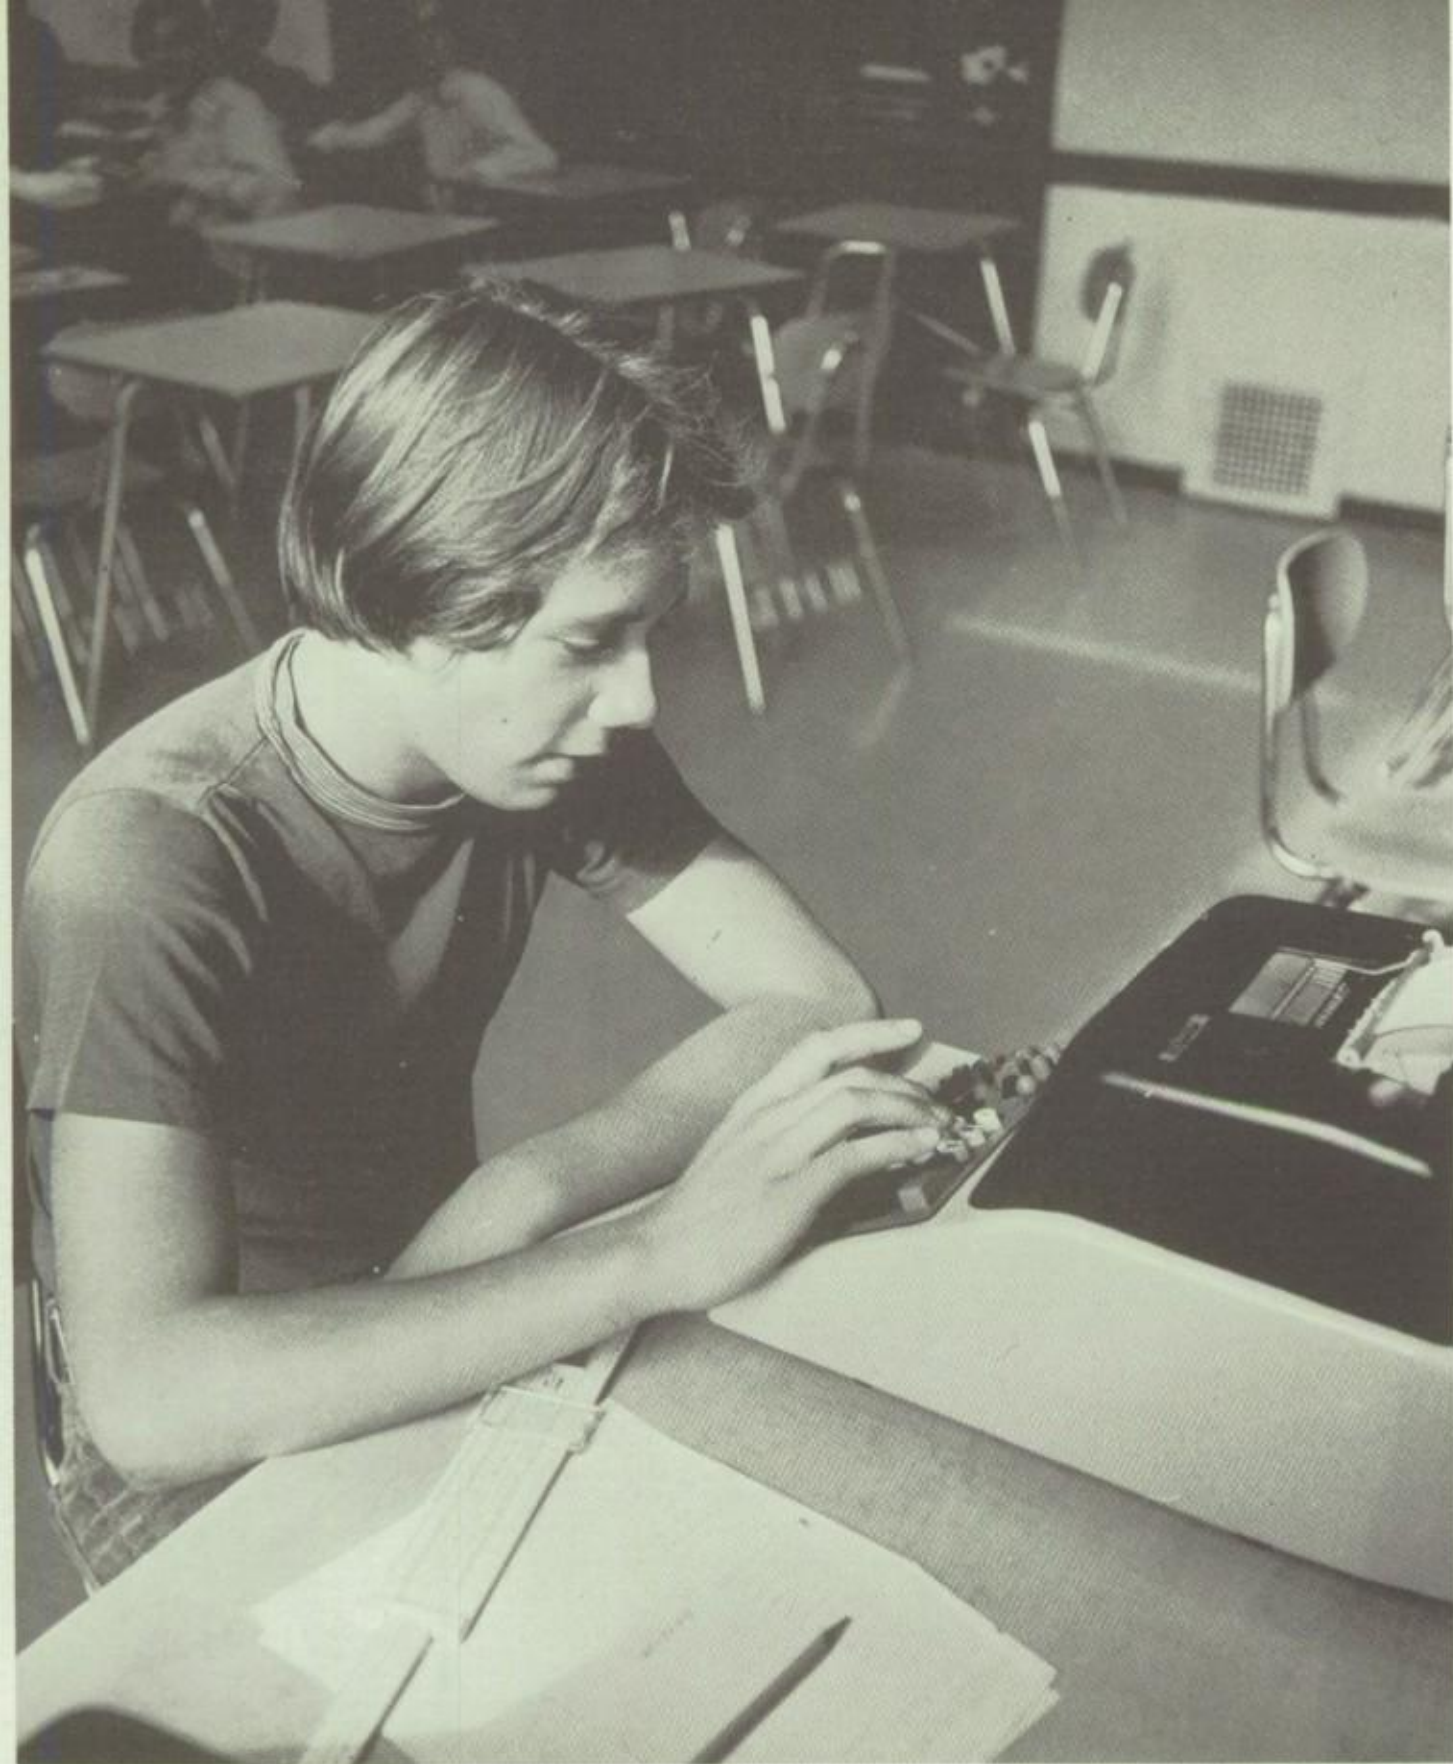

I don't understand Trig. I can use common logarithms to simplify computation but I often forget how to add fractions.

One of my most exciting moments in computer programming class was when I got the computer to talk back to me. Sometimes I think it has a mind of its own.

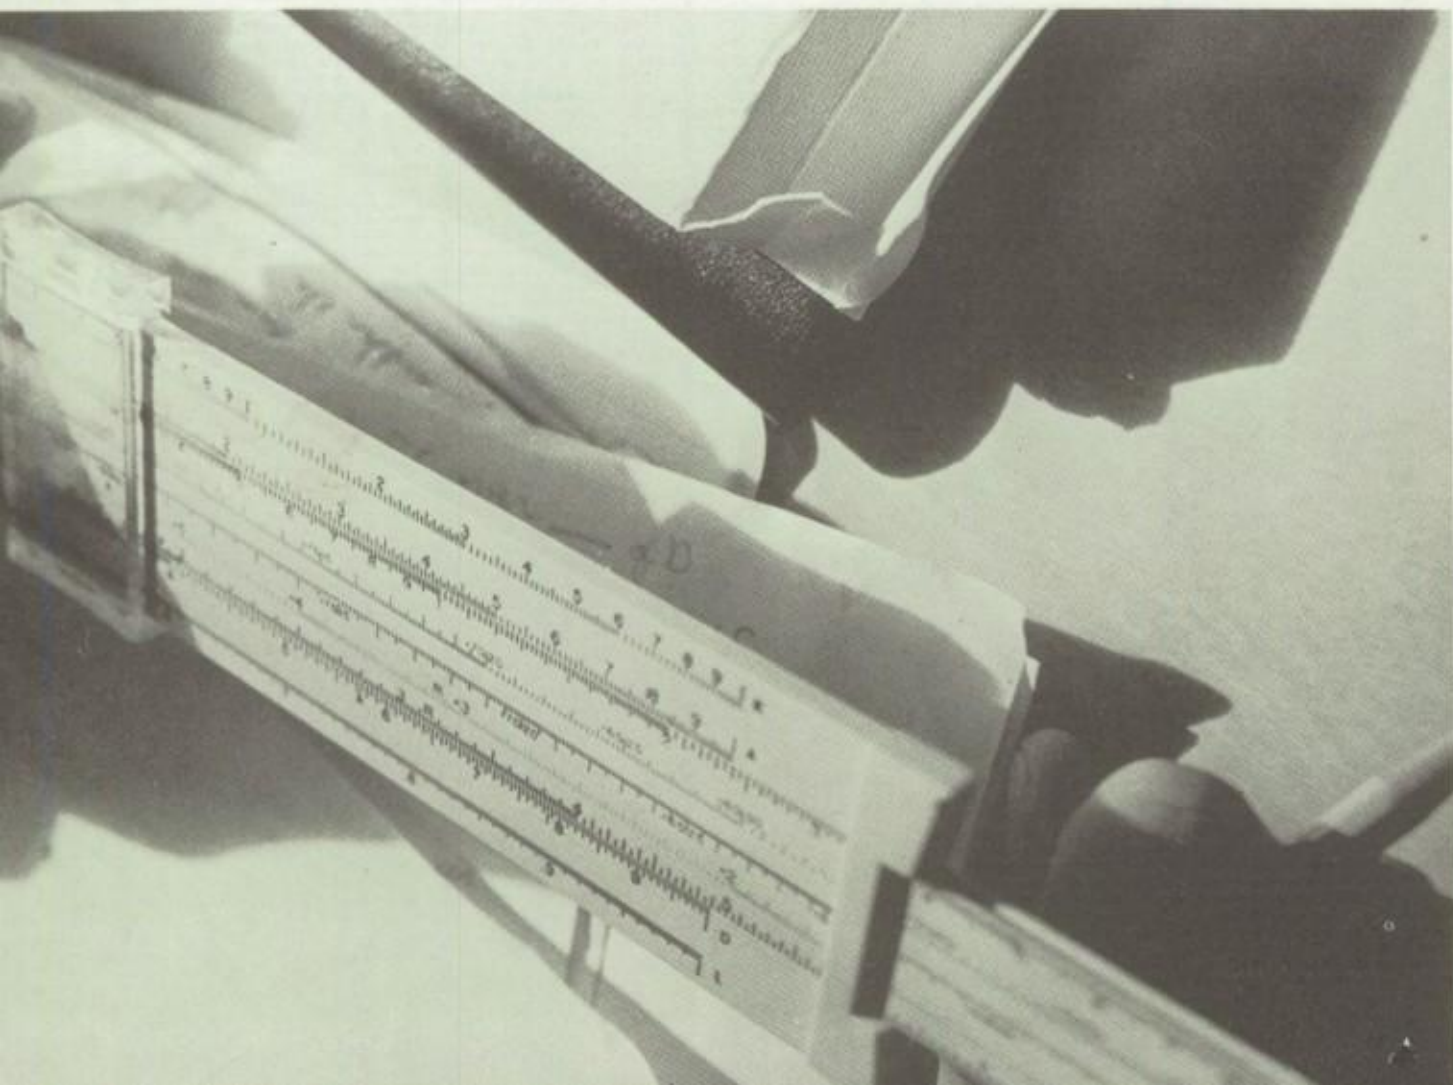

I just have to thank the kid who had my Math Analysis book last year for writing in all the answers.

GEOMETRY student Aneile Zajac, above, struggles with a proof while Al Rinscheid and Frank Redmond, right, concentrate on completing their homework.

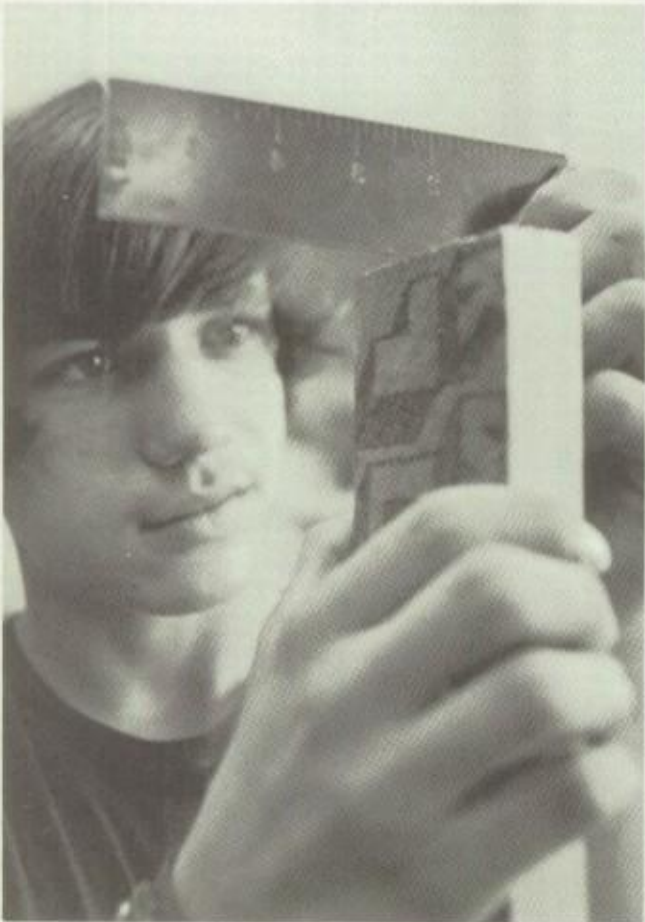

COMPUTER terminals, as used by Mike Labadie, below, are available to qualified math students.

SLIDE rules and adding machines, left and top left, are used by algebra classes as demonstrated by Mark Tropea.

METAL fabrications student, right, uses an acetylene torch to shape and weld metal. Brushing off his Mechanical Drawing work table, top, is Mike Mahaghan. John Knoche, above, uses a square to check his right angles in wood shop.

Students Develop, Master Skills

DIRT under my nails and grease on my T shirt; after three industrial education classes I don't know whether to identify with Henry Ford or Pig Pen.

What other class besides drafting would give a chance to redesign the Erin Building into an exact replica of Cobo Hall?

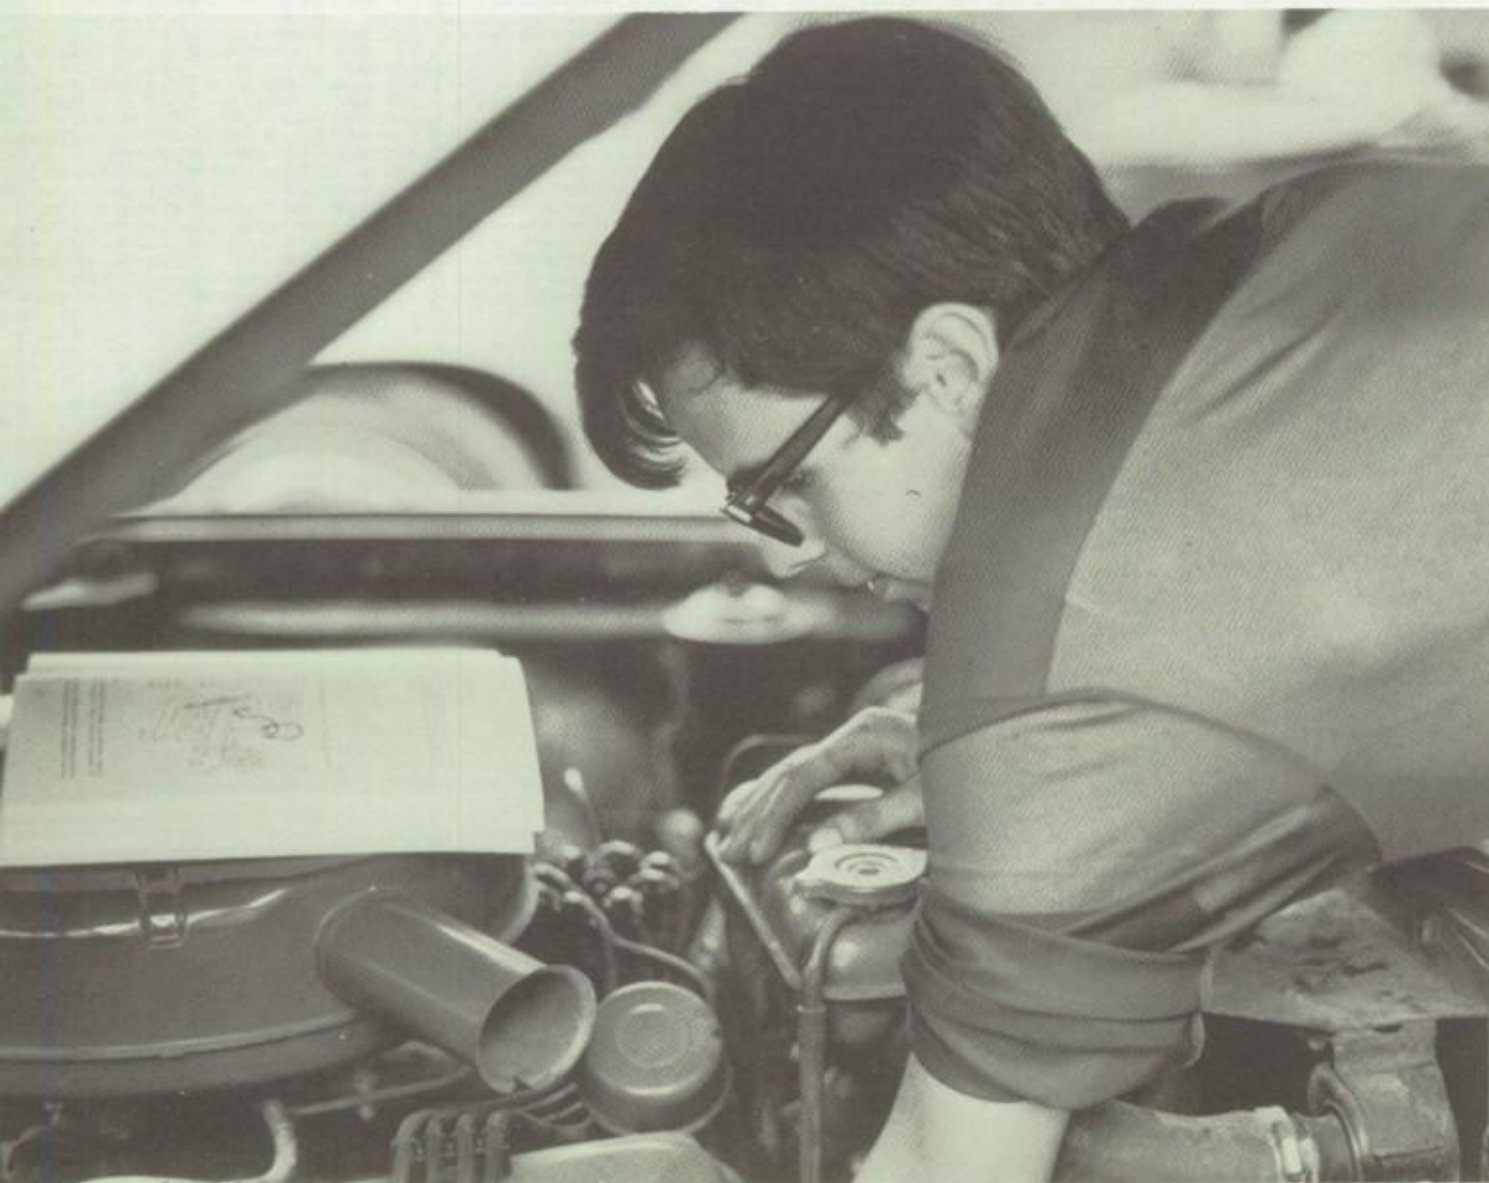

I was looking forward to being able to fix up my car in auto mechanics class. Unfortunately every day I found ten or eleven cars waiting in front of mine to be fitted with new parts.

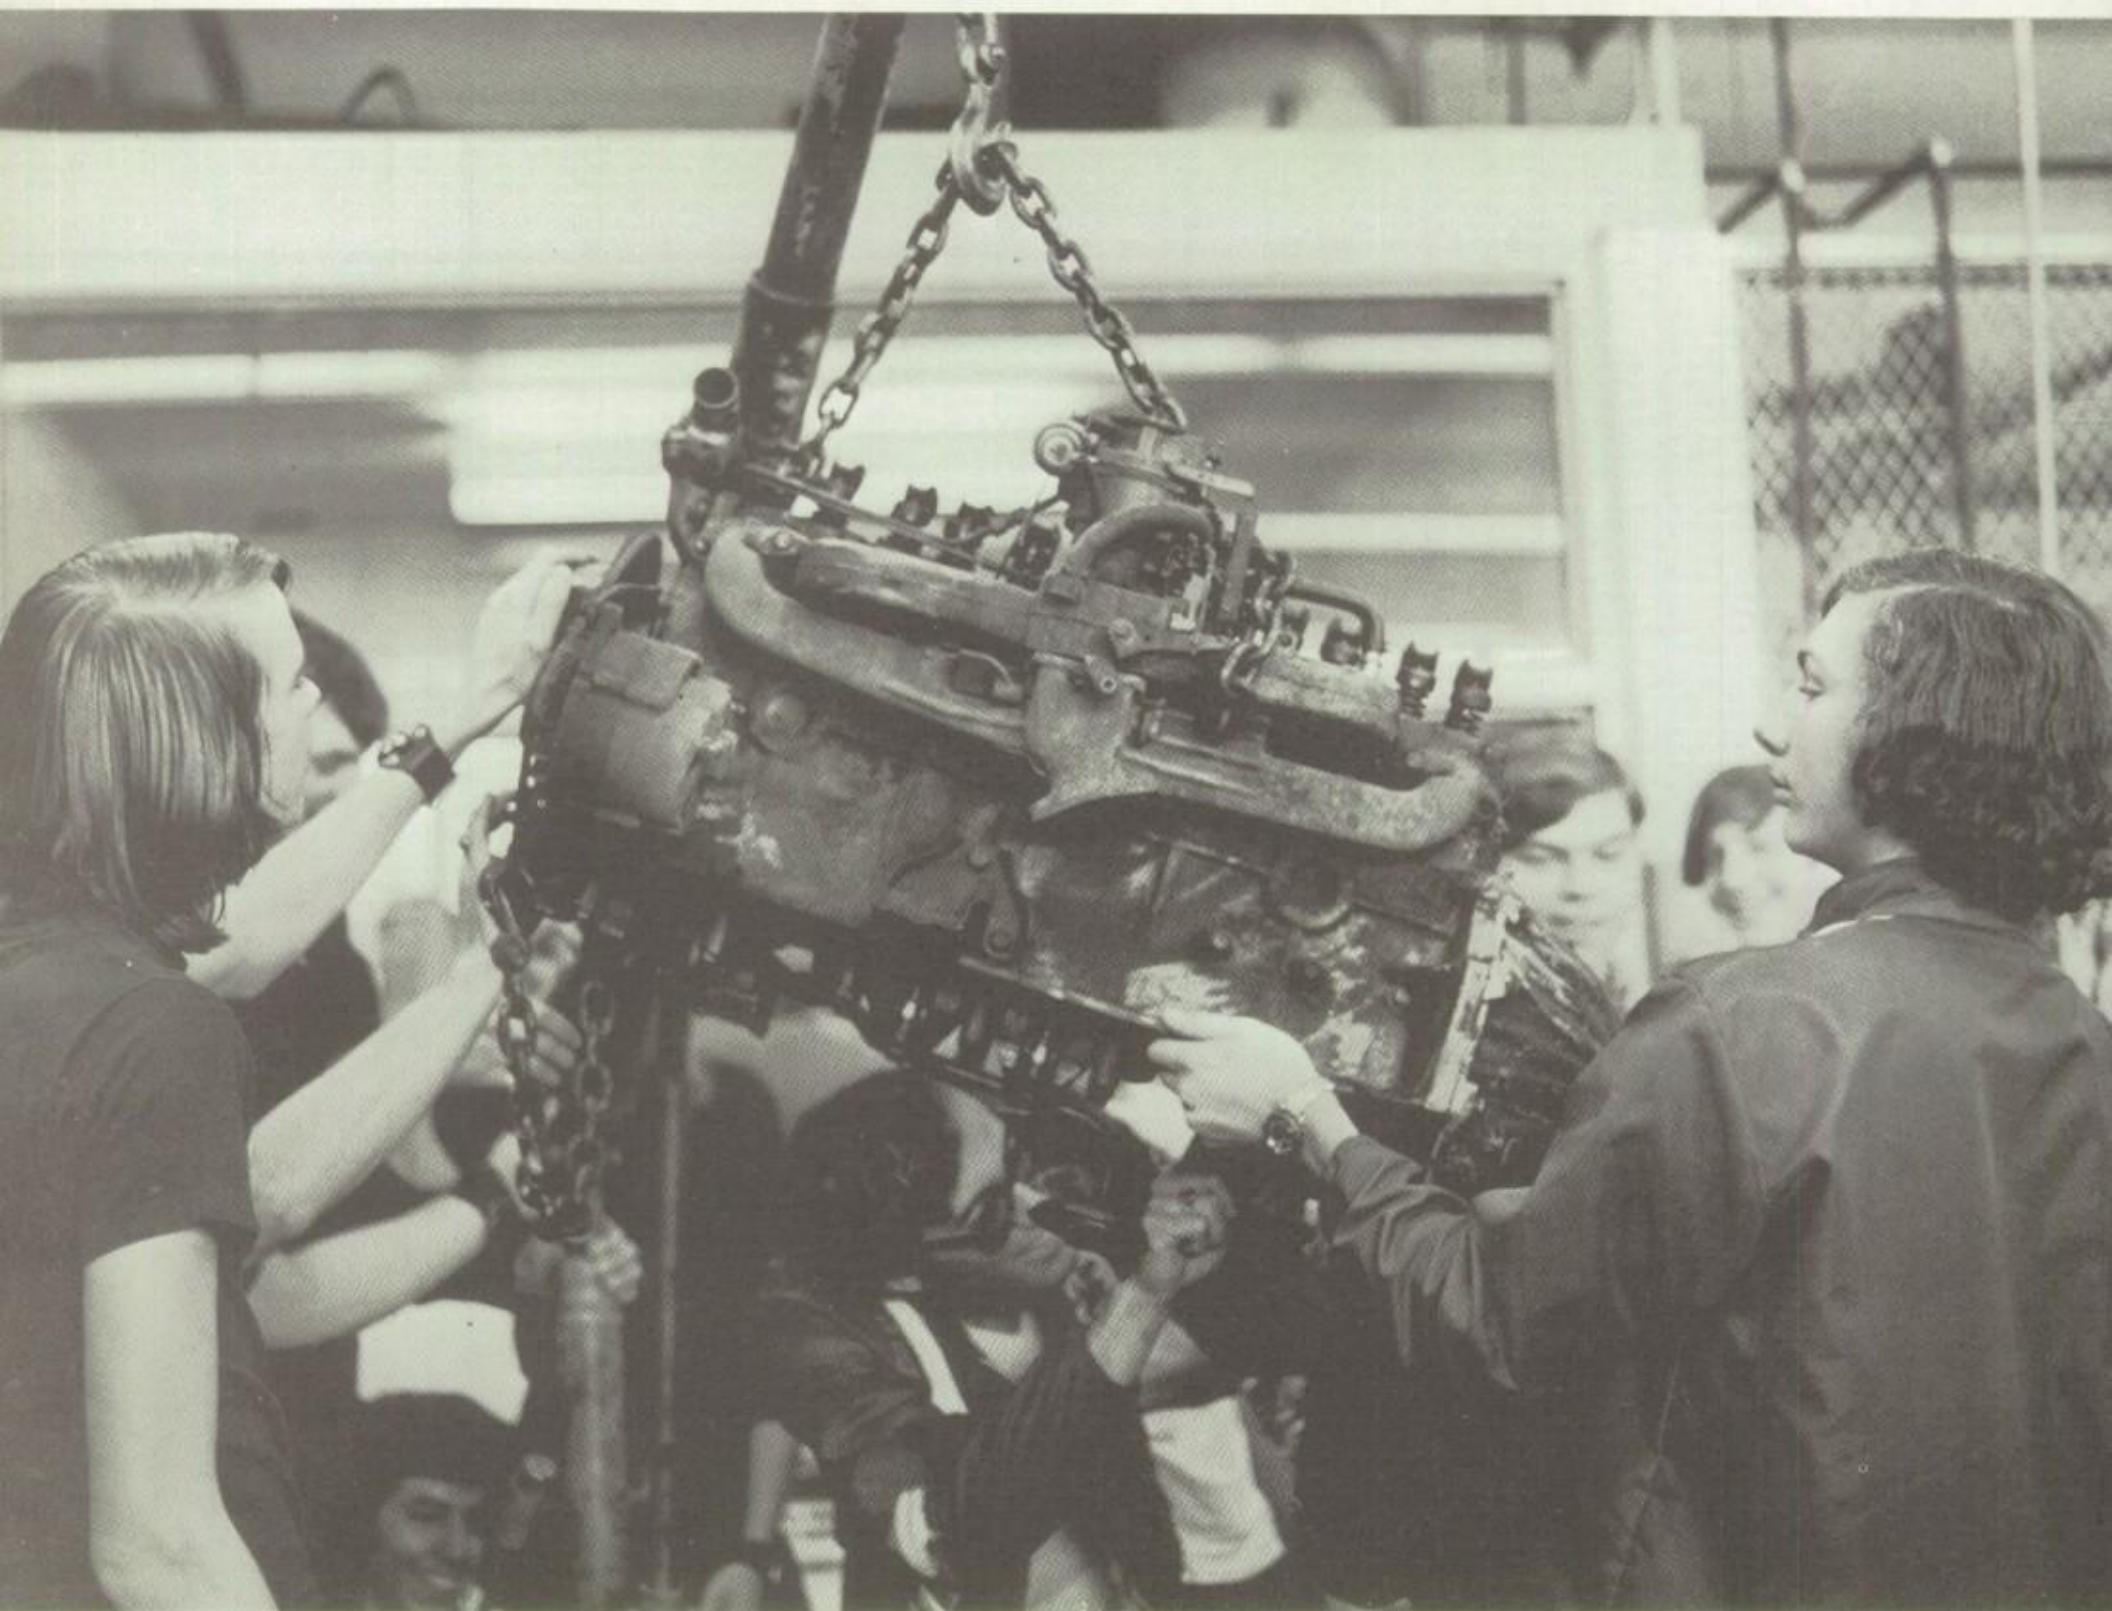

All the projects I've worked on in wood shop class never turned out the way I planned them. The table I made somehow had three legs having all different lengths and it couldn't stand up unless supported by a wall or a chair.

I took a heating and air-conditioning class so I could get our old air-conditioner working before the summer.

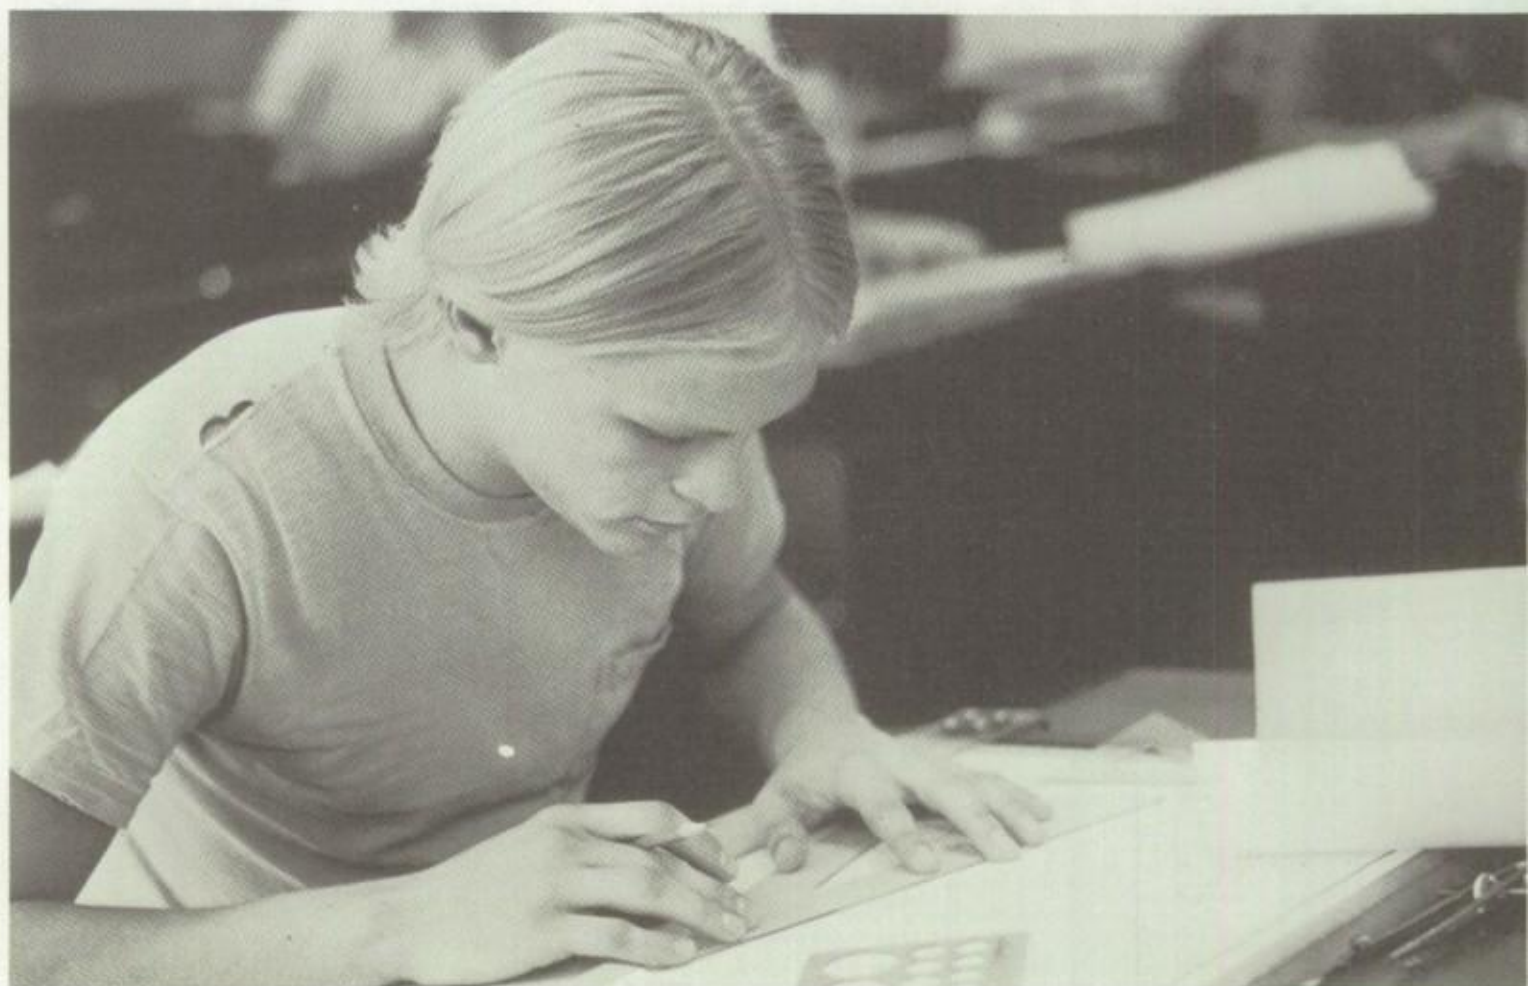

No matter what I start to make in Metal Fabrications class, a cannon, a serving tray, or a pencil holder, it always turns out to be an ash tray.

STRAINING to get a smooth surface, left, is Bill Hampton. Using his manual to guide him, below, Al Bower works on his car.

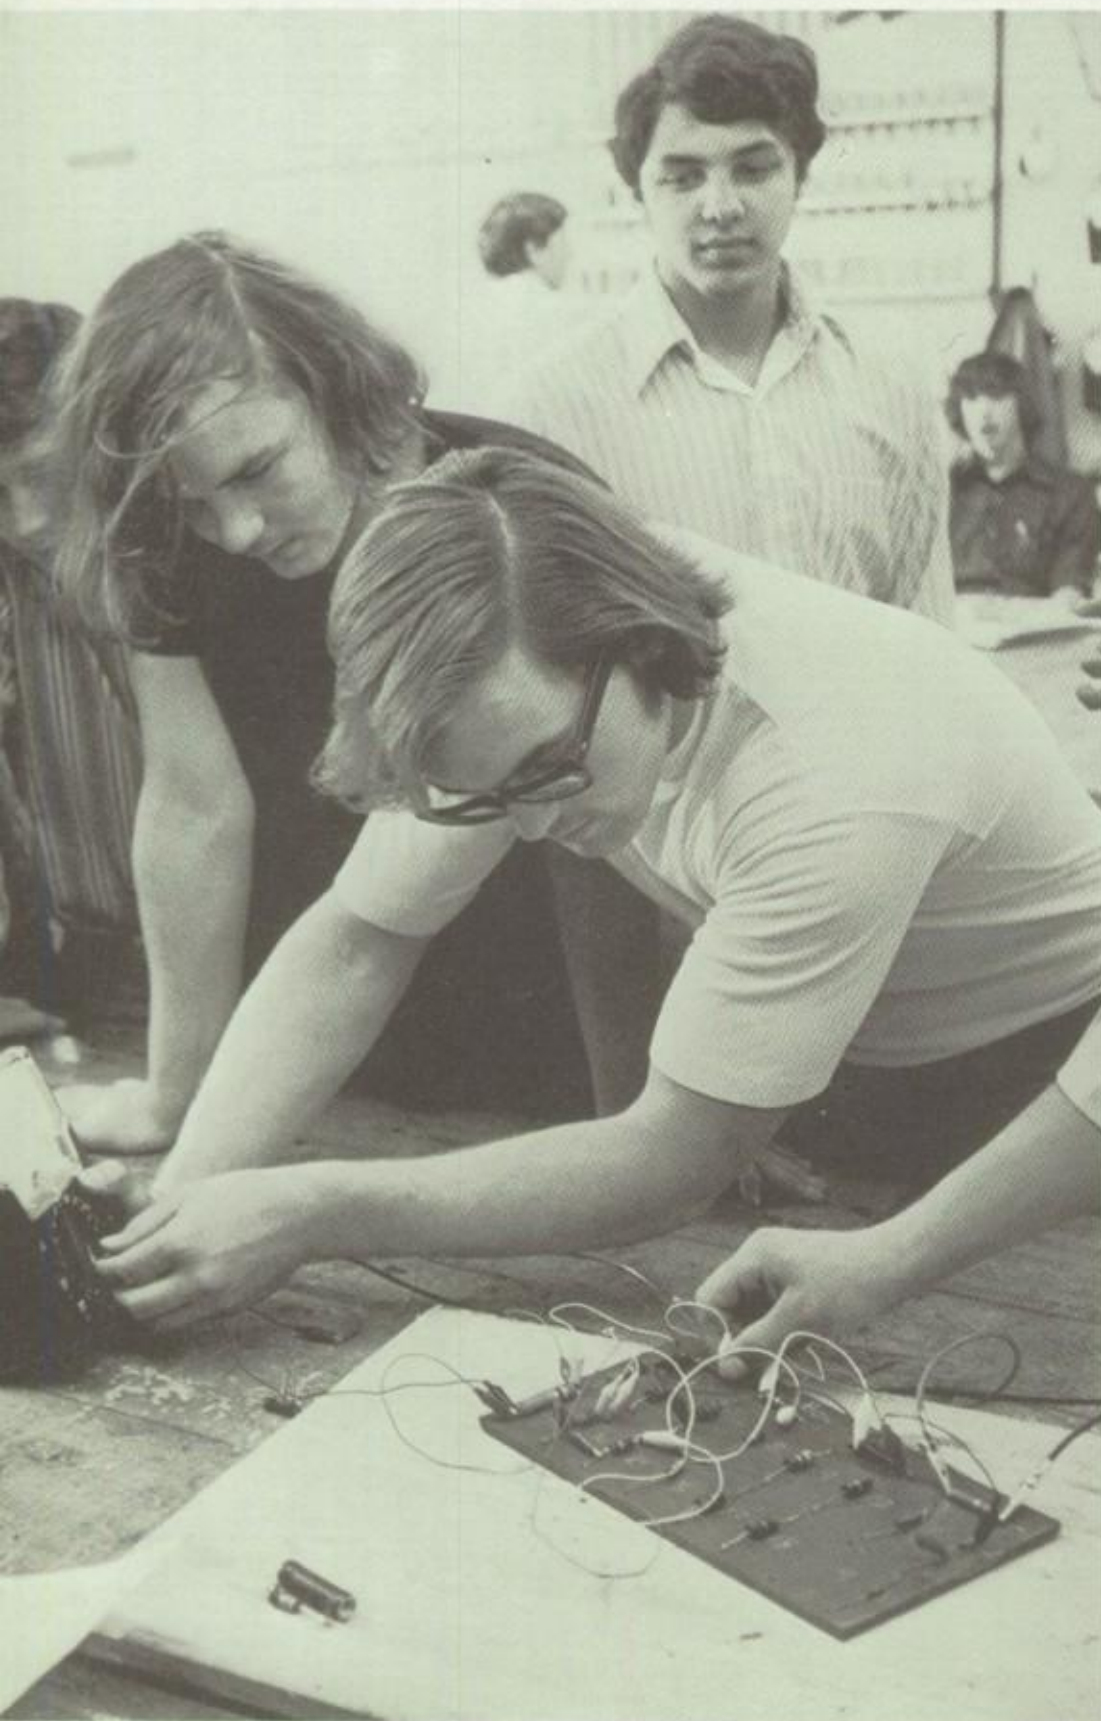

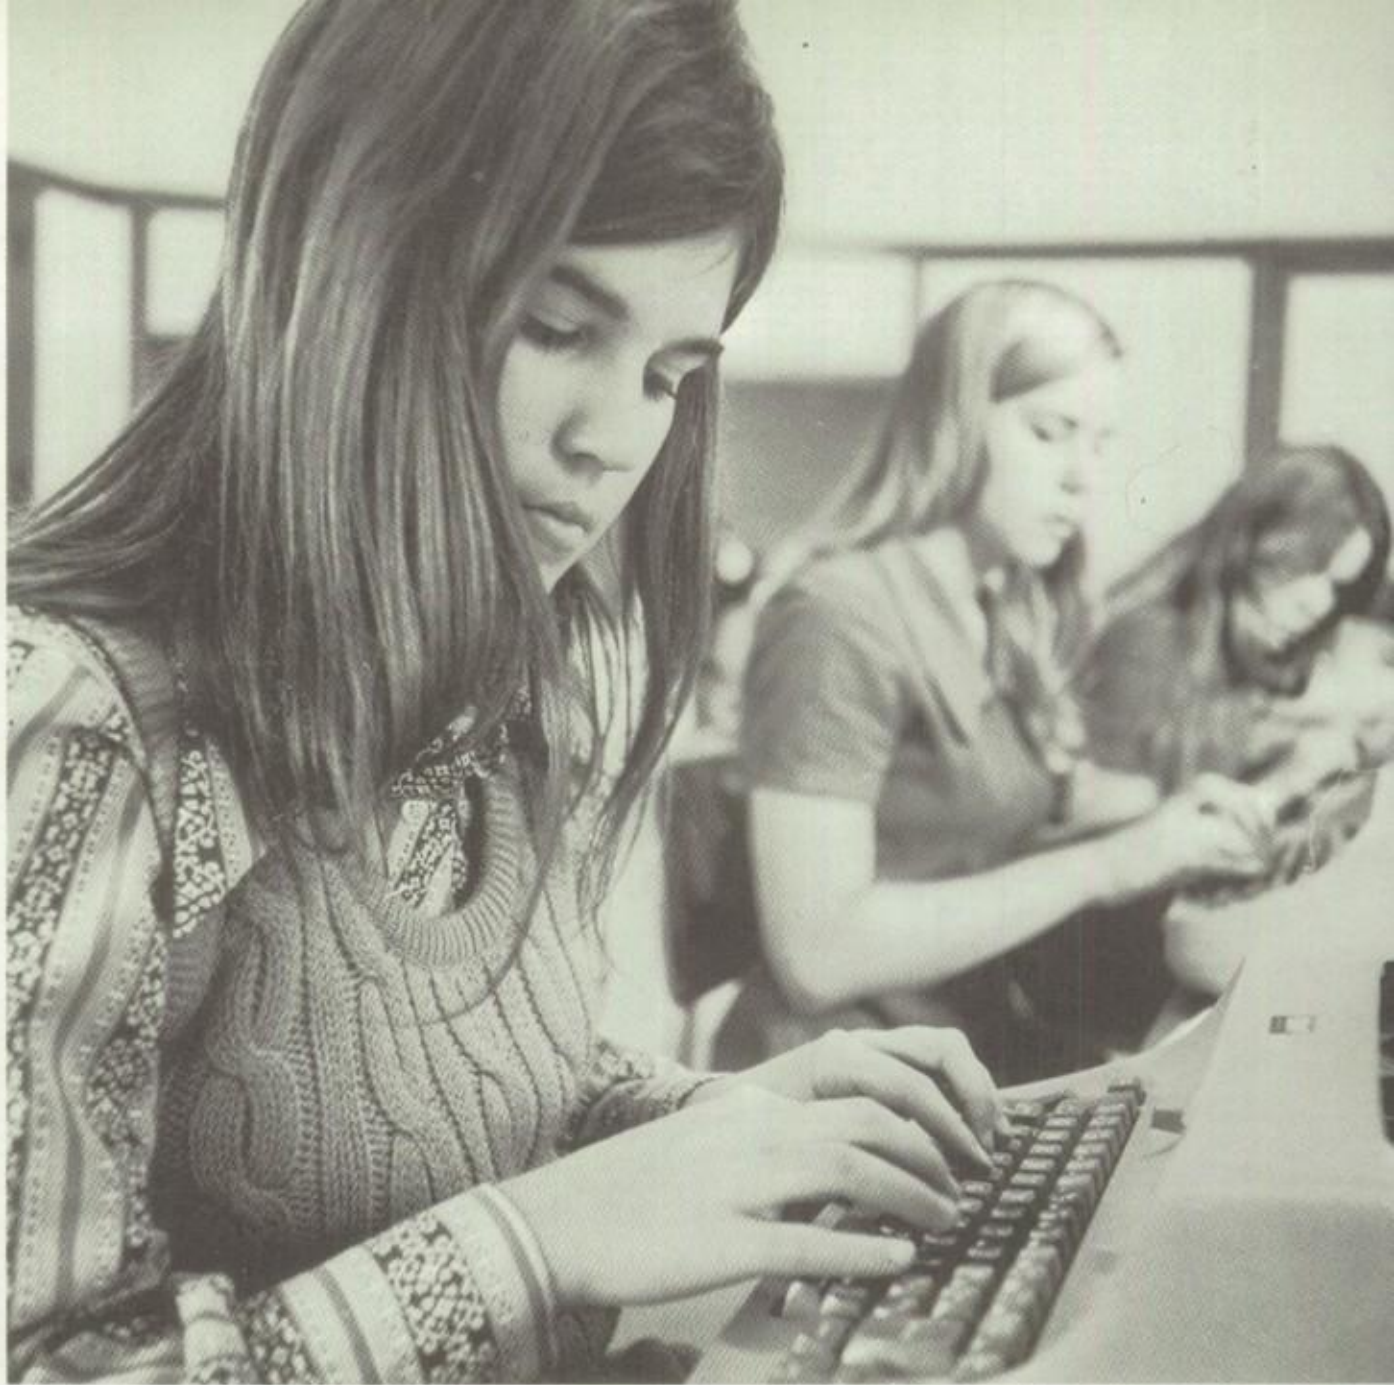

AUTO Mechanics students, above, give an engine an overhaul. Going over a blueprint, right, is mechanical drawing student Mark Vinicent.

Industrial Arts Classes Promote Perfection

DEMONSTRATING proper use of equipment to the members of his electricity class is Steve Dudek, above.

PRACTICING their stroking techniques are second year typists Janice Earl, right, and Paula Douglas, far right.

SHORTHAND students Janet Wagner, above, and Patty Ellis, right, take a dictation. Judge Jack Todare, far right, presides over a mock trial in merchandising class as Carl Benner observes court actions.

Business Skills Increase Chances For Employment

TYPING, accounting, short hand...it's good to have classes that make your hands work as well as your mind.

The most important thing I learned from accounting wasn't how to balance books but was a sure fire method on how to cheat a business out of \$300.

I couldn't even sell Girl Scout cookies and my merchandising class finds me solving the problems of running my own chain of super markets.

In typing class I'm not only learning how to type business letters, but also I typed pictures of the Easter Bunny at Easter, a witch on Halloween, George Washington on his birthday, Abraham Lincoln on his birthday, John F. Kennedy on his birthday, and Santa Claus on his birthday (?).

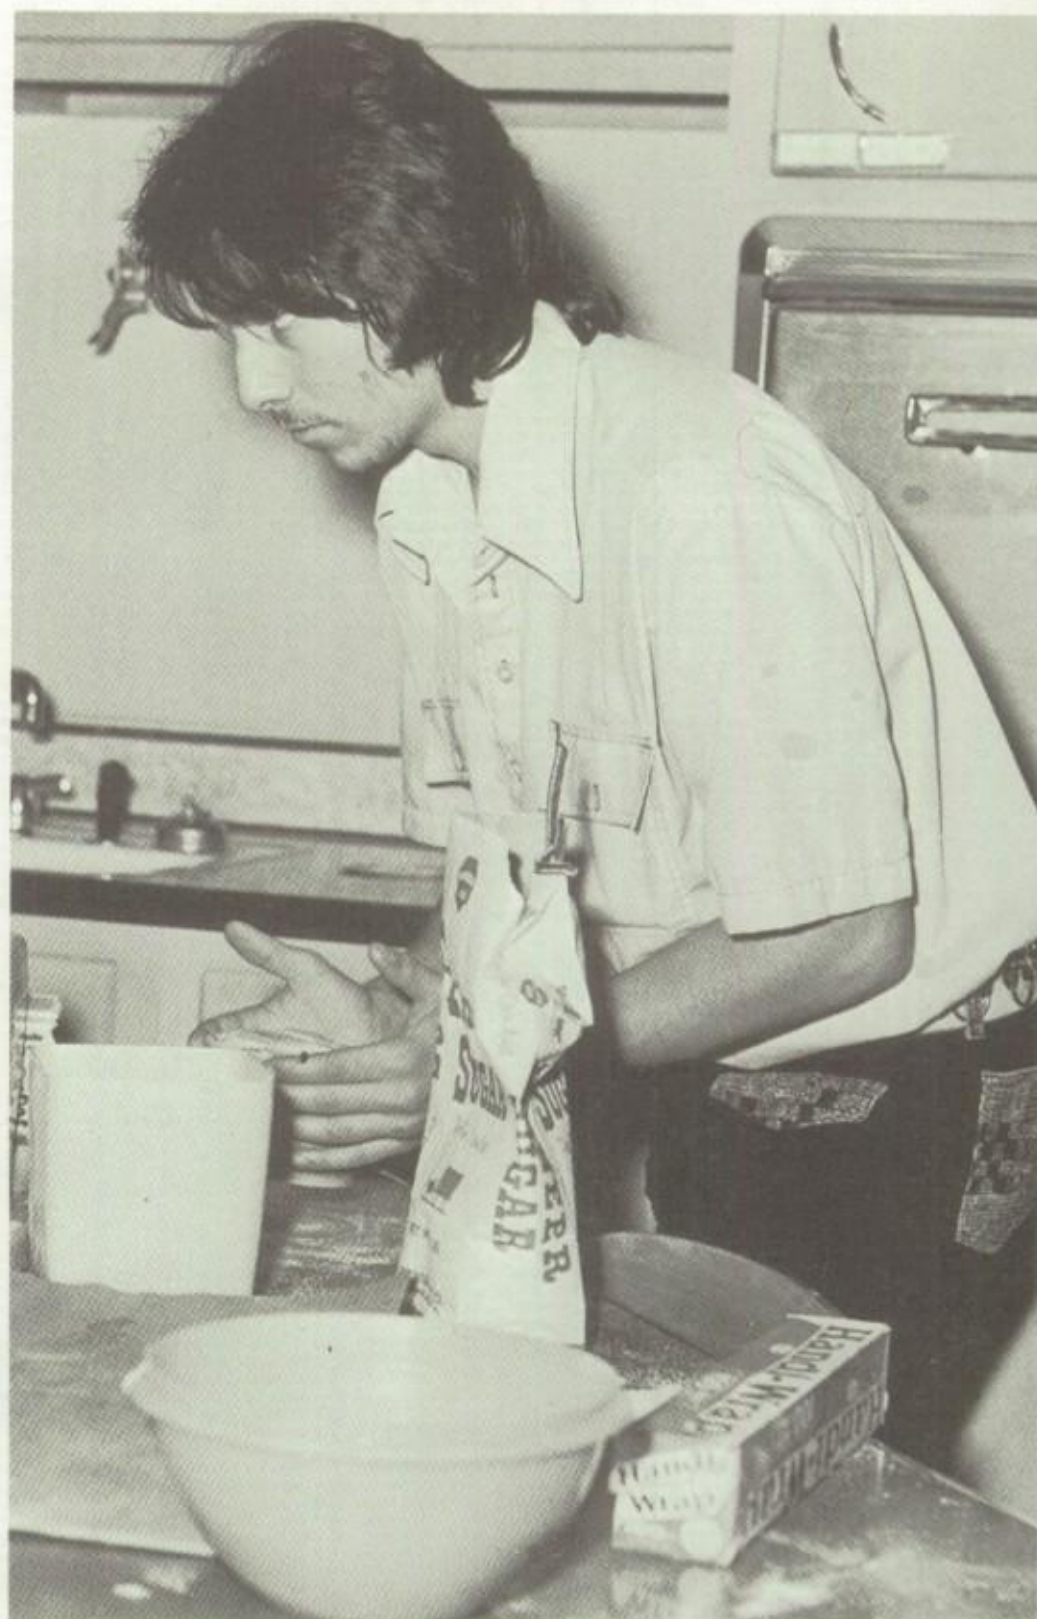

Special Programs Allow Needed Job Opportunities

HOW come they call it Daybreak when I don't come to school until 4:30?

Because of my Daybreak classes I can truthfully say that I can type, work an adding machine, fix my car, and bake doughnuts.

Co-op gives me the opportunity to earn money on a job and get credit for class at the same time.

LEARNING to use an adding machine in daybreak student Vanessa Humphreys, above. Dave Witting, right, works underneath a car while, top right, Frank Galle gives a first attempt to making doughnuts in his daybreak cooking class.

PAINTING a sign for Alpha Sign Company, left, is co-op student Dave Shepke.

WORKING at the East Detroit Central Library, above, is Sue Kwas. Dale Burr, left, gives prompt and courteous service to a customer, as a co-op student.

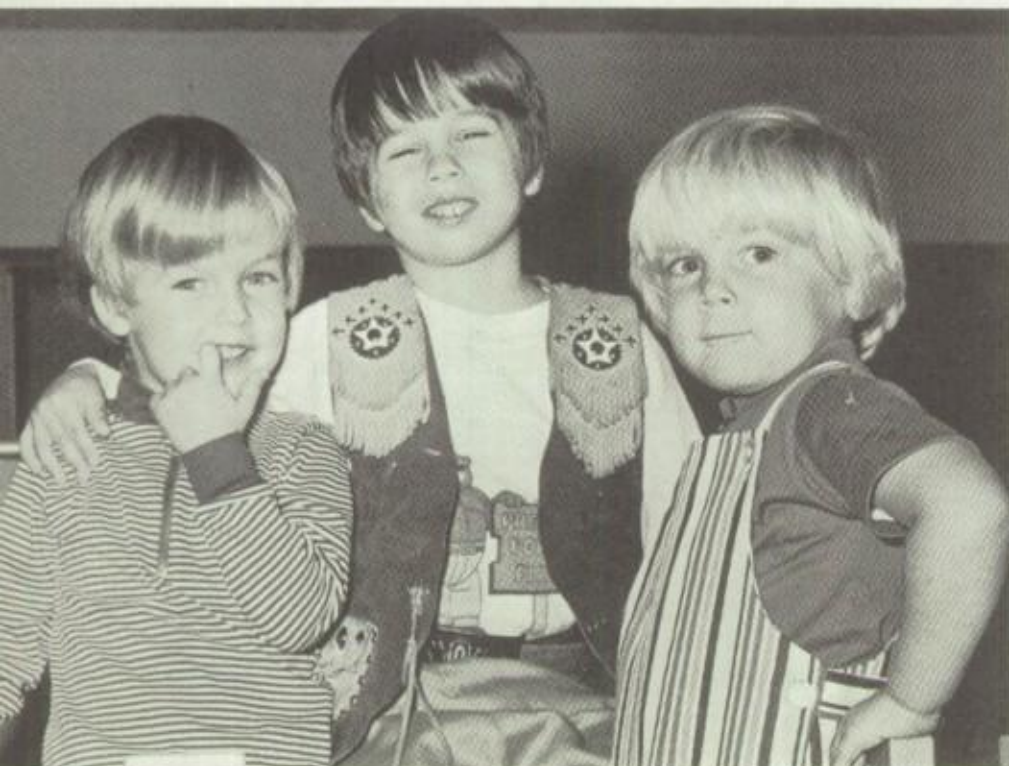

Development Students Profit From Experience

WHILE all of my other classes are preparing me for the years ahead, cooking and tailoring are classes I can benefit from now.

The aspect I like most about cooking class is I don't have to wait until lunch to eat, but when the results are less desirable, I usually don't mind the wait.

It wasn't until I started working at the Nursery School that I realized that a course in Child Development can't be taught through books alone.

Women's Liberation has yet to flourish at East Detroit High. There haven't been any girls to sign up for Auto Mechanics yet; but I have had guys in my Tailoring class.

MEMBERS of the class of 1985, above, pose for photographers as Child Development students Rita Maio, right, and Shirley Cross, top right, give part time aid to the Nursery School.

INSERTING a zipper into her garment, left, is Sandy Szczigiel. Cooking students, Mary Wilk, Sandy Stachel, and Mary Lou Galasso, below, try their hand at baking pies.

OBTAINING instructions from sewing teacher Joyce Leon, above, is Sue Berlin.

Gym, Health, Swimming Geared Toward Fitness

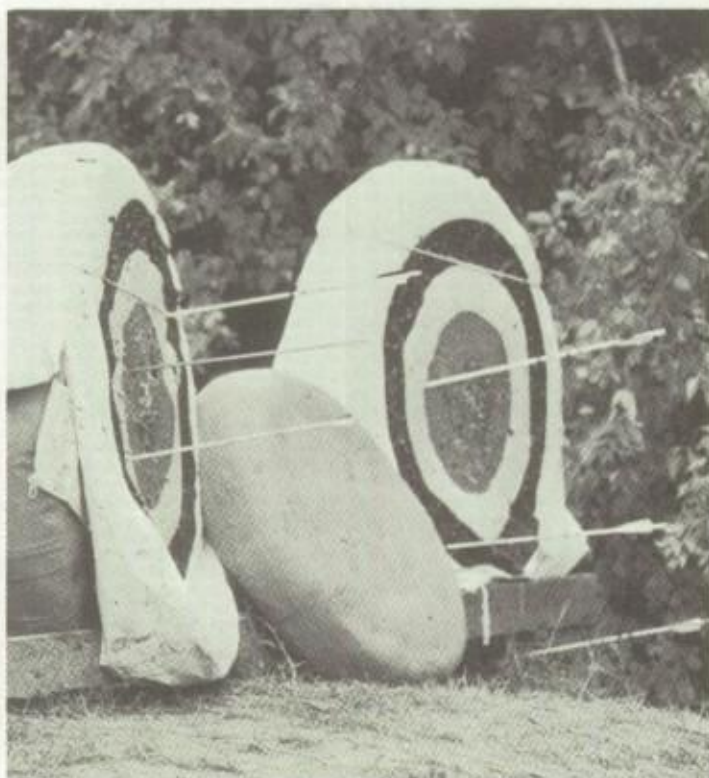

PHYSICAL education classes, gym and swimming, give me a chance to relax and enjoy myself in a class where there is no homework.

I liked the square dancing in gym this year. Hearing Uncle Dave Macon and Charlie Poole do "Turkey In the Straw" isn't exactly Black Sabbath but it sure beats doing calisthenics.

I have one major complaint about health class. Throughout the entire semester, the only girl to come into the class was Rescue Annie.

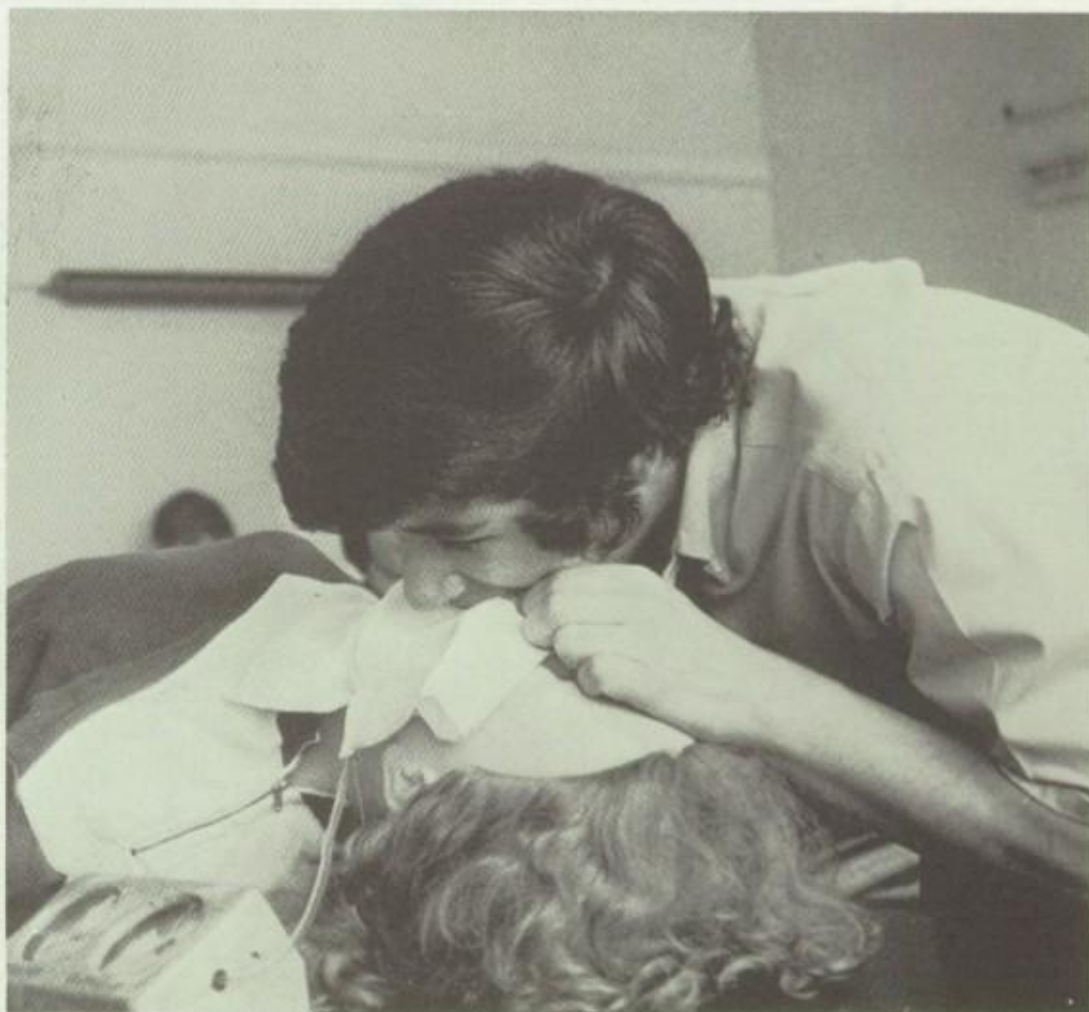

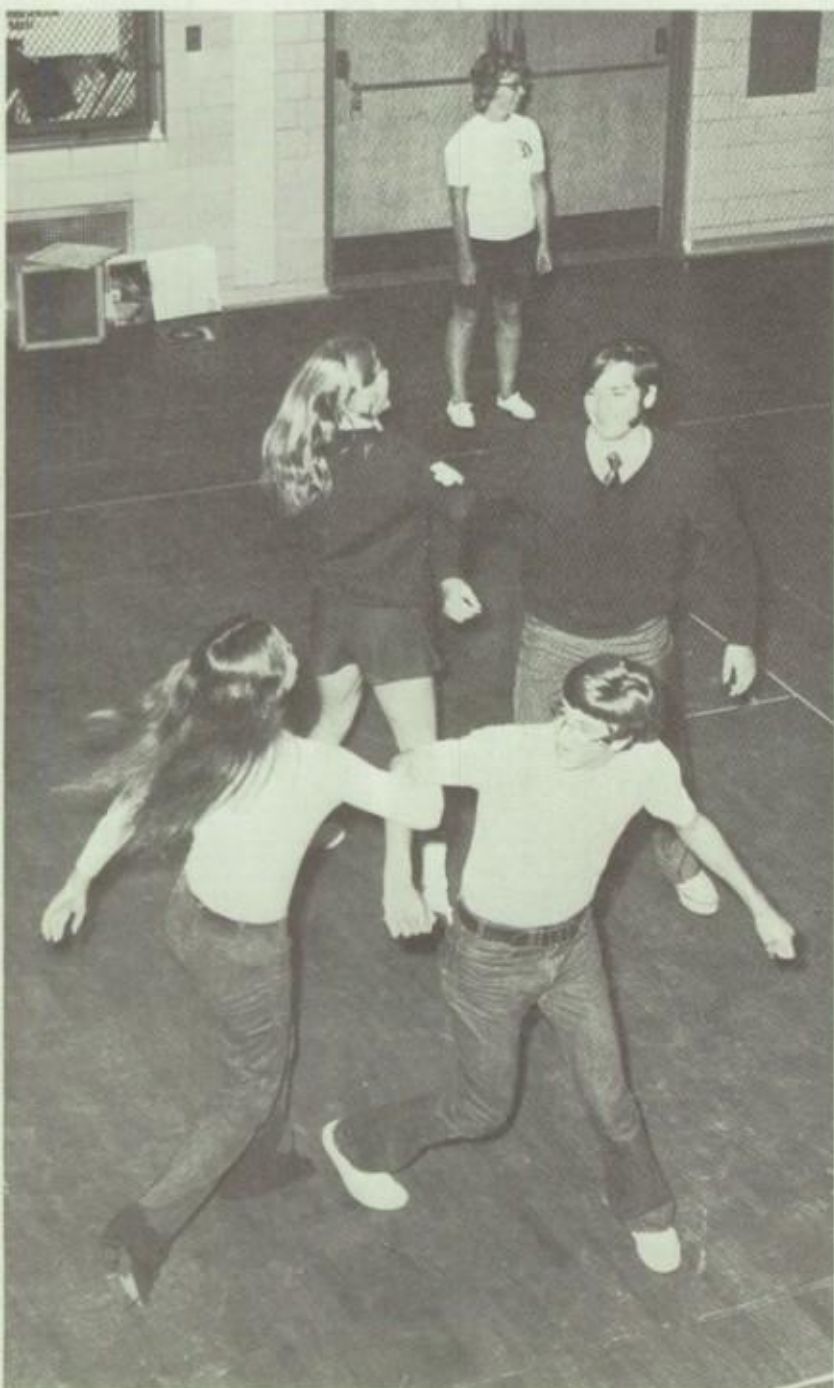

Having Gym and Swimming in the winter is more than I can stand. Every time I step outside my hair freezes. I wonder how much it would cost to install hair dryers in the boys locker room?

Diving scares me. What if I hit my head on the board? What if I land on my back? What if the board breaks? What if I bang my head on the ceiling? What if I miss the water? What if I never come up? What if I hit the side of the pool? Oh well . . .

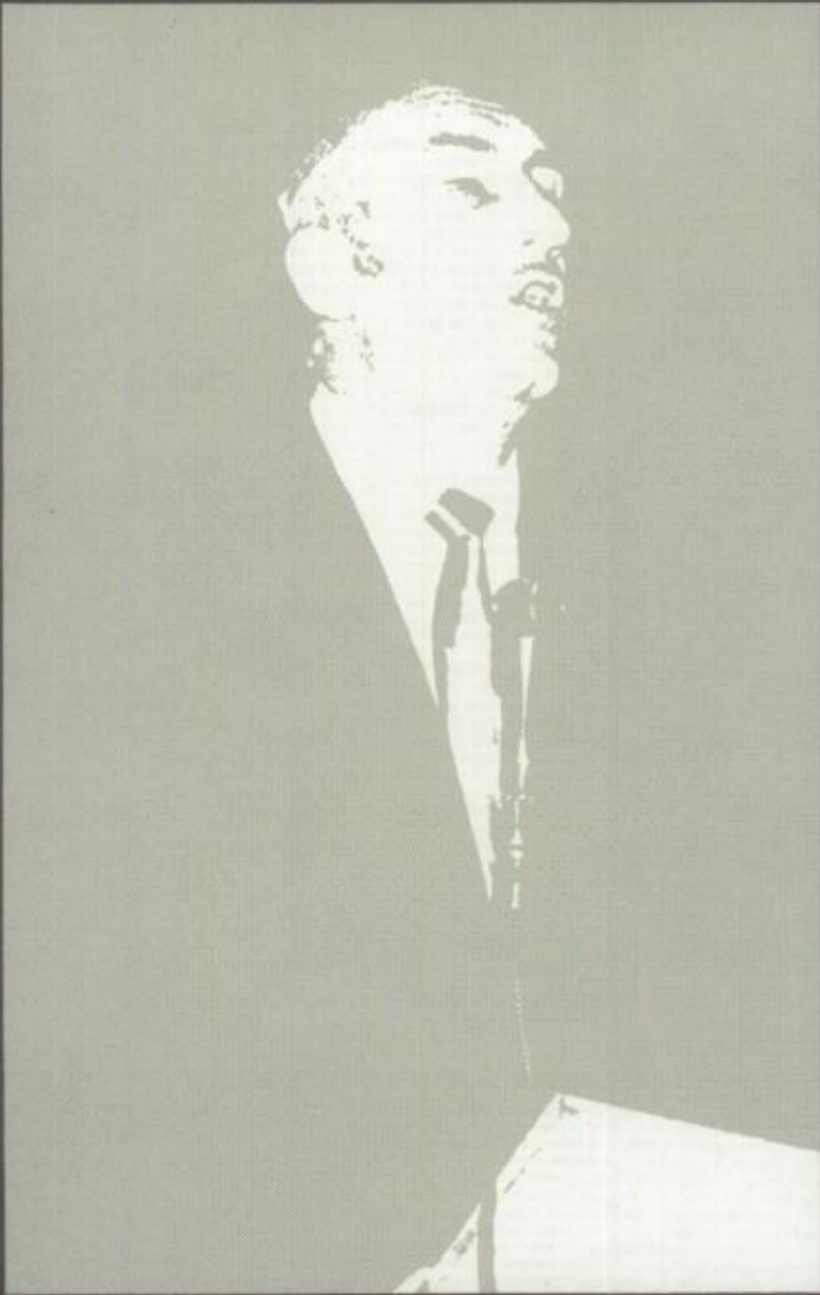

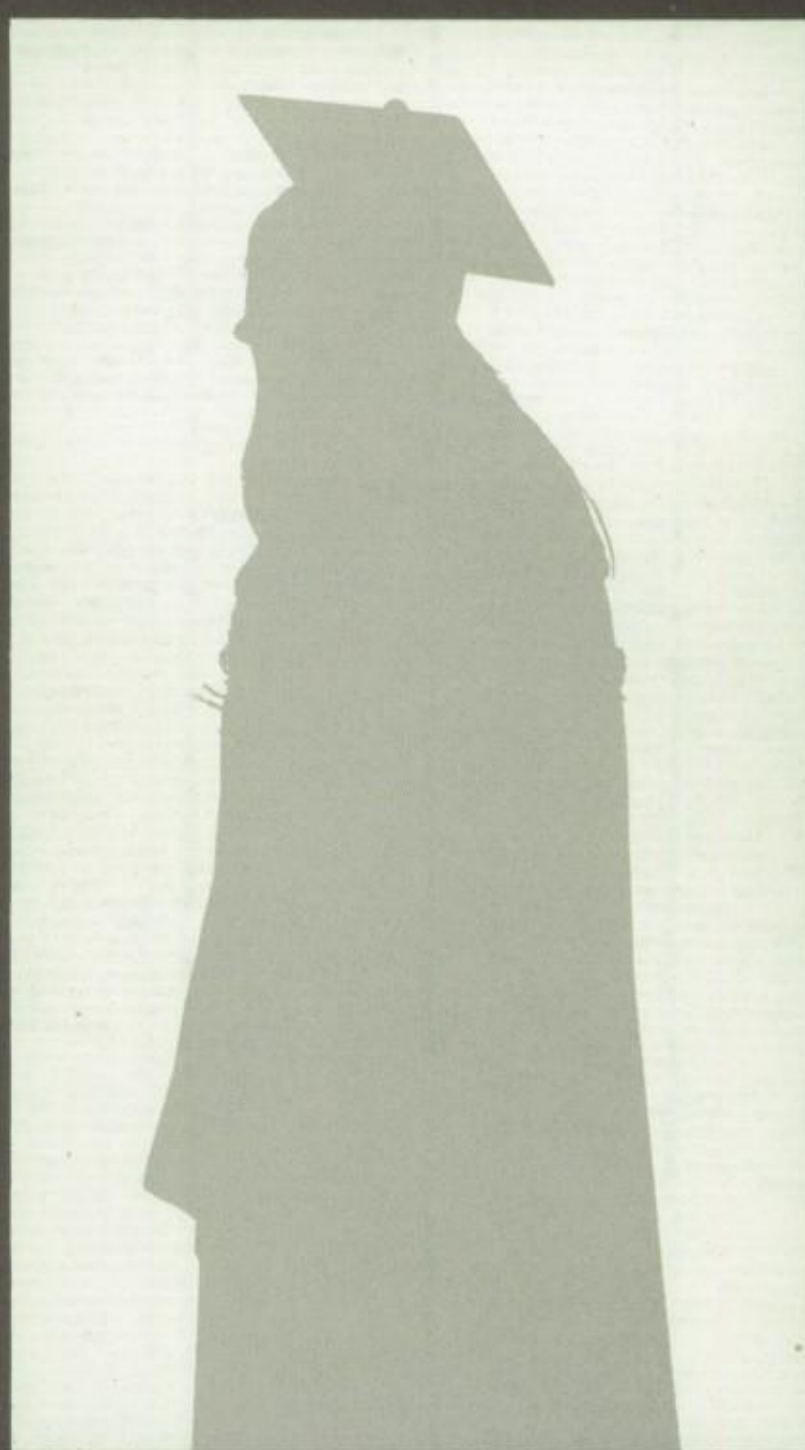

AIMING for the target, are Vickie Goiune and Julie Shepperson, left, as Jeff Maszal, below, learns to give artificial respiration on Rescue Annie.

PRACTICING dives out of the water, far left, is easier than doing the actual thing. Square dancing, left, is one of the many activities offered to physical education students.

Clubs

on the road to . . . involvement

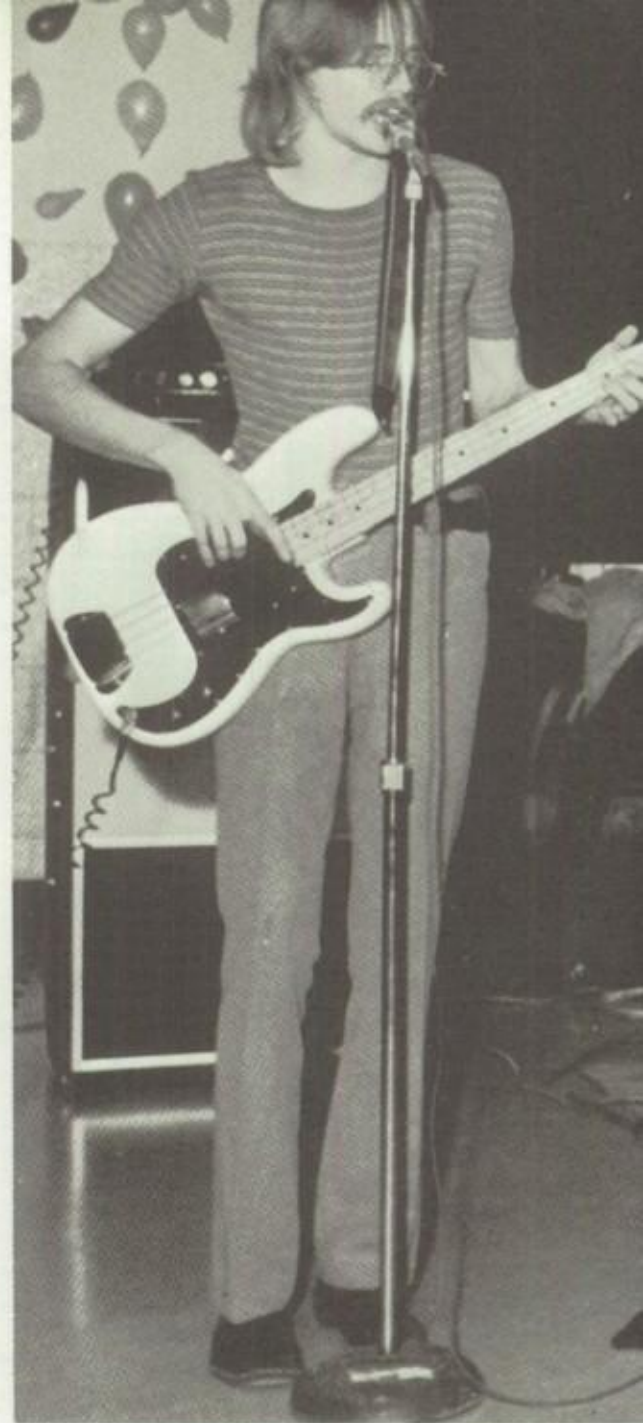

Involvement Encouraged By E.D. Student Assembly

ATTEMPTING to promote individual interest and participation of ED students, the Student Assembly sponsored many activities during the year. Under the guidance of Mr. David Brooks and Mrs. June Callaghan, planned activities were successful.

The members of the general assembly were chosen differently this year. Rather than voting in Social Studies classes for the representatives, a general election was held in the commons. Candidates had to petition for fifty signatures to be on the ballot. Twenty representatives were elected from each class.

Homecoming festivities were changed slightly with the return of the bon-fire. The annual tug-of-war, football game and semi-formal dance were also included in the activities.

The Assembly, with general participation of 80 students, sponsored the Foreign Exchange Dinner and the annual Cinderella Ball which was held in March at Athena Hall.

COUPLES Dean Maccagnone, Carolyn Westveer, Ken Woods and Carol Francis enjoy the annual Homecoming Dance, above.

PROVIDING music for the Homecoming Dance was *Insanity's Horse*, left. Student Assembly members *Helene Hazarow* and *Crystal Maberry*, below, decorate the school for the Christmas season.

MUDDY participants engage in the tug-of-war, above, as President *Jerry Morowski*, left, introduces *Insanity's Horse* at *La Vie Jolie*.

Communication Techniques Perfected In Plays

DEVELOPING public speaking abilities and preparing for a future of servicing others, were the focal points of activities sponsored by the Shamrock Broadcasting, Forensics, Future Nurses, and Social Services Clubs.

Keeping students informed on school happenings, the Broadcasting Club delivered the daily announcements and attempted to make them more interesting by playing music and interspersing pun lines. The club members went to CKLW and WXYZ radio stations to observe professional radio broadcasting and initiated a long range project of trying to build an FM radio station in East Detroit.

Learning to project their voices and better their vocal communication, The Forensics Club staged two one-act plays in February. "The Man Who Loved God," based on judgement day, and "Feather Top," using a colonial period setting, were written, organized, and presented by members.

Preliminary training for nursing was provided by the Future Nurses Club. Members viewed assorted films on nursing and invited various guest to speak at their meetings. A banquet was held at the end of the year, where senior members were presented with their nurse's cap.

The Social Services Club, newly formed this year, encouraged students to work together in helping others. Two bake sales were held to raise money for many planned projects. In late March, members, attempting to bring the Easter joys to small children, went to the Sara Fisher Home for Children to give twelve young boys an Easter party.

SHOCK is expressed on the face of Gay Daly, above, as Dennis Campbell, Len Sorenson, Don Morissett and Paul Vandenabeele comfort her. Relaying information to EDHS students, top, broadcasters Mark Kleim and Cyleste Snyder deliver the student announcements. Enacting the role as a patient, Veronica Torre's pulse is read by Mrs. Semrau, right, as Pat Taconelli watches the proper procedure.

ATTRACTED by assorted cakes and cookies, students, left, purchase goods from members of the Social Services Club.

FILLED with worry, Pearl Vanhouttenham, above, watches over Don Morissett.

Adventuresome Students Tackle Great Outdoors

SECOND PLACE, in terms of popularity, was captured by the Out of Doors Club whose total membership of 90 numbered just below that of the Ski Club. Faculty sponsors were Mr. DeGutis, Miss Edens and Mr. Radke.

Membership in the club was obtained by either participating in a five mile jog around the high school track or a 10 mile hike at Stoney Creek. The purpose of this was to make sure students would be able to withstand the physical exertion required for the various outdoor activities.

Camping trips included a weekend at Pinery Park located in Canada, a canoe trip to Rifle River, a camp out at Grand Bend and a winter trip to Camp Michigama near West Branch.

A fund raising activities night was sponsored after a basketball game in January. Active students could participate in volleyball, basketball, tennis, gymnastics, swimming, badminton, or just relax and listen to music played by two folk singers.

PHYSICAL exercise along with club membership is gained, right, as Jenny Viglione, Mr. DeGutis and Vickie Lavender jog around E.D.'s track. Volley ball and badminton were just a few of the activities offered on Activities Night, below.

TRUDGING wearily on, Bob Kusmaul and Jim Mischel left, take an active part in the 10-mile hike at Stoney Creek.

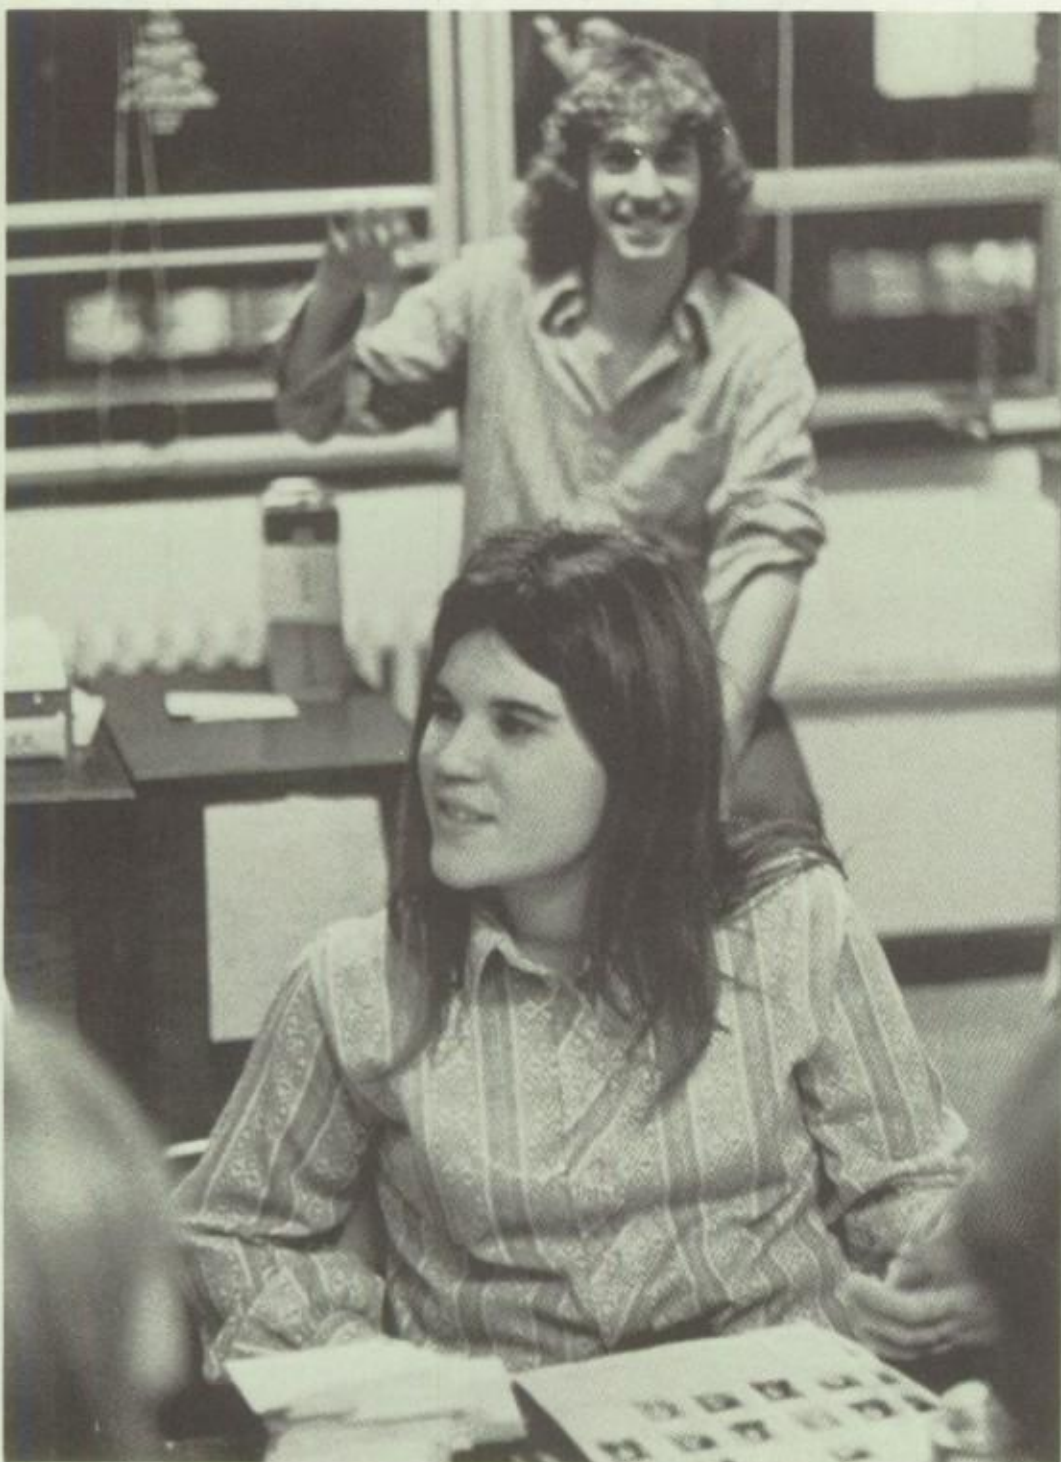

DESPERATELY trying to perform a stunt on the balance beam is, left, Sue Kocis, as, above, Larry Miller performs a one and a half somersault for onlookers.

YEARBOOK advisor, Mrs. Mary Sherer, right, pastes up sophomore pictures while Iva Lisikewycz and Linda Sacharski, faculty editors, discuss the upcoming deadline.

East Detroiter, Shamrock Mold Journalistic Skills

RELATING more to EDHS students was the main goal of both school publications. With an increase in both staffs, a variety of new ideas were presented.

Taking over as the new advisor for the 1972 yearbook was Mrs. Mary Sherer. Major duties and responsibilities were taken on by Editor-in-Chief, Janice Earl. The staff was chosen by individual editors and teacher recommendations and worked constantly to meet pressing deadlines. Inspiring this year's staff was the medalist and A+ rating awarded to the 1971 East Detroiter.

Members of the Shamrock staff worked under the supervision of Mr. Robert Friedland and Debby Mackin. The paper was published weekly and occasionally bi-weekly. The staff again sponsored the annual spring Cover Girl Contest, a fund raising project for the '72 Senior magazine.

Language, Debate Clubs Reflect Academic Interest

COMMUNICATION, whether in Europe or from the opposite side of a podium, was the object of the Foreign Language Club and the Debate Club.

The Foreign Language Club, which was sponsored by faculty members, Mrs. Ranta and Mrs. Magnuson, held activities that were enjoyed even by non-language students. At Christmas, the Language Club hosted a party in which members brought and sampled international foods. The French foods consisted of Quiche Lorraine and une Buche de Noel, while some of the other foods were angel wings, lasagne, and German Chocolate Cake. The club also sponsored field trips to ethnic restaurants.

The Debate Team, sponsored by faculty member Mrs. Haas, consisted of 11 members and participated in 20 league debates. The leagues the team participated in were the Shamrock League and the Middle Macomb League. In the Middle Macomb League competition, the JV finished 3rd with a 14-8 record while the Varsity finished with an 11-11 record. Award winning debators were varsity member Ralph Klein, who came in 8th and JV member Mike Ratliff who ranked 6th out of 52 participants.

Pine Knob Instructors Greet Determined Novices

"THINK SNOW" was the motto of the 200 members of the Ski Club. Snow was an obstacle this year since the weather refused to cooperate and provide a good base. Artificial snow machines gave mother nature a little help.

The bunny hills were the first challenge beginners encountered. Ski instructions were a must to prevent broken arms and legs and of course the first lesson included learning to fall which few had trouble mastering. Then it was on to bigger goals: the tow rope, the slower chair lift, and for the real adventurous the steepest hill. Reaching the top was the easy part, as long as you held on tight to the chair and both poles but getting off was asking a bit more, especially at such an altitude. Looking down was enough to make anyone with acrophobia, fear of heights, reconsider but the confidence of advanced skiers provided enough incentive.

All of the skiing was done at Pine Knob except for the ski weekend held at Pinnacles Ski Resort in Gaylord. The weekend gave avid skiers a chance to put in a lot of skiing, not to mention all the fun in the lodge warming up. A hayride and a pizza party were an added attraction that provided diversity.

BEFORE beginning ski lessons, above, tickets were collected by the instructor while students waited in line.

Effective Casting Allows For Quality Productions

ACTING abilities and expressive techniques were improved as the Pit and Balcony Drama Club presented several plays during the school year.

"Noah", a modern-day version of the ancient biblical story, was performed in the fall by the Drama Club. Aside from their acting roles, members constructed props and organized them on stage during production. Their main feats were the building of the ark and the making of all the animal costumes.

Much work was required for the presentation of the spring play, "The Miracle Worker". In order to portray their roles more effectively, the ten girls who played blind girls visited the Michigan School for the Blind. As in the fall play, all props were made by the play's crew.

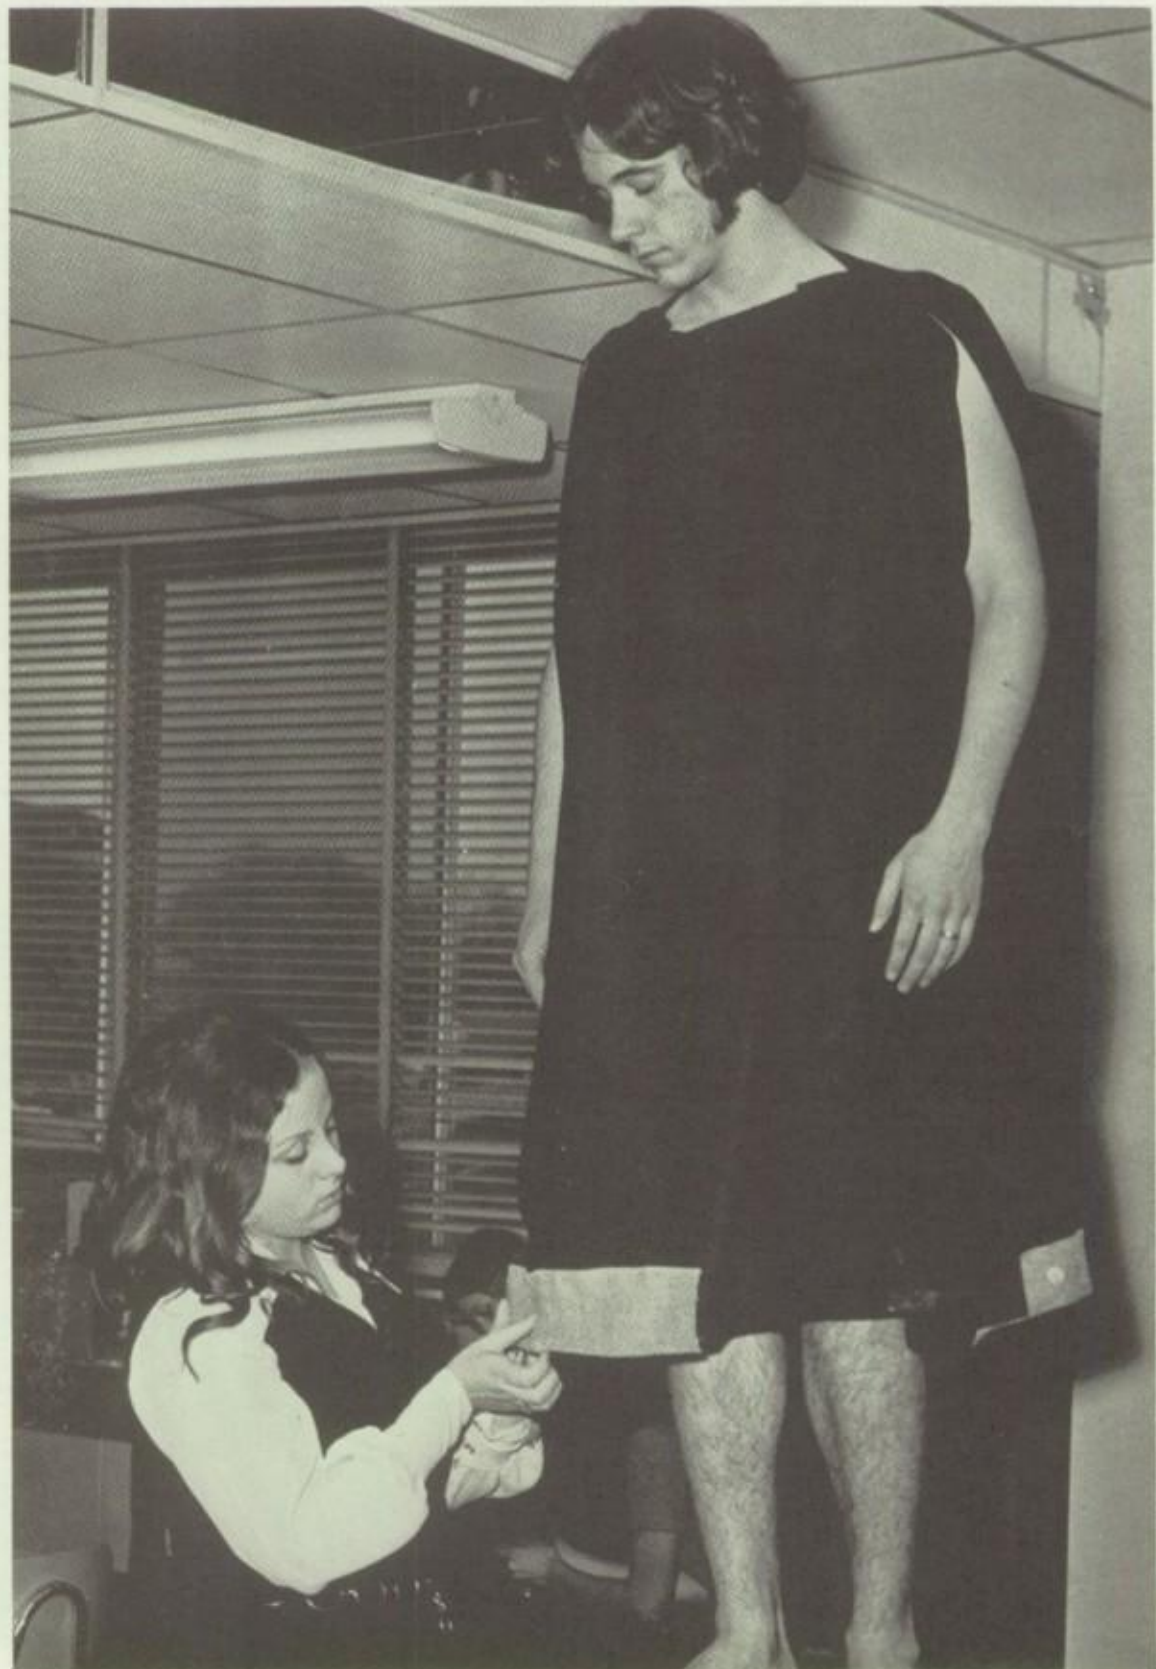

To help defray costs of the costumes and building materials, a candy sale was held for one week in the fall by the Club.

Other activities of the club included putting on a one-act skit for East Detroit Elementary Schools during the Christmas season, a hayride at Sugarbush Ranch, and the annual trip to Stratford, Ontario where they viewed two plays.

WORRIED expressions are shown on the faces of cheerleaders Cheryl Brzezinski, Joyce O'Hara and Debbie Politowski, right, as tension mounts during an ED basketball game. Overwhelmed, cheerleaders Debbie Politowski and Cheryl Brzezinski, above, display their emotions as ED scores a touchdown.

FILLED with enthusiasm and sparkle, EDHS cheerleaders promoted school spirit. The squad of eight girls was sponsored by Miss Connie Bartosik and Mrs. Velma McLeod.

Helping to cut the costs of uniforms, the girls held car washes, newspaper drives, a rummage sale, bake sale and a candy sale. Due to the lack of money, Camp All American could not be attended this year. The girls practiced twice weekly and designed posters to announce the upcoming sport events. They represented all football, basketball games and pep assemblies to help cheer ED on to victory.

The Varsity Club, also known as the E club, sold booster buttons to raise money for a new weight machine. Popcorn and cokes were sold during Varsity and Junior Varsity basketball games to help provide money for additional needs. The club attended an Eastern Michigan University football game last fall in Ypsilanti.

INSPIRING team spirit, members of the 1971-72 varsity cheerleaders are: Patty Brodie, Cheryl Brzezinski, Joyce O'Hara, Newana Contesti, Cindy Algueseva, Debbie Politowski, Eileen Rowley, and Lee Rowland.

Enthusiasm; Involvement Sparked By Sport Clubs

SPIRIT and involvement were important parts of the Timettes, Shamettes and the Girls Athletic Association as members participated and promoted school athletic activities.

The Timettes, which were made up of 20 girls, timed individual swimmers and handled all other needed preparations. New uniforms consisting of kelly green vests and culottes replaced the uniforms worn last year. The Timettes were sponsored by Mr. David Clark.

The Shamettes, a recently formed group, consisted of 18 members and were sponsored by Miss Franciosi and Mrs. Gasiorek. The girls put on dance routines during halftime and at all home basketball games. Uniforms, which were sewn by the girls, were made of green velvet.

G.A.A. helped to provide athletic activities for ED students. Girls participated in basketball, badminton, volleyball, bowling, softball, swimming and track. Some of the members attended an EML camp in February.

Stimulated Minds Form Academic Interests

ACADEMIC interest played a major role in the Computer Math Club, Chess Club and National Honor Society.

The newly formed Computer Math Club provided students with learning experiences in computer programming. Members visited the Macomb Intermediate School, which houses the central computer for our terminals, and where all report cards and schedules are made. Participants were given assignments as lab assistants, and also worked to organize and improve the appearance of the lab.

The Chess Club, whose 10 members participated in the Metro-City Chess League and in the EML League, had an undefeated season. The club also competed for the State Championship and the Michigan High School Chess Team Championship in April.

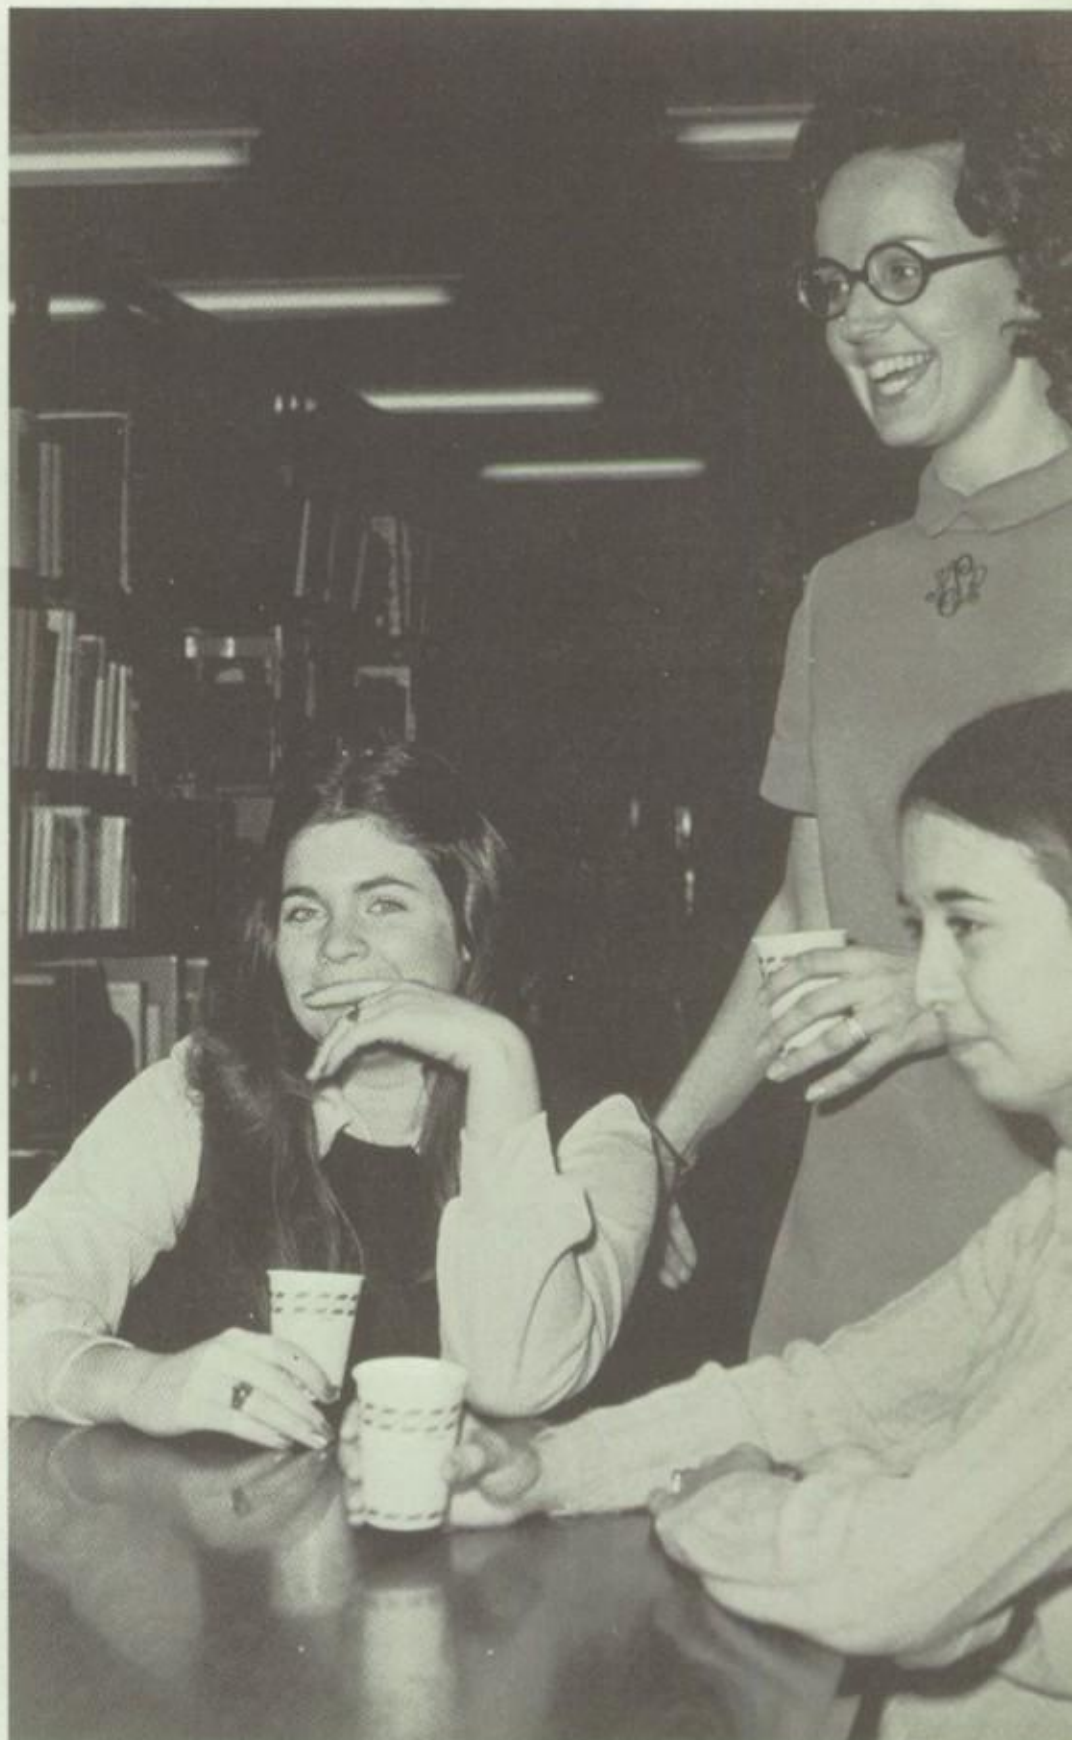

On April 18, the National Honor Society tapping took place. Being rewarded for their outstanding Academic as well as social achievements, newly selected members received pins and certificates during the May 2 induction ceremony. National Honor Society chooses to be a non-active club in East Detroit, due to the varied involvements of its members.

EDHS Students Benefit From Club's Services

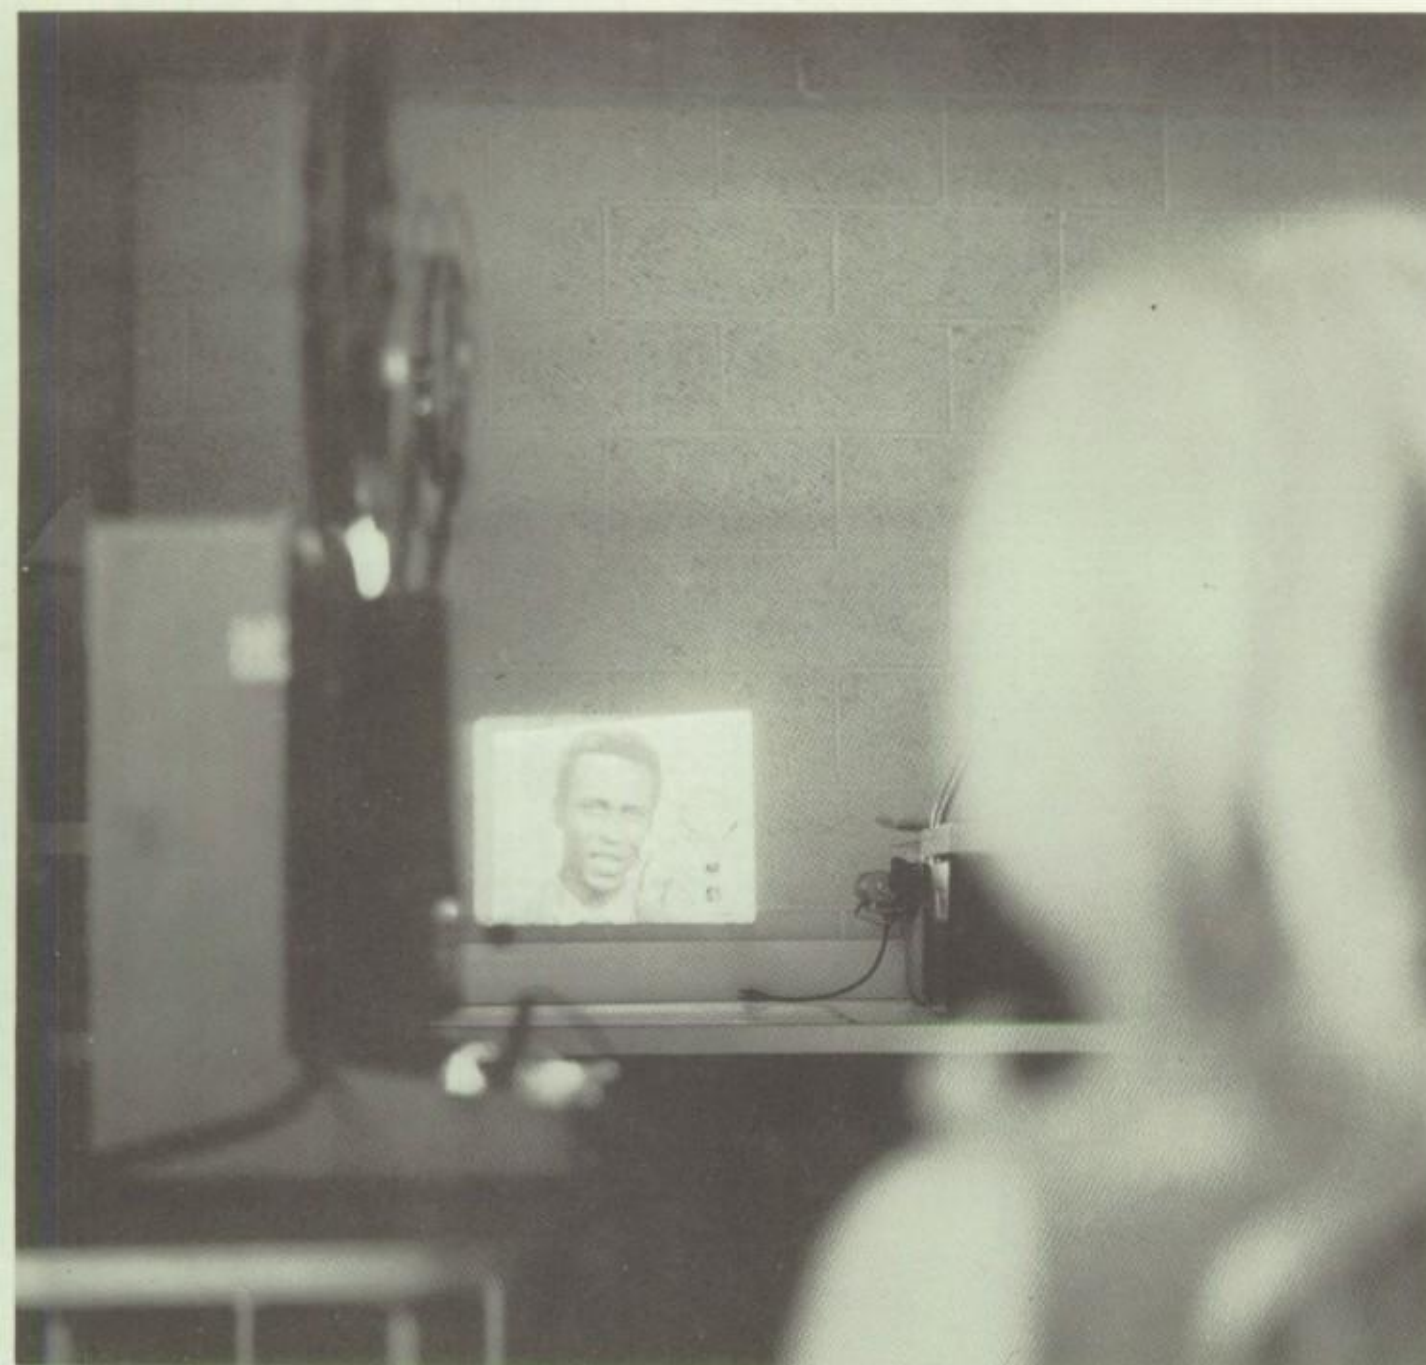

ASSISTING the increased student body of EDHS this year were the audio visual, library, and office assistants. With the longer school day and staggered schedules, these students worked even harder in helping students and faculty members.

This year's Audio Visual Staff consisted of 17 students whose various jobs helped the A.V. Department run more smoothly. Their jobs included the distribution of A.V. materials, assisting students in the operation of A.V. equipment, and assorted special assignments that came up during the year. Mr. George Saboonjian was aided by Mr. Arnold Comer who served as Audio Visual Technician.

Mrs. Jean Milligan, librarian, worked with 22 students who comprised the library staff. Their duties, among finding materials for students, were setting up the microfilm and running passes to study halls. An average of three classes per hour used the library due to the reduction of study halls this year. The amount of noise had also been lessened on account of the newly installed carpeting.

The Office Co-op Club, which consisted of 60 girls, was headed by Mrs. Poma and Mrs. Bratt. Along with their daily jobs, they participated in service projects. Their annual Christmas Dinner Dance was held at Imperial Hall.

SERVICE organizations, the Key, Keyettes and Ushers Clubs combined efforts in aiding the community, school and individual students.

The Key Club International and the Keyettes based their theme on enriching man's existence. The two clubs worked together throughout the year. In December, a canned food drive was planned and the food collected was given to needy families in East Detroit for Christmas. This year's sponsors were Mr. Gerald Pasquantonio and Miss Celene Anne Stanley.

The Usherettes distributed programs and welcomed guests who attended various school plays, band and choir concerts, Parent Teacher Conferences, Shenanigans and commencement exercises. The club was again sponsored by Miss Houston.

Good Finish Earns Irish EML 2nd Place

INEXPERIENCE plays havoc with a team's drive toward a title. Such was the case of this year's Varsity Football team which posted a season record of 5-4 and earned 2nd place in the Eastern Michigan League with a 5-1 mark.

Getting off to a rough start, the Shams lost their first three of four games. Only eighteen points were scored by the offense while the defense allowed ninety-six points. The inadequate scoring punch could be attributed to quarterback inexperience as juniors Dale Campbell and Bob Barney were given the task of directing the team. Meanwhile the defense was having trouble containing such potent offenses as Royal Oak Kimball's and Mt. Clemens'.

Port Huron Northern was the turning point of the season. The Irish, in the words of Coach Ron Ruzzin, "...put it all together on offense and defense." Quarterback Bob Barney, having gained much needed confidence, directed the aroused team to a 27-6 victory. The Green and White finished strong, winning four of their last five games,

amassing eighty-seven points to the opposition's forty-two. These included wins over Roseville, Port Huron, and Brablec in which E.D. held them to a single touchdown each, and lost by only three points to suburban powerhouse, Ferndale.

Two players recognized for their outstanding effort in aiding the Shamrocks to a winning season were Dan Laethem and Dave Redash, voted most valuable players. Laethem was E.D.'s most versatile performer as he handled the kicking and run back chores as well as earning recognition as a receiver, being selected to the All Metro-East squad at the end position. Redash spearheaded the powerful defense which allowed the opposition the fewest number of points in four years.

Individually honored players were Gary Wojtas, Kurt Portelli, and Gary Schafer voted best lineman, best back and most improved, respectively. Acknowledging their talent, Laethem, Redash, Wojtas, Portelli, and Joe Fricano were selected to the All-League team.

Inconsistent Play Results In Disheartening Season

DESPITE an overall losing season, the Junior Varsity football squad managed to retain third place in the EML with a record of 2-3.

The Reserves suffered a disappointing season due to inconsistent play. They showed flashes of brilliance in their 40-6 victory over Romulus, but then went on to lose three in a row. They played a good defensive game in defeating Port Huron Northern, 14-0, and then played their best game of the season in the 24-6 victory over Roseville. Sporadic play, though, resulted in a losing season as the J.V.'s dropped their last two games.

Statistics favor the Shamrocks completely. They rushed more yards, 923-823, passed more, 542-276, and scored more points, 122-121, than their opponents, but when the final score was posted, we came out on the short end.

There were a number of outstanding players. Leading rusher was Bob Meer who carried for 550 yards and four touchdowns. Replacing the injured Tom Jones, quarterback Mike Mione completed 16 of 26 passes for 238 yards and five touchdowns. On the receiving end were Lloyd Craig and Woody Brown who caught twelve and eleven passes for 203 and 235 yards, respectively this season.

MEMBERS of the 1971 J.V. Football team are: bottom row, manager; Douglas Esse, Jim Cramer, Thomas Jones, Woody Brown, Skip Favazza, Thomas Coules, Clare Grifka, Ronald Donegan, Mike Mione, Jeff Houser, and John Berger. 2nd row, Coach Tom Hughes, Ray Fritsch, Mike Harger, Gary Chegash, Tony Daguanno, Robert Blake, David Mullenex, Matt Chornoby, Roray Algueseva, Marc Hernandez, Joseph Weeks, Robert Meer, manager Leo

League Championship Escapes Cross Country

BOUNCING back from last year's losing season, the '71 cross country team finished with a 9-2 overall record and earned 2nd place, compiling a 6-2 mark in EML competition. This was the Sham's best showing in four years. "Overall spirit, attitude, and cooperation was just tremendous," praised Coach Jack Roberts.

Competition was closer than it appeared. Both our losses came at the hands of Mt. Clemens. The second meeting of the teams, lost by only one point, determined the league title.

Voted most valuable player was Pelmer Gipson. He took first in nine of the meets he ran in and second in the other two for a total of thirteen points. Bob Blunk, voted hardest worker, accumulated thirty-seven points which included seven second place finishes. Another important team member was Gordon Good, voted most improved player.

In their post season showing, the Harriers performed well. At the Macomb County high school cross country meet they captured second place as Gipson took a third, Blunk a fifth, and Good sixteenth place. State Regionals yielded a school record of third place and 116 points as Gipson took a medal-winning sixth spot. For their performance at Regionals, Gipson, Blunk, and Good went to the State Finals. They were also named to the All-Macomb team for 1971.

Balanced Attack Yields EML, District Titles

OVERALL balance was a key factor that aided the Shamrocks in capturing the League co-Tital and allowed them to reach the State Regionals. Compiling an EML mark of 9 wins, 1 loss, the Irish shared championship honors with Sterling Heights Stevenson, while also accumulating a regular season total of 15-1.

Vastly improved from last year's 8-10 record, the Green and White posted a highly successful season. This was attributed to the balance and team work of the starting five. Led by Carl Sass and Brad Thompson with 301 and 292 points, respectively, the Shams had a strong offensive game, displaying a fine 69.3 game average. Also adding their support to the attack were John Mallo, 239, Kevin Krass, 204, and Dale Campbell, 197 points.

Defensively, the Irish swept the boards, collecting a total of 890 rebounds. Representing the highest total in six years, Krass tallied 277, Sass, 249, and Mallo, surprisingly strong for his 6'0" frame, 105 rebounds.

Losing only to Sterling Heights Stevenson during the regular season, the Cagers avenged that loss in the last game, clinching a share of the League Crown with a 55-51 victory. Riding this crest into post-season play, the Shamrocks captured the State District championship with a 72-68 win over Lakeview. Continuing on into the Regional Tournaments, Grosse Point North was defeated by a single point, 52-51. Fighting for the Regional Title, the Irish lost to a strong Detroit Northern team by a score of 69-72, finishing out the season with a fine record of 19 wins, 2 losses.

Reserves Fail To Defend 6th Consecutive Crown

SUFFERING defeat at the hands of Sterling Heights Stevenson and Mount Clemens, the Irish Reserves posted an 8 win, 2 loss EML record, failing to capture the League Title for the first time in six years.

Continuing the dominance of last year's squad, the JV's won their first nine games of the season. In their game with Stevenson, though, they suffered a 38-48 defeat, dropping to 2nd place. A dismal 48-52 loss to Mount Clemens eliminated the hope of a championship. Bright spot on the season was the 60 to 57 defeat of Stevenson, ruining their bid for an undefeated season.

Top scorers of the year were Woody Brown with 297 points, Mike McConnel, 199, Ron Tarnowski, 147, and Steve Kinnear, 132. Leading rebounders were Dean Struebing with 73 rebounds, Tarnowski, 68, and Marc Hernandez with 49.

SLAMMING the 400 yard freestyle at the EML Swim Preliminaries, co-captains Steve Becroft and Mike Tessman, below, continue their dominance in that event. Mike Krumme, right, shouts lap numbers to Mike Tessman while Mike Wrubel, far right, exhibits the diving form that earned him 1st place at the EML Swim Finals.

Swim Team Continues To Produce Champions

SWIMMING in only their third year of competition, the 1972 swim team established East Detroit as a county swim power, capturing the Eastern Michigan League championship for the second year in a row with a 4-record while compiling an 11 win, 2 loss overall mark.

Continually improving throughout the season, the tankers set new varsity and pool records, breaking at least one in every meet they swam in. Leading the way was most valuable swimmer Steve Becroft holding three of them in the 400, 200, and 100 yard freestyle events. For his efforts he was voted to the ALL-EML squad. Also a strong competitor, Gary Stein tied the 50 yard freestyle mark and broke the 100 yard backstroke record with a time of 1:02.3. Strength in another department was relied upon as divers Bob Wright and Mike Wrubel dominated their event, qualifying for the State Finals for the Second year in a row.

High point of the season was the EML conference meet as the Irish swimmers won seven of the eleven events, clinching the victory by thirty-five points over their nearest competitor. Capturing ALL-League honors were Steve Becroft and Dave Ferretti, while Mike Wrubel, Dave Templeton, and the 400 yard relay team consisting of Larry Getty, Paul Misson, Mike Krumme, and Jim Oloff also were named All-EML.

SWIM TEAM members who captured the EML Title for the second yyear in a row are: bottom row, Mark Fracassa, Doug Templeton, Dave Ferretti, co-capt. Steve Becroft, co-capt. Mike Tessman, Jerry Linenger, and Larry Getty. 2nd row, Mike Wrubel, Jim Cook, Jim Oloff, Dave Rafaidus, Brian Kimball, Andy

Kocis, and Bob Zerba. 3rd row, Coach Dave Clark, Randy DeMorris, John Bridge, Dave Templeton, Mike Krumme, Paul Misson, Mike Harger, and Jack Wilson, top row, Bob Wright, Dan Gnesda, Gary Stein, Ron Goss, Dave Oloff, Dale Kelley, Ron Brice, and Matt Brown. Not pictured, Tom Ballor.

SENIOR Gary Wojtas, right, wrestling at 185 lbs., gains superior position over his Fitzgerald opponent while most valuable wrestler Sam Delia, below, shows his wrestling style which earned him 1st place in the EML. Tom Lopiccolo, below right, voted best sophomore, is awarded a decision during the Sterling Heights meet.

VARSITY wrestling members participating this year were: manager Ken Bignotti, Mike Alfieri, Tom Delia, Sam Delia, Mark Tripi, Clair Grifka, August Degregorio, Marc Vincent, Russ Marrone, Bill Stump and manager Matt Tripi. 2nd row, Coach Mr. Friedland, Bill Fileccia, Bill Dueweke, Ray Fritsch, Ken

Hall, Gary Wojtas, Jerry Bignotti, Dan DeMeester, Tom Linenger, and Jim Vincent. Top row, Coach Mr. Antone, Bob Blake, Gus Vallone, Geert DeVriese, Roger Bird, Ken Whitehead, Wayne Jackson, John Walker, Ken Benoit, Tom Lopiccolo, Brian Molloy, and Mike Beyer.

Frustrating Year Results In Loss Of EML Crown

UNABLE to record a victory in any of its first four meets, the varsity wrestling team went on to suffer a disappointing season, registering an EML mark of 2 wins and 2 losses, good for a three way tie for second place.

The first few meets set the season, as the Irish grapplers never seemed to be able to establish a winning streak. Their first two games resulted in the identical score of 30-30, while the next two were disheartening losses. The Shams then picked up three victories in a row against Lakeview, Sterling Heights, and Port Huron Northern. The Fraser meet, through, resulted in a one point loss and Mt. Clemens handed the Green and White a resounding 41-11 defeat. Rebounding back, the matmen captured the next two meets, but were unable to continue their winning ways, dropping the final two matches of the season.

A high note of the season was senior Sam Delia. Wrestling at 118 pounds he had twenty-three victories including an All-EML first place win at the league meet. Delia also qualified to wrestle at the State Finals.

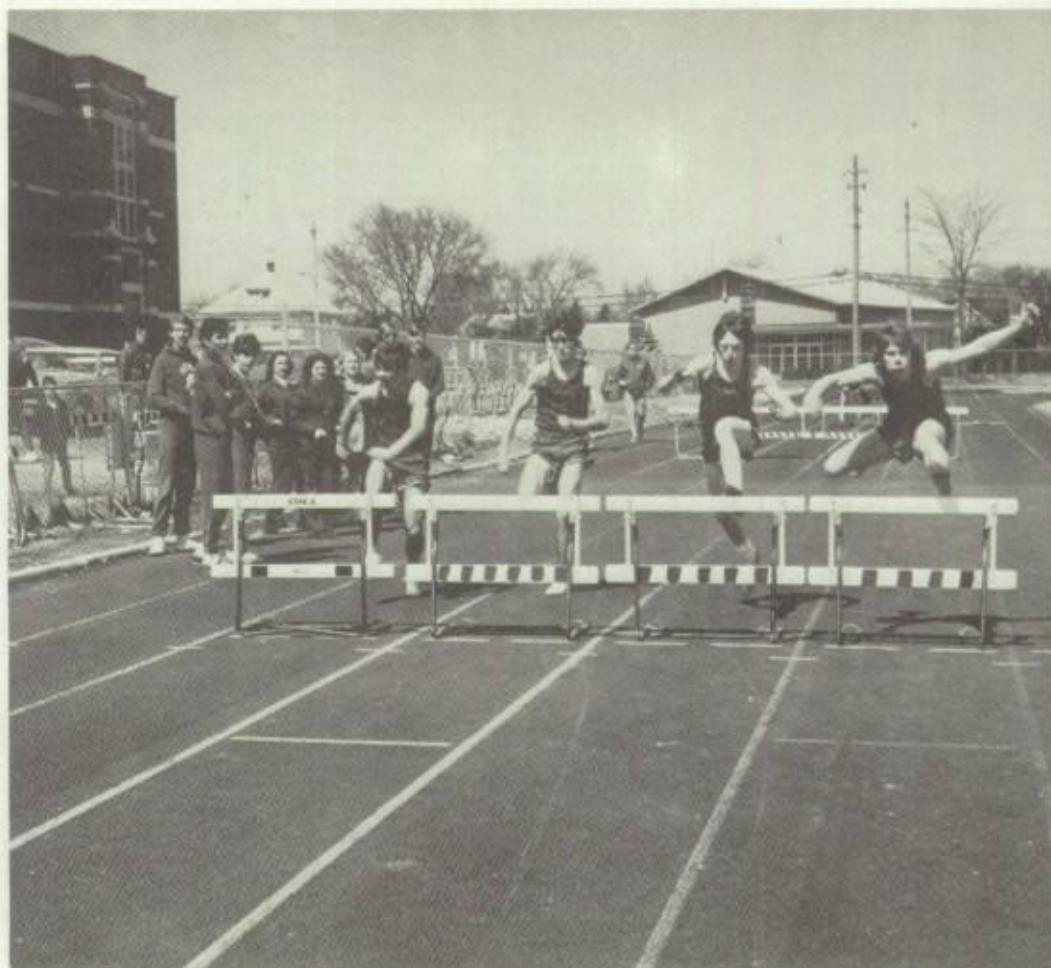

The addition of a number of heavyweight wrestlers should bolster the position of next year's squad.

JUNIOR Marc Vincent, left, a good prospect for next year's team, grapples with a Port Huron Northern opponent as he works toward a pin.

Track Attack Bolstered By Long Distance Events

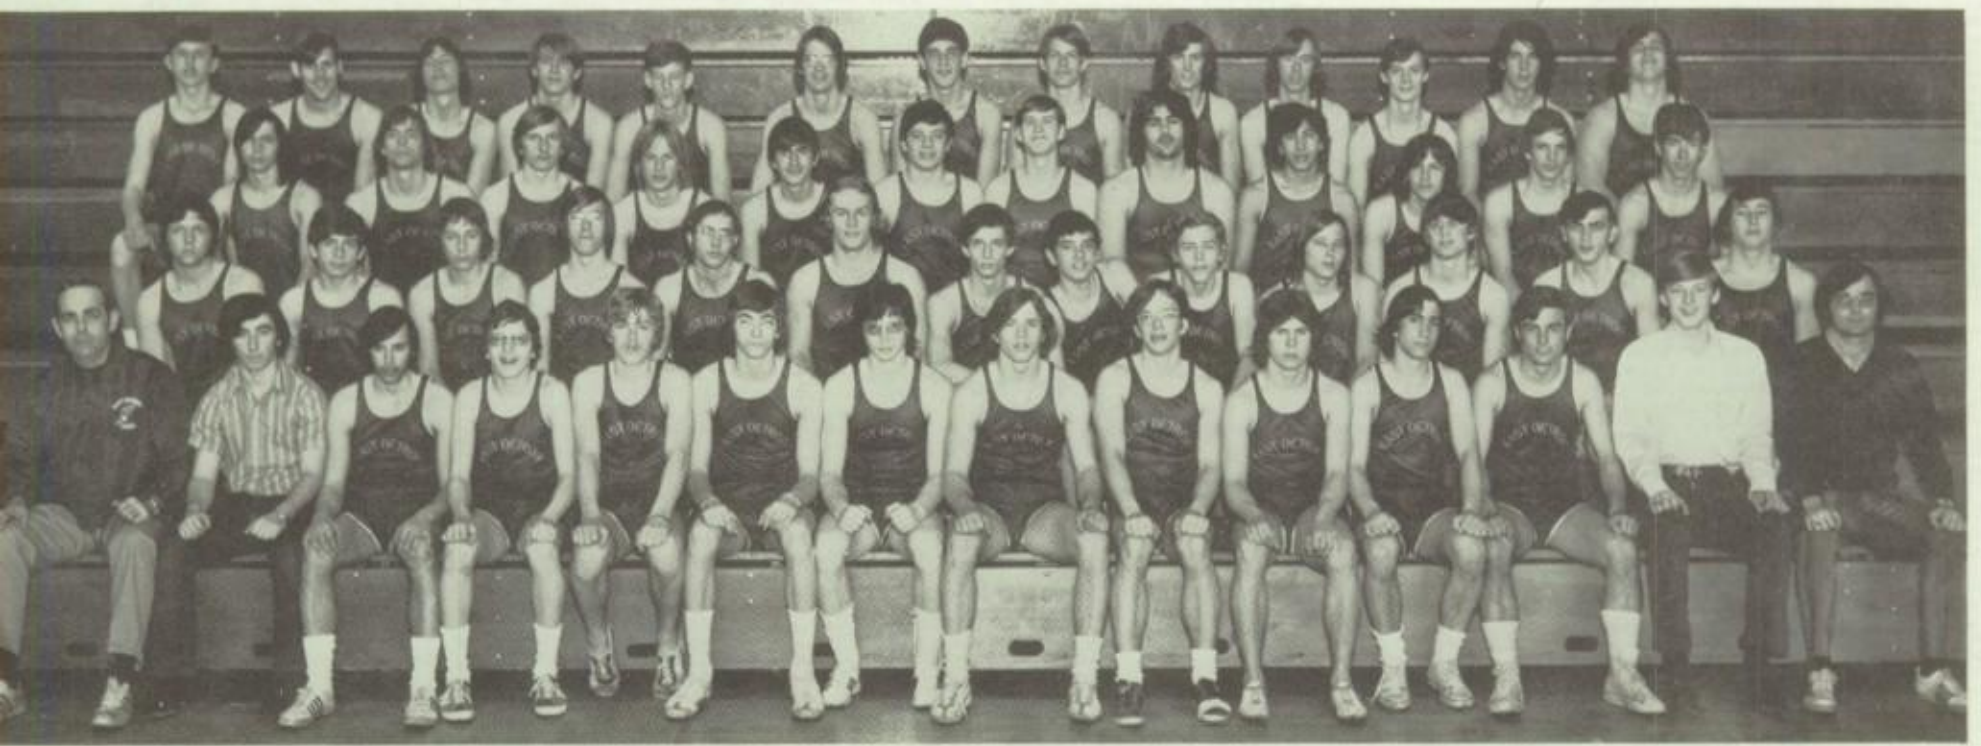

TRYING to re-establish themselves as a league powerhouse, the 1972 Track team is looking forward to a successful season.

Aided by off-season conditioning, middle and long distance events should be the strength of the thinclads. These include Pelmer Gipson and Bobby Blunk in the mile and two mile runs, respectively, and Bruce Dudek and Pat Green in the quarter and half mile events. Sprinters Bob Uyttenhove, Jeff Teno, and Chris Burkitt should dominate the short events. Also providing help are Gordon Good and Al Damiano in the two mile. A new addition, assistant coach Larry Andrews, Former Eastern Michigan University trackman, should aid the Shamrocks in their quest for a league title.

STRAIN shows on the faces of sprinters Bob Uyttenhove, Jeff Teno, and Chris Burkitt, above, as they attempt to break the tape at the end of 100 yards.

Mike McConnell, Keith Torp, Mike Taormina, and Gary Dixon, far above, leap over hurdles as they bolster the Irish in that department.

VARSITY Track members for 1972 are: bottom row, Coach Dennis Wheeler, manager Simone Mauro, Bill Renberg, Al Damiano, Jeff Houser, Keith Torp, Mike Taormina, Larry Miller, Dave Bugay, Gary Dixon, Bob Anargyros, Mike McConnell, manager Roger Potts, and Coach Larry Andrews. 2nd row, Steve Geverink, Leo Mitchell, Larry Gralewski, Ken Davies, Jeff Teno, Robert Uyttenhove, Bruce Dudek, Dennis Caliguri, Bob Blunk, Mike Lukasik, Donald

Miller, Gordon Good, and Chris Burkitt. 3rd row, Mike Meier, Bob Bolz, Dave Mullenex, Walter Cross, Robert Frassetto, Matt Chornoby, Steve Leath, Sal Monaco, Dan Constantino, Pelmer Gipson, David Maruszewsky, and Taylor Whitenack. top row, David Lewis, Roy Cole, John O'Connor, William Ziskie, David Oloff, Patrick Green, Marc Hrenandez, William Harkleroad, Eric Lee, Daniel Ryan, Hurshel Craig, Jeff Schoen, and Jerry Capaldi.

POLE VAULTER Dan Constantino, left, gains speed down the runway in an attempt to clear the bar. Timekeeping, cheering, and keeping score are some of the duties of the Shamrock Trackettes, above, who promote the general spirit on the team.

Strong Squad Optimistic About Possible EML Title

CLIMAXING a period of rebuilding, the 1972 Varsity baseball team has set its sights on a league championship.

Suffering from a curtailment of baseball during the '69 and '70 seasons, this year's squad, with seven returning lettermen, has hopes of again dominating league play. Co-captain Dan Laethem, selected all-league and all-county last year, is expected to lead the team with his glove and powerful bat. Also returning are pitcher Rick Zoss, 1st baseman Dale Campbell, 2nd baseman Tom Lamprides, and co-captain Dave Redash at catcher. With a strong bench, the Irish have the power that could establish them as a county threat.

Shamrock Netters Rely On Returning Lettermen

ATTEMPTING to rebound from last year's 3 win 3 loss record, the 1972 tennis squad is relying on the return of six letter winners and strong performances from a number of junior and sophomore netters for a successful season.

Forming a strong nucleus are lettermen Brad Thompson, Bruce Bissonette, Cliff Black, Dave Lewis, Doug Timm, and Ty Strobridge who are expected to supply the needed experience on the team. Though hurt by the loss of premier tennis player, Marty Jacobs through graduation, Coach Fred Roberts feels Brad Thompson will be a very adequate replacement.

Student Body Includes Four Exchange Students

BELGIUM, Germany, Yugoslavia, and Chile added their representatives to East Detroit with the arrival of four foreign exchange students. Geert DeBriese from Antwerp, Belgium, is staying with the family of Mark Bondy Jr. The other three foreign exchange students are girls, Christine Von Gablen from Neuenhain, West Germany, is staying with the family of Cindy and Warren Algueseva. Gordana Bojovic from Belgrade, Yugoslavia, is currently staying with the family of Mary Edwards, while Soledad Rosas from Vina Del Mar, Chile is staying with the family of JoAnne Asbury.

This year the Student Assembly sponsored a Pot Luck Banquet in honor of the foreign exchange students. Master of ceremonies, John Eck, introduced the students and the speakers. Mr. Asbury spoke about the students and explained the exchange program. When asked how East Detroit compared to their schools, all four replied that it was much easier.

CLASS RINGS are presented to foreign exchange students Gordana Bojovic and Soledad Rosas by Mr. Asbury as remembrances of their experiences at EDHS.

guidance on the road to . . .

1971-72 Active Year For ED Administrators

NOTABLE events were evident in this 1971-72 school year. The possibility of bussing, the ACCESS program and better student — administration relations caused many new improvements.

Great furor was aroused due to Judge Philip Roth's decision to desegregate the public schools in the Metropolitan Tri-County area. Pros and cons were heatedly debated at meetings here in the school auditorium and in special School Board sessions where the Board members decided to send lawyers to debate Judge Roth's ruling.

A Comprehensive Curriculum in Elective Social Studies (ACCESS), was the Social Studies Department's answer to the English Department's EPIC program. It offered each student an opportunity to choose the classes he felt were most in line with his interests and helped develop his working potential. The Math Department made similar plans to be instituted in the 1972-73 school year.

This year, the Administration approved a new Liberalized dress code, allowing students to wear anything they wanted, within reasonable limits. The success of this policy has led to freer communication between both parties.

Responsible Lay Workers Prove Indispensable

VARIOUS duties had to be performed to keep the school running smoothly and this year's staff of lay workers did an excellent job. Mr. Joseph Comito, above, security guard, policed the three school parking lots. Adult Education records were kept by Mr. Dennis Wheeler, Mrs. Dorothy Puffpaff, Mrs. Betty Porter and Mr. Fred Rosa, top. Boiler rooms were regularly inspected by Mr. Ed Lorenz, right. Librarians, below, kept the Learning Center orderly for use; bottom row, Mrs. Jean Milligan and Mrs. Betty Lindberg, head librarian; top row, Mrs. Gertrude Strausse, Mrs. Dolores Holland and Mrs. Joyce Cross.

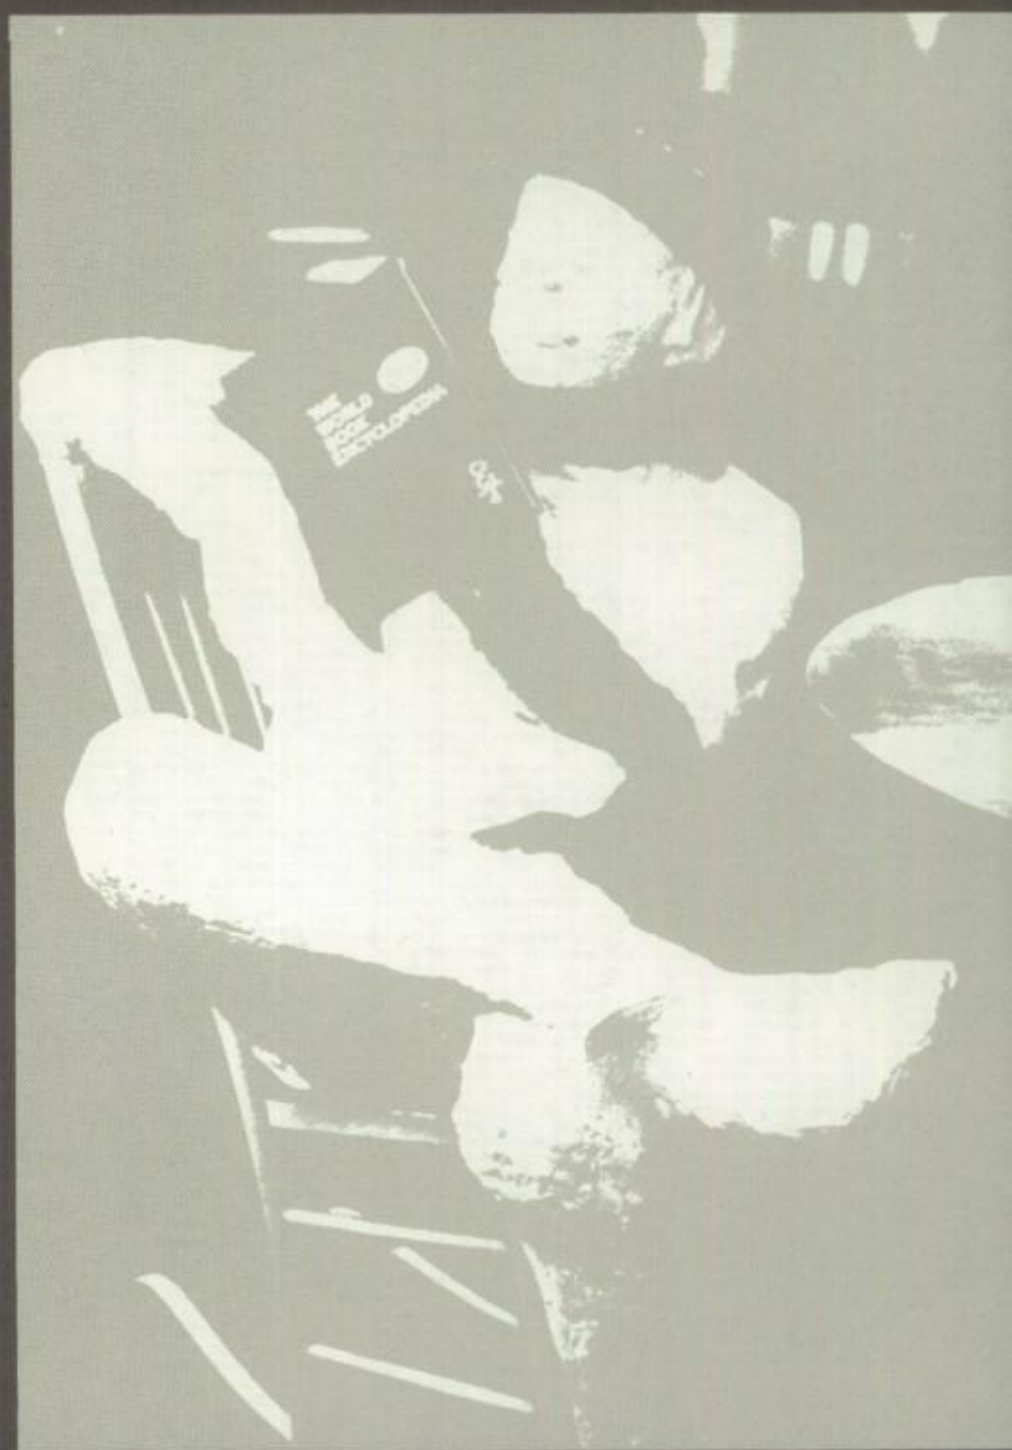

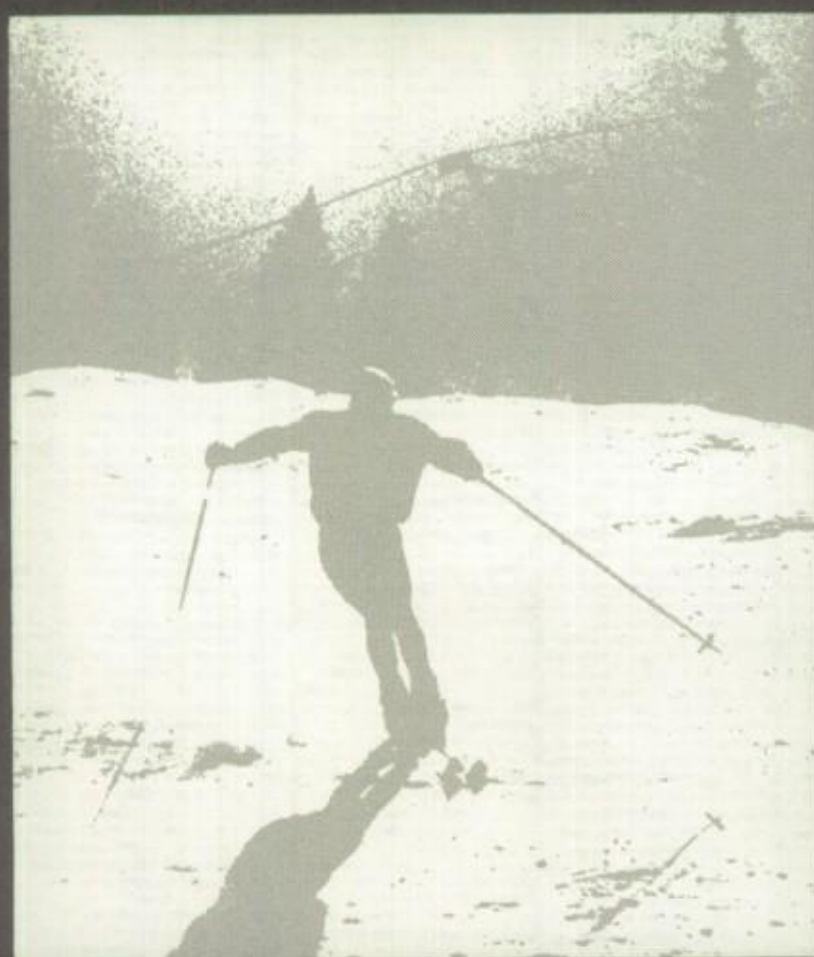

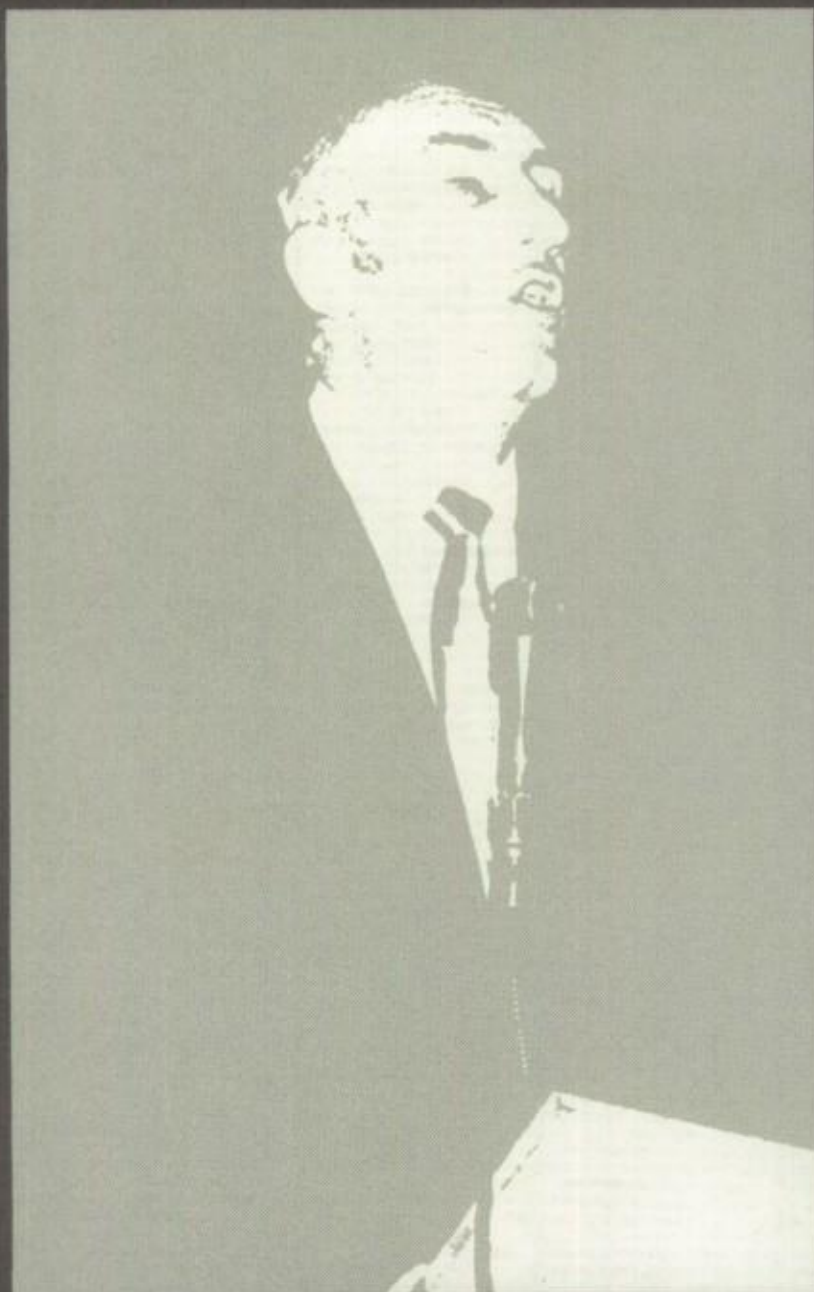

WATCHING for possible skippers and maintaining order the hall mothers and lunch room ladies patrolled the halls and cafeterias; **bottom row**, Mrs. Marian Finenger, Mrs. Marie Scherf, Mrs. Betty Hurd, Mrs. Mary Jane Mancani, Mrs.

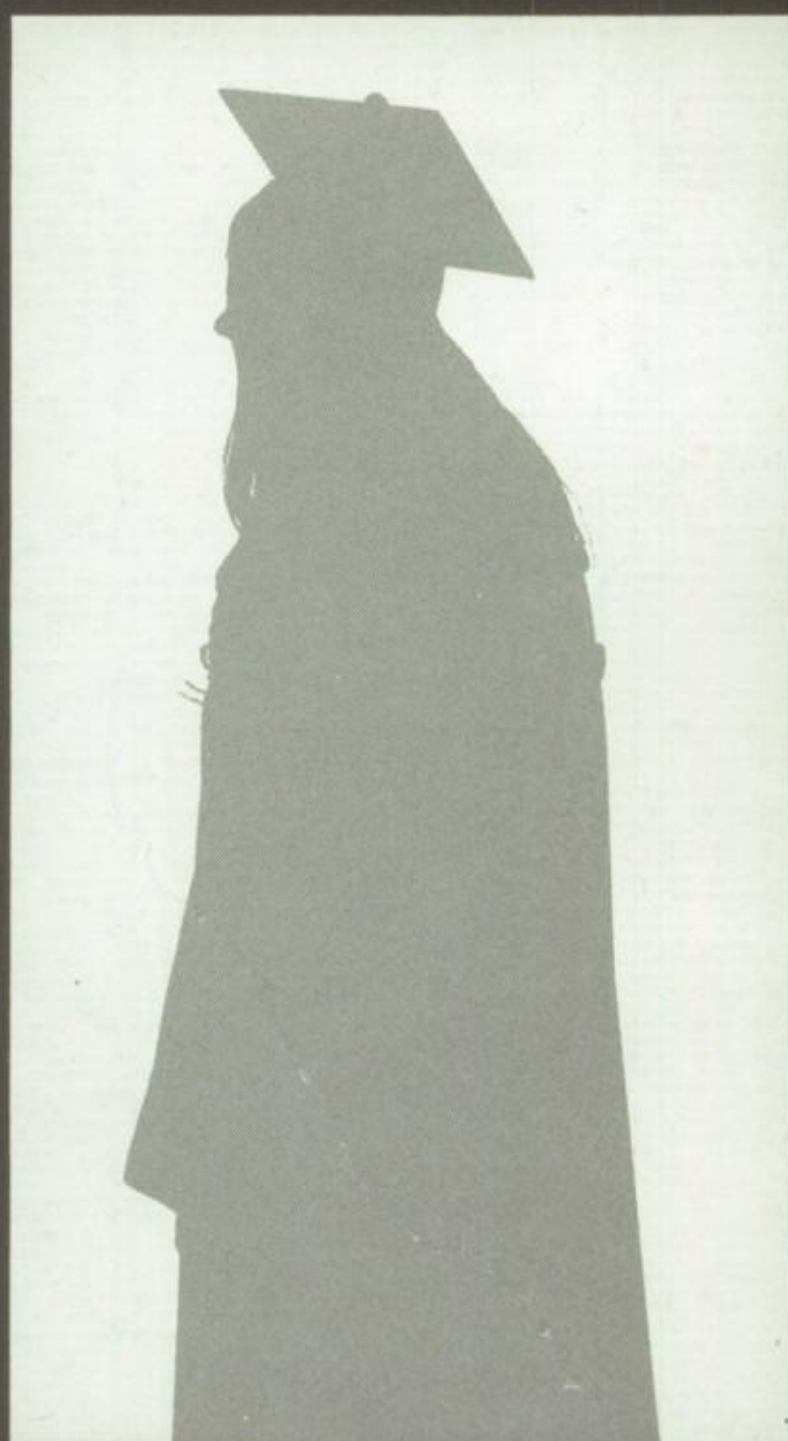

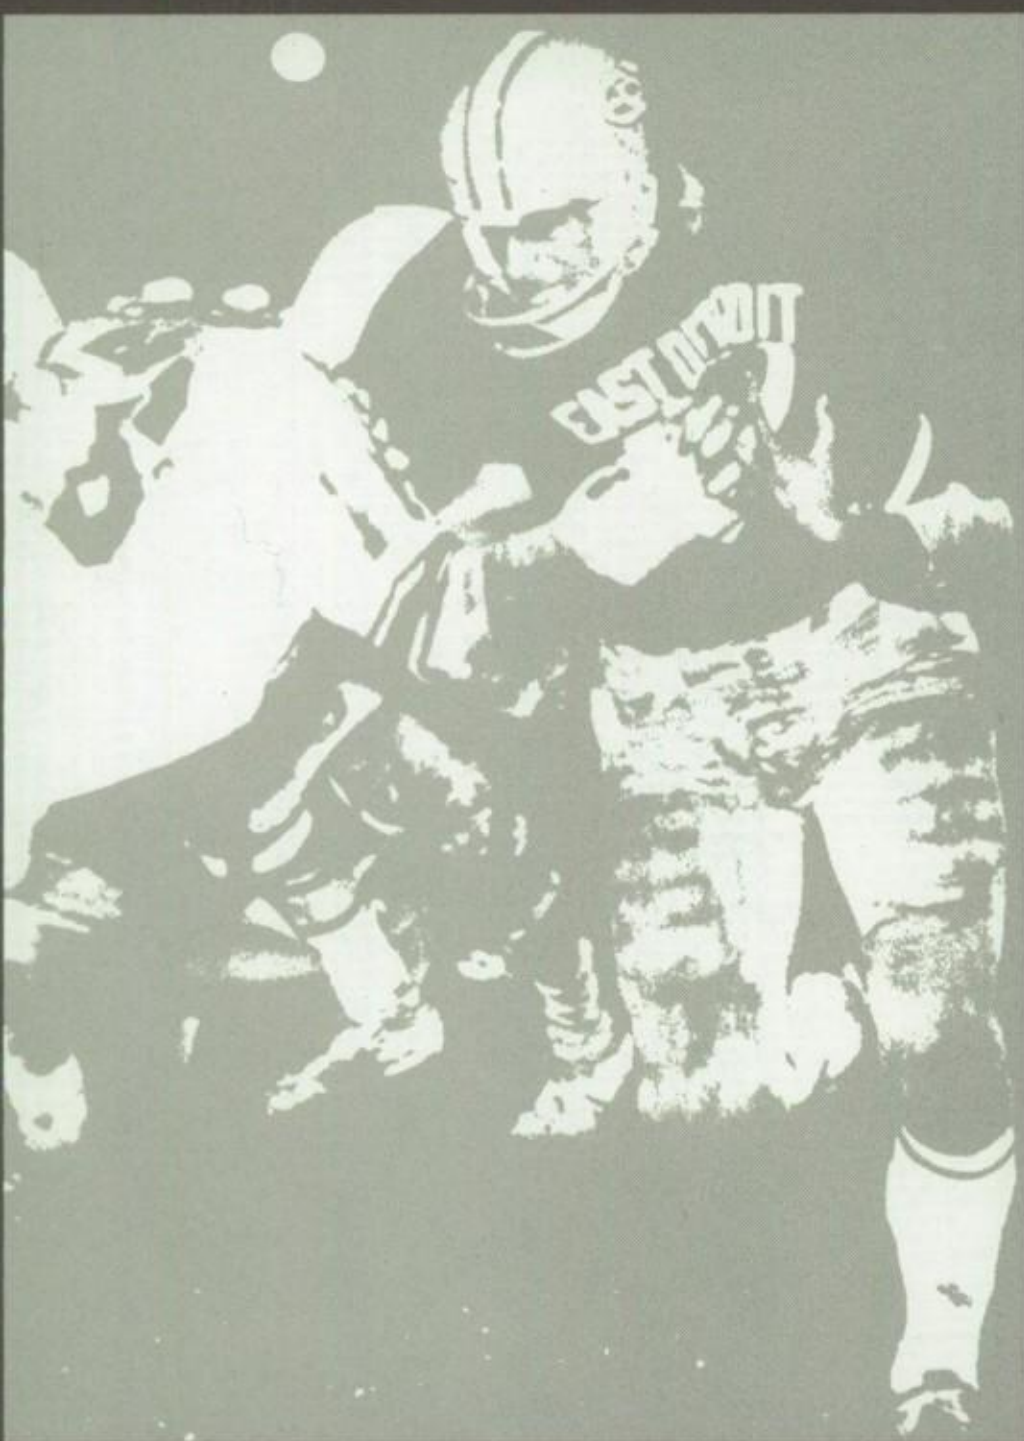

Ann Bignotti and Mrs. Doris Cusmano. Mrs. Carol Reidt, Mrs. Martha Daniels, Mrs. Rose Mancani, Mrs. Kay Hess, Mrs. Lucille Bell, Mrs. Ethel Coltman and Mrs. Shirley Jones, **top row**.

MANNING the Attendance Office, Mrs. Lorraine Dobrzelewski and Mrs. Theresa Smith, left, record student absences. Mrs. Peggy Novak and Mrs. Irene Chase, above left, prepared cafeteria food. Adult Education classes were directed by Mr. Lewis Wetzel, above right. Secretaries, above, handled all student files and office materials: **bottom row**, Mrs. Dolores Holland, Mrs. Carol Warner, Mrs. Judy Blackford, Mrs. Angeline Britt and Mrs. Ellen Fensch; **top row**, Mrs. Frances Vandelinder, Mrs. Bernice Chapman, Mrs. Helen Graves, Mrs. Kathy Zschoche and Mrs. Joyce Cross.

ED CLASS OF '72 RECEIVES CONGRATULATIONS, GOOD LUCK

... From Shamrock Editor ...

To the Senior Class of 1972:

To say good-by is one of the hardest things to do in anyone's lifetime; for good-by implies an end to something. But that is exactly what we are now facing - an end to one part of our lives. Before us lies the future and all it holds for each of us. Seeking out the events of the future is an exciting, yet frightening adventure.

Thinking back on the chapter of our lives that is now closing, we reflect on all that has taken place. How can we ever forget our first day in kindergarten, or the feeling of superiority we shared at being in the sixth grade? Then along came junior high and with it came first dances, changing classes, and a new array of responsibilities. Before we know it high school stood before us with final exams,

the prom, a 19-2 basketball record, study halls, activities, clubs, problems and giant decisions that had to be made.

Yes, a lot has happened throughout the past thirteen years. Yet through it all we've gained one thing that time cannot end - friendship. We have learned to give and receive the warmth of a true friend. Even if we don't remember all our Algebra or who wrote what poem, we will know the value of a 'friend'. The different types of people we've met these past thirteen years are ones that will remain in our memory, for it is these people that made school what it was - not just a place to learn dates and facts but rather a place where we learned the meaning of being social with those we liked and tolerant of those we didn't.

To everyone who has been a part of our lives, we owe a great big thank-you; it is these people that have helped in making us what we are not.

Good-by and good luck in all you attempt.

— Debby Mackin

USE YOUR FORK!

... From '72 Class Sponsors

Congratulations and Sincere Best Wishes to the Senior Class of 1972!

You are beginning a new phase of your life with new challenges and additional responsibilities. We hope the past twelve years have provided you with the education and insight necessary to meet the demands of adult responsibility.

Opportunity to express your values and philosophy awaits you. May each of you use good judgment in all endeavors and make choices that add up to a happy life.

Special thanks to the Senior Officers for their help throughout the year.

Sincerely,

Ronald F. Ruzzin
Jimi Susan Pine

... From School Superintendent

Dear Seniors:

As you approach the completion of your education in the East Detroit schools, we hope you will remember it as time well spent.

We know that in high school a student generally finds what he seeks. If you have diligently sought a good time, it was possible to find both. Hopefully, your educational memories of East Detroit will be treasured as both worthwhile and pleasant.

May I take this opportunity, on behalf of myself and the Board of Education, to wish you every success.

Yours sincerely,

Michael O. Emlaw

Superintendent of Schools

... From ED Principal

Another year has been completed but unlike those before, you will not be returning to E.D.H.S. next September. Rather than say goodbye, let me just say "Good Luck". New challenges and adventures await you as you enter an even more demanding phase of your life. Your last twelve years of schooling have hopefully prepared you to successfully meet these demands. Your hustle and initiative will be key factors, however, in the degree of your success.

Individuals in the Class of '72 have

received public and professional recognition for their outstanding contributions to scholastic endeavors, athletics, music, drama, and literary publications. Each of you has in your own way contributed to the growth of your school and you can be proud of the impressions you have left.

Congratulations on a job well done!

Sincerely,

John W. Sanders,
Principal

HAPPENINGS 1971 - 72

by Carolyn Young

Many activities were held for seniors as well as for juniors and sophomores throughout the 1971-72 school year.

Seniors began the year with the Washington-New York Tour. The trip has been taken by graduating classes in the past and the Class of '72 was no exception. Students left East Detroit on October 3 and returned October 11. The trip was sponsored by Mrs. E. Doster, Miss A. Mualem, and Mr. D. Brooks.

A Fun Fair held by the EDHS bands was held October 16 in the gym. The fair had such features as booths, a white elephant sale, a Moon Walk, and a raffle. The profits from the fair went towards the band's trip to New York and Toronto.

Homecoming 1971 began on October 28 with a Tug-of-War. This was followed by a bonfire on Thursday night, and a Pep Assembly on Friday. The Homecoming Parade and game were Friday night. Sharon Pruett was crowned Homecoming Queen at halftime and East Detroit defeated Port Huron 13-6. After the game a dance was held in the Student Commons and on Saturday night the Homecoming semi-formal was held.

Next, the play "Noah" was presented November 18 and 19 in the auditorium, by the Pit and Balcony Drama Club. The main roles included Noah, played by Rick Waitz; Noah's wife, Kim Cruchon; Shem, Jim Jarvi; Norma, Margaret Quigg; Sella, Candy Litz; Jaffet, Paul Slabough; and Ada, Cheryl Meyers.

The Christmas Formal, sponsored by the Office Co-op Club, was held December 26 at Imperial Hall. Entertainment

N.Y., Washington Tour Destination

by Marsha Harp

"The students had a very enjoyable trip as well as an educational one. We all had a real good time," was Miss Alice Mualem's comment when asked how she felt about the Senior trip to Washington and New York.

Forty-five students and three chaperones, Mrs. Ella Doster, Miss Alice Mualem, Mr. David Brooks, and Mr. Dely, tour director, packed up and left for Washington Sunday evening, October 3 and arrived there Monday morning.

While in Washington they visited the Capitol Building, FBI Building, Mt. Vernon, Smithsonian Institute, Williamsburg Virginia, and the Jefferson Memorial.

The students then left on Wednesday for New York. While there they went to the Broadway stage play "Fiddler on the Roof." They visited the Statue of Liberty, went to a discotheque in Radio City and the New York Stock Exchange Building.

They left New York on Friday, and arrived in East Detroit on Saturday morning.

was provided by the "Continental's" for the formal dinner-dance.

Cover-girl campaigning began February 24. Jennifer Roselle was announced as Cover Girl on February 25. Other seniors running for Cover Girl were Cindy Algueseva, Connie Babinchek, and Robyn Jones.

This year's Senior Day was February 25. It was highlighted by the crowning of Cover Girl at the Senior Assembly. A reception for seniors only was held after the assembly. Xandu provided the entertainment and punch and cookies were served at the reception.

"Miracle Worker" was presented March 2, 3, and 4, in the auditorium. The part of Helen Keller was played by Kathy Ginnel, and Debbie Kern portrayed Anne Sullivan. Mr. and Mrs. Keller were played by Nick Stefani and Kim Cruchon. Robin Buskirk portrayed Aunt Ev. Other parts in the play were Percy, played by Paul Slabough; Martha by, JoAnn Brauer; James by Mark Ventimiglio; Anagnos, by Bob Gray; Viney by Mary Bennett; and the doctor by Paul Slabough.

The annual Cinderella Ball was held

1972 Cover Girl Jennifer Roselle

by Kathy Marrocco

"This is the first time that any band girl has been chosen Cover Girl and naturally we're all quite proud of her. Jennifer is really a sweet girl and we feel that she is well deserving of her title," stated Jim Rehahn, band member and Jennifer's campaign manager.

Jennifer was crowned Cover Girl at the Senior Day assembly by Bruce Bissonnette, sports editor of the Shamrock. She received a dozen red roses and a sash stating her title.

The purpose of the Cover Girl contest, which ran from February 17 through 24, was to raise money to publish this magazine. Four girls from each class were chosen by the Shamrock staff to compete for the Cover Girl title. Each contestant was allowed three canisters to circulate throughout the school. The girl collecting the most money at the end of the six days was to be named Cover Girl.

The money collected was turned in to the Shamrock office, and then taken to Mrs. Graves, who counted it. So as to insure maximum security, the individual totals were given to no one.

The remaining eleven contestants were, seniors, Cindy Algueseva, Connie Babinchek, and Robyn Jones; Juniors, Heather Deagle, JoAnn LaRosa, LeeAnn Rowland and Debbie Vitale, and Sophomores, Karen Becroft, Lianne Gnesda, Vicky Marasco and Kathy Webb. Jennifer became the second senior in the history of Cover Girl to win.

March 18 at Athena Hall. The theme of the Ball was "Legends, Leprechauns, and Lace".

On April 20, 21, and 22, Shenanigans 1972 was presented. This year's show was entitled "Vaudeville Today". Some of the highlights of the show were "We've Only Just Begun", sung by Ken Woods, "The Operator", done by Eileen Rowley, and "Snow White and the Seven Dwarfs", done by members of the faculty.

The end of the year is given to seniors for their own activities. This year's senior class, led by president John Gromosiak; vice president, Ken Woods; secretary, Marianne Caras; and treasurer, Carolyn Westveer; started graduation activities with a Picture Party on March 12. This was followed by the Baccalaureate and Honors Assembly on June 4. Cap and Gown Day will be June 8. Seniors will also receive their yearbooks and Senior Magazines during this week. That night the Senior Prom will be held at the Hill Crest Country Club at 8:00 pm. Tickets cost \$7.00 a couple. Commencement will be held June 11 at Cobo Hall, followed by the All Night Party at EDHS.

The senior sponsors for the Class of '72 are Mrs. Jimi Sue Pine, and Mr. Ron Ruzzin. The class flower is the white rose, and the class motto is "Not everything that is faced can be changed; but nothing can be changed until it is faced." The class banner was designed by Tom Romeo.

DRAMA CLUB: LOTS OF WORK, BUT YEAR'S PRODUCTIONS TOP QUALITY

by Carol Krajewski

Movement exercises, late night rehearsals, costume fittings, trying to get everything done in time for the set date of opening night, the hoping and praying that the cast and crew will be able to fulfill the publicized promises that have been made to the people...

All of these fun, but hardworking activities and worries accompany the performances made by the Pit and Balcony Drama Club. But in spite of them all, opening nights proved successful and the many promises were fulfilled. For the Drama Club, the '71-'72 school year turned out to be a great one.

The club, sponsored by Mr. Raymond Beard with Rick Waitz as President, Angela Capaldi as Vice-President, Kim Cruchon as Secretary, Paulette Ziomek as Treasurer, and Ken Nichols as Parliamentarian, started the year off with a candy sale in late October with the hopes of raising money for future plays. Their plan worked and on November 18 and 19 the play, "Noah", directed by Mr. Beard and student-directed by Ken Nichols, was presented with Rick Waitz starring as Noah.

Rick has been involved with the Drama Club for all of the three years he has attended EDHS. In his sophomore year he played the part of Walter Mitty in "Thurber Carnival" and Georgie Porgie in "Our Town". "Insect Comedy" and "Blithe Spirit" brought Rick the major roles of Felix the Butterfly and Charles Condomine, respectively, in his junior year. And finally as a senior he did a great job of portraying Noah in "Noah" and James Keller in "The Miracle Worker".

Besides acting, Rick also worked on many of the crews in all of the six plays mentioned above, is a member of the International Thespian Society, and was the president of the Pit and Balcony Drama Club this year.

He took the classes General Drama and Acting for Stage and Screen while in high school and hopes to attend Eastern Michigan University for a career in either acting or public accounting.

Ken Nichols, the student director of "Noah", is also a member of the International Thespian Society and was Parliamentarian of the Drama Club. He worked on a variety of crews during the plays; publicity, make-up, and posters being only a few. During his schooling he has had the classes of General Drama, Acting for Stage and Screen, and Costume Design.

Next on the Club's agenda was the December performance of "Mugsy's Merry Christmas" to the children of the elementary schools in our district. This was closely followed by the Thespian Initiation Ceremony which was held in the auditorium on January 6.

Then, on March 2, 3, and 4, "The Miracle Worker", directed by Mr. Beard and student directed by Cheryl Mull, junior, was presented, with Debbie Kern, senior, and Kathy Ginnel, junior, starring as Annie Sullivan and Helen Keller, respectively. The superb directing, acting, and technical work in the play brought in much publicity and money for the club.

Debbie Kern has appeared in two plays in the years that she has attended EDHS. She portrayed the part of Mrs. Mitty and was in a pet shop skit in "Thurber Carnival", plus the major role of Annie Sullivan mentioned above. Debbie took the General Drama class taught by Mr. Beard and was also House Manager for "Noah".

Throughout both of the plays this year the technical crews have worked very hard and have done outstanding jobs with little or no recognition from the papers. The one senior that did about the most crew work and who deserves a lot of credit is Bob Gray.

Bob, an International Thespian Society member, was Stage Manager for both "Noah" and "The Miracle Worker", and did excellent work on the construction, prop, poster, painting, and lighting crews, just to name a few. Besides all of this, he appeared in "Our Town", "Title 1",

and as Dr. Anagnos in "The Miracle Worker".

Set Design and Lighting, Costume Design and Make-up, and Acting for Stage and Screen were among Bob's classes. As for the future, he looks forward to a career as a printer.

The 1972 State Thespian Conference was held April 14 and 15 at Wayne State University. Attending from our school were Mr. Beard, and Bob Gray. Juniors Kim Cruchon and Karen Lang were also chosen to represent EDHS at the conference. Of the hundreds of Michigan students attending the conference, Kim was chosen to be our zone representative.

May 17 marked the date for the spring Thespian Initiations, where the Thespians of the Year were announced to be Rick Waitz and Kim Cruchon. The annual trip to Stratford followed on May 20. And the Pit and Balcony Drama Club ended the year with the Thespian Banquet, May 25, at Sheppard's Inn.

When asked how he felt about this year's club and its activities, Mr. Beard commented, "I concur with Mr. John Sanders when he says, 'Lethargic, uninterested, and talentless people are not found in the Pit and Balcony Drama Club.'" As for next year, Mr. Beard is "looking for a bigger and better" one.

GAIL THOMAS

Ten students have earned the honor of being selected to the 1972 EDHS Hall of Fame. The students selected were chosen by a teacher-counselor committee. The counselors nominated students and the teachers were asked to select 10 seniors, 5 boys and 5 girls, who they felt deserved the honor.

Selection for the Hall of Fame was determined by the contribution he or she made to the Class of '72 through exceptional academic achievement, leadership, involvement in clubs and extra-curricular activities, individual initiative, or athletics.

This is the first year this system has been used. It has been changed from the Shamrock staff selecting for the purpose of making the final choice as impartial as possible.

Students receiving Hall of Fame Honorable Mention are: Mary Bennet, Bruce Bissonnette, Angela Capaldi, Elyse Chynoweth, Roy Cole, Mary Cunningham, Steve Domanik, Janice Earl, Kathy Felcyn, Joan Fuhrman, William Givinsky, Rosanne Guarieri, Ron Hoerberling, Shirley Johnson, Carol Koczat, Kevin Krass, Dan Laethem, Crystal Mabery, Debby Mackin, Zaido Maio, Chris Marasco, Mike Mayse, Jerry Morawski, Emily Moskaluk, Ken Nichols, Jim Oloff, Steve Paternoster, Kathy Perreman, Debbie Pietron, Debbie Politowski, Mike Rable, Cathy Schulz, Patty Schultz, Don Speed, Lori Tabbert, Ginger Terchenok, Rosanne Valitutti, and Carol Westveer.

A Senior's Thoughts

Go placidly amid the noise and haste and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant: they, too, have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself to others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of the spirit to shield you in sudden misfortune. But do not distress yourself with your imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with you soul.

With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

"Desiderata" was written in 1625. The words are pure, wise, simple, beautiful, and my wish for my fellow graduates. Thank you for all your smiles, the good times, and your friendliness; the memories of them will stay with me. Our lives are just beginning; don't ever be afraid of challenges that must be faced or let life defeat you. Thank you all for what these three years have been to me, and good luck in what the next years will be to you.

'72 East Detroiter Distributed Tomorrow

by Carolyn Young

June is a great month for students and teachers. Besides getting out of school our EDHS Yearbook is distributed.

The "72" EDHS Yearbook will be distributed on June 6. Past winner of a Medalist (A-plus) award, it is a diary of all the great happenings in our school.

Our hardworking senior staff members are Jan Earl, Editor-in-Chief; Emily Moskaluk, Senior Editor; Sue Zaun, Associate Editor; Carol Koczat, Student Life Editor; Don Mozdzen, Sports Editor.

Mrs. Mary Sherer's first year as advisor brought many new ideas.

Organizing a yearbook staff was a problem because of the fact there was no law designated for a yearbook, but through it all the book was put together by a small group of hardworking people.

Thank you to all the members of the yearbook staff for putting together the memories of our school year!

NOW CAN YOU HEAR ME, MR. BEARD?

To what awaits me
outside my castle walls?
will it be sweet
and flow like honey on a spoon,
easy and smooth?
Rough and difficult to be
and
will i be ready
will i be willing.
will i draw down my bridge
and accept the enemy
and fight
and claw
and wallow in the slime
become, just another.
i will be a bird--
not of the sky.
a fish -
but not of the water.
hopefully a man

- and nothing more.

"LA VIE JOLIE" SPELLED OUT BY HOMECOMING FESTIVITIES

by Cheryl Humes

"La Vie Jolie" Homecoming 1971 can be summed up in one word "SUCCESS"! A week long program which included a variety of activities contributed to the success of Homecoming '71.

The week began with a 2 hour Tug-of-War held at EDHS, Wednesday, October 27. Later that night a bonfire was held at Kennedy Park. The cheerleaders and EDHS band led the pep rally around the bonfire. A great number of students participated in the days activities, thanks to Debbie Francassa, chairman of Homecoming Week Activities Committee.

Thursday a Homecoming Pep Assembly was held during 4th hour in honor of both the Homecoming Court and football team. The job was planned by Kathy Marrocco assisted by John Gromosiak class president, and Jerry Morawski, Student Assembly President.

Friday night, our 1971 Homecoming Parade assembled at Linwood, and traveled down Grove to Memorial Field where our Homecoming game was held. EDHS Varsity cheerleaders presented a pre-game show. A lot of hard work was contributed by Crys Mabery and Robin Jones, head of the Float Construction Committee. Many clubs members and students helped make this a successful parade.

Halftime, one of the greatest highlights of Homecoming, was an unforgettable day for all especially for Miss Sharon Pruett, crowned 1971 Homecoming Queen. Sharing her happiness

with her was a proud court of Seniors: Connie Babinchek, Debbie Gafke, Zaido Maio, Colette Marchionini and Debbie Pietron.

Debby Mackin and her committee members did a wonderful job of setting up the halftime program. The Shamrock Marching Band presented a 10 minute program entitled, "Do Your Own Thing". Other highlights of halftime was the presentation of Floats. The Seniors won

the class float competition with the Out of Doors Club for best club float, and Drama Club Car, for best car float.

The Shamrock football team had a tremendous 27 to 6 victory over Port Huron Northern a successful game to go along with our Homecoming Day.

The closing up of Homecoming '71, a semi-formal dance was held for all students. "La Vie Jolie" was the theme of the dance in the new cafeteria.

SHARON PRUETT, ESCORTED BY BRAD THOMPSON, LEARNS OF HER NEW TITLE.

Math Test Winners Bring Honor To ED

by Carol Krajewski

On October 20 the wheels were turning inside the minds of approximately 140 ED students as they tried to answer correctly the forty multiple choice questions of Part 1 of the Michigan Math Prize Competition Test. If they scored in the top four percent of the students in the state, they were eligible to take Part 2 of the test, which consisted of six story problems.

Only nine of the 140 taking the test in EDHS qualified for the second part. They were Dan Picklo, sophomore; Sam Maggetti, Peter Jost, Bernard Doetzkie, and Thomas Fuhrman, juniors; and Rosalie Bommarito, Don Speed, Doug Timm and Brad Livingston, seniors.

Rose has taken the math classes of Algebra, Geometry, and Algebra III and IV. She is thinking of being an accountant and attending South Macomb Community College.

With the plans of going to M.S.U. for the requirements needed for a math major, Don Speed successfully completed Algebra, Geometry, Algebra III and IV, Math

Analysis, Independent Math Study, and Computer Programming.

Also completing the subjects of Algebra, Geometry, Algebra III and IV, and Math Analysis, Doug Timm has Michigan Technological University in mind for his career as a mechanical engineer.

Last, but certainly not least, is Brad Livingston. Algebra, Geometry, Algebra III and IV, and Math Analysis, gave Brad his insight into math. With this knowledge he has enrolled at the University of Michigan where he'll study engineering.

Of these students, together with those from other Michigan schools who took Part 2, only the top 100 in the state were given the opportunity to go to a banquet held at the Kellogg Center on the Michigan State University campus February 26.

Brad Livingston ranked 20th in the top 100, receiving a silver medal and a \$200 scholarship at the banquet for finishing in the top twenty. Accompanying Brad to the banquet were Mr. John Radke and Mr. Alvin Rader.

SENIOR SPIRITS ROSE AS "OUR SHAMROCKS" WON THE FLOAT AWARD.

Zaun, Livingston Capture Top Honors

"I was shocked! I really didn't believe I ranked that highly!" exclaimed Sue Zaun, Valedictorian of East Detroit's 1972 Senior Class.

Musicians Typify Band's Excellence

by Carolyn Young

This year's band was helped out by two outstanding seniors: Dennis Gac and Sue Lazar. Both have been in the band for the three years they have attended EDHS.

Dennis plays the oboe and the clarinet and has won many honors with both. The years of 1966-68 brought him superior ratings with his clarinet. In 1968 he took music theory at Wayne State and he also played in the Wayne State University summer band.

In 1969 he played in the Detroit Metropolitan Orchestra and 1970-72 he received superior ratings in the district and state festivals (1970-86%, 1971-99%, 1972-97%). He was a semi-finalist in the Michigan Youth Arts Festival at Interlochen in 1971 and 1972. He was also a guest soloist at the Mt. Clemens Civic Choir.

Dennis played in the Michigan State Fair Honors Band in 1971 and in 1972, played solo oboe in the Grosse Pointe Symphony Orchestra.

Dennis has also played 2nd oboe in the Detroit Symphony Orchestra and has studied with Arno Mariotti, who plays 1st oboe in the Detroit Symphony Orchestra.

Dennis will be attending the University of Michigan when he graduates and will major in music education.

Sue Lazar also plays two instruments; the flute, and the string bass. She played the flute two years in Wind Ensemble and one year in Symphony Band. She played

Sue attained this honor by maintaining a 3.94 scholastic average throughout her high school career. Activities related to the "East Detroiter" have kept her busy at ED, serving on the '71 staff as Junior Editor and Associate Editor of the '72 publication. Other activities have included the Ecology Club and Shenanigans '72.

Sue has also worked in Title I, East Detroit Public School's remedial reading program, and acted as student director for "Land of the Dragon," a play produced under its auspices.

In addition to her school-related activities, Sue teaches catechism to third grade students and plays the organ at St. Basil's Church, and was a member of the East Detroit Youth Committee. Last summer she worked in an office at Air-Tec Metal Products.

Algebra and Public Speaking have been Sue's two favorite classes while at ED. "Public speaking gave me confidence through speaking," she explained.

Studies at Eastern Michigan University await Sue after graduation, and she has received an E.M.U. President's Scholarship and State of Michigan Competitive Scholarship. Special education is her planned major. Other awards she has received are National Honor Society and Phi Beta Kappa memberships.

Brad Livingston's 3.9 scholastic average has earned him salutatory graduating honors.

Participation in Student Assembly, Varsity Club, Cross-Country, Track, Junior Varsity Basketball, and National Honor Society have been among Brad's interests during his high school years. During the summer he works for the East

Brad will be attending the University of Michigan on a National Merit Scholarship in the fall, and will be following an engineering curriculum. In addition, he has received a scholarship for his achievement on the Michigan Mathematics Prize Competition Test and Phi Beta Kappa membership.

Sue and Brad will be delivering speeches at Commencement ceremonies Sunday night, and the Shamrock staff wishes them continued success.

Six Honored By Phi Beta Kappa

by Ken Davies

"It's a tremendous honor that the students have earned, it's no easy task. They're to be commended for their hard work and success," commented Mr. John Sanders, Principal.

This year there are six Phi Beta Kappa winners at EDHS. To earn this honor a student must have maintained a 3.7 or above grade average during grades 10, 11, and 12.

Students achieving the Phi Beta Kappa rating this year are Jan Earl, Brad Livingston, Kerry Russo, Doug Templeton, Gail Thomas, and Sue Zaun. These students, their parents, and school representative, Mr. William Webb, attended the Detroit Area Association of Phi Beta Kappa's Twenty-Fourth Annual Honors Convocation held May 8 in the Ford Auditorium. Speaking at the convocation was Dr. David D. O'Dowd, President of Oakland University. Entertainment was provided by the Wayne State University Symphonic Band, under the direction of Harold Arnoldi.

Do You Remember When...?

by Monica Allen

It's here. Thirteen years of seemingly endless, restless waiting, and graduation is thrown before you. School day memories consist of so much more than the football game where you cried (or laughed) when your team lost. Remember how in second grade when your teacher asked if your class wanted homework, everyone jumped at the chance? You learned then that too much of a 'supposedly' good thing can be bad for you. How about the times you used to run around pulling up little girl's dresses saying "Dress up Day!" Now such an act surely wouldn't be interpreted as that.

There was a time when the word "Beatles" was spoken one visualized raging teenyboppers screaming at four Liverpool chaps with ridiculously long hair. Nowadays the way to get a little girl in hysterics is to mention David Cassidy. And the old Beatles' hair would appear to be ridiculously short compared to haircuts now.

Remember when the miniskirts first came into being? The older generation went into shock and swore it would be nothing more than a passing fad. (The males went into shock, too, but for a different reason.) Now one isn't surprised to see Granny Goodwitch in a miniskirt, or even the little old lady from Pasadena.

I can remember when I was in seventh grade the 'in' thing was to call everyone a maggot. (You MUST be kidding.)

When the word 'Hippie' was first uttered, people thought of Timothy Learys and Flower Children floating around with flowers in their hair, smoking banana peels soaked in LSD, making love in-

stead of war, (while chanting "flower power"), and clouding up Haight-Ashbury with marijuana smoke, while crying for the soul of Maynard G. Krebs.

How about the Name Game? Let's do Sally! Sally Sally bo Bally, Banana Fanna fo Fally, fi fy mo Mally, Sally! (A little trick with Nick!)

When all the hard-rock acid-rock psychedelic underground newspapers and FM stations came out, parents prayed for the soul of their LSD deformed grandchildren, expecting the acid waves to come over the airwaves and send their unsuspecting children on 'bad trips'.

Remember when you were so proud because you were the first on your block to own a real live pair of go-go boots?

And later on you were first to show up at the junior high Activity Night with your very own sparkly sequined Nehru?

How about when you won the contest for having the most Monkee cards and albums?

Remember how jealous you were of the National Hooola-Hoop Champion on TV, the one with a hundred and four schoop-schoop hooola-hoops encircling her body while singing a symphonized chorus of "I'm In the Mood for Love?"

And you thought the only thing you'd be telling your grandchildren was about the time you got caught smoking a joint in the lav....

Now, enter the big world into the age of majority, (remember--that brings the over-the-hill age down to 27, I guess...) Practice what you've been preaching--do your thing, and find yourself ending up part of the conformist rat-race you said you'd never become a part of.

BALLET PRACTICE NOW!!?

Four Rank As Merit Scholars

by Gail Thomas

Individual members of the Class of '72 have brought many honors to their class and EDHS, and not to be forgotten are ED's four National Merit Scholarship winners - Dave Hartter, Brad Livingston, Don Speed, and Doug Templeton.

In February 1971, the National Merit Scholarship Qualifying Test was administered at ED and throughout the nation. From this group of more than 655,000 students, approximately 15,000 Semifinalists were selected on the basis of test achievement. Semifinalists advanced to Finalist standing by receiving the endorsement of their school, performance on a second test, and providing information about their achievements and interests.

Each of ED's four Merit Scholars will be attending various Michigan universities next year on Merit scholarships.

Among Brad Livingston's plans is an engineering major at the University of Michigan. Brad has been active in Cross-Country, Track, J.V. Basketball, Varsity Club, National Honor Society, and Student Assembly at ED, and has received a Michigan Mathematics Prize Competition Test Scholarship and Phi Beta Kappa membership.

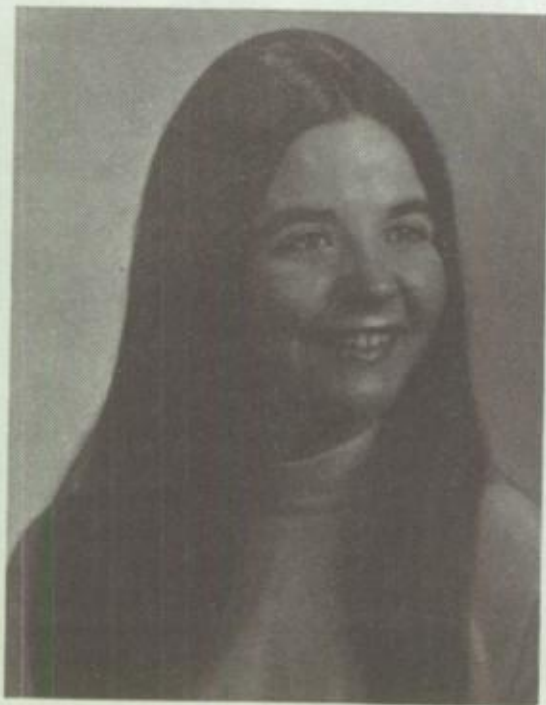

Don Speed would like a career in the mathematics field after studies at Michigan State University. He is also the Computer Math Club secretary and a Michigan Mathematics Prize Test Semifinalist.

Doug Templeton will also be attending Michigan State University in the fall, following a curriculum leading to a degree in electrical engineering. A three year member of the swim team, Doug has also participated in AAU Swim Club, National Honor Society, Engineering Club and Varsity Club, and is a Phi Beta Kappa member.

Studies in pharmacology at Wayne State University will soon begin.

Marrocco Wins Good Citizen Award

by Cheryl Humes

There is only one with the characteristics of dependability, service, leadership, and patriotism. That one is Kathy Marrocco. Kathy was chosen for the Daughter of American Revolution Good Citizen Awards given through the Fort Pontchartrain Chapter of Highland Park.

She received, along with other Good Citizens from different cities, a pin and certificate at the luncheon held in their honor. Present at the luncheon, held during the month of February, was Mrs. Joseph Marrocco and Miss Frances Houston, Daughters of the American Revolution member, which took place at Grosse Pointe War Memorial.

All the city winners later went on to compete for the State Good Citizen Contest. Bonds were provided from the National and State Society.

We were all very proud to honor her, the one that deserved it the most and sure to keep up the good work.

CLUBS ADD TO ED ACTIVITIES

COMPUTER MATH CLUB

"Even though this was the first year for the Computer Math Club, I feel that we had a successful year. We formed the Club, wrote our Constitution, had some good activities, performed a service to the school by operating the lab and seemed to maintain the interest of the members throughout the year." These were the comments of Mr. David Powell, sponsor of the Computer Math Club.

The purpose of the Computer Math Club is to promote interest in Computer programming at EDHS. Club members operate the Computer Laboratory, hear talks and lectures on programming, receive special up-dating information on the system, and have an extra opportunity to use the computer terminals.

Among the club's members Senior Jim Rowe, contributed much to the success of the club. He studied Fortran IV, and wrote programs for the central office on the Delinquent Tax Distribution, and a program to rank the senior honor points for the school.

This year's activities included a field trip to Macomb Intermediate School District Computer Center. They also heard Professor Howe, Chairman of Aerospace Engineering Department at the University of Michigan, on "Dynamic Computer Systems".

This year's officers were: President, Jim Rarus, 11; Vice President, John Boyda, 11; Secretary, Don Speed, 12; Treasurer, Jim Rowe, 12.

SOCIAL STUDIES CLUB

One of the activities of this year's Social Studies Club was an Easter party for the children at the Sarah Fisher Home. Their main purpose is to give service to the community and the needy.

This year's officers were; Gloria Greenwood, President & Treasurer, 12; Ellen Bungard, Secretary, 11.

Mrs. Janet Blyler, sponsor, had this comment about this year's club, "We didn't start until second semester. The members were interested and involved, but we had a difficult time in getting contact with people who needed or wanted our services."

BOY'S BOWLING

Due to the hour change this school year, the Boys Bowling League lacked one vital asset--sophomore participation. However, the seniors filled the role and dominated the league.

Doug Skope had the league high average at 176 and also the individual high series at 663. The individual high single was a 259 performance by Dennis Casandria. Other outstanding seniors included Mike Schnable with a 175 average, Rick Miller at 173 and Gary Knuckey at 162.

by Linda Huddleston & Dave Montgomery

VARSITY CLUB

"The club had a successful year in both fund raising and membership," was the remark made by Mr. Robert Friedland, sponsor of the Varsity Club.

This year's highlight was selling refreshments and programs to raise money for the weight machine, and the pool record board.

The purpose of the club is to establish unity and identification for athletes, and to assist them in their continuing education.

This year's officers were: President, Brad Thompson, 12; Norm LeBlanc, Vice President, 12; Secretary, Sam Delia, 12; Treasurer, Steve Becroft, 12; Sergeant-at-Arms, Bill Stump.

OUT-OF-DOORS CLUB

To take an active part in appreciation and interest in the out-of-doors, is the main idea behind the Out-of-Doors Club.

This year's outstanding members were three seniors, Chris Surmacz, Appalachian "Super" Hiker, Cliff Black, "Super" Attitude, and Nancy Haag, "Super" Cook and Personality.

This year's field trips included Grand Bend, Rifle River, West Branch-winter camp-out, Appalachian Trail-Smoky Mountain National Park, Survival trip, plus various hikes and conditioning activities.

"It was a great year overall, but I was very impressed with the way all of the students conducted themselves on the Appalachian trip," was the comment of Mr. John T. DeGutis, sponsor.

COACH CLARK ONLY EXPECTS US TO WALK ON THE WATER.

FORENSIC CLUB

"This year is the best ED has seen for Forensic competition. Over fifty students were involved in the various areas of public speaking," explained Forensic Club sponsor, Mrs. Joan Bouts.

This year members of the club participated in a variety of contests and tournaments. Excellent results were earned in the District Forensic Tournament, Regional Forensic Tournament and the State Forensic Tournament. "We had the strongest showing at our district competition-one of the largest groups entered and over 90% of our competitors made it through elimination rounds and into the finals. In district competition we captured five of fourteen awards-more than our share with eight schools competing," said Mrs. Bouts.

Other activities that the Forensic Club took part in are the Ann Arbor Pioneer High School Invitational Forensic Tournament and the local and district one act play contests. "In the one act play contest, David Osborn received an excellence in acting award," answered Mrs. Bouts.

Some of the outstanding seniors in the Forensic Club this year were Rick Waitz, with a performance in the multiple reading "Noah"; Marianne Caras, Donna Braun, Carol Dippel, Len Sorenson and Joe Resk.

"In the future we hope to establish a Readers Theatre group which will function throughout the school year."

"The purpose of our club is to provide individual and group training and experience in many areas of public speaking and oral interpretation of literature," stated Mrs. Bouts.

GAA

"Girls Athletics are coming on strong at EDHS. Participation has increased and our teams have been very successful this year," commented Mrs. Mary Bommarito, GAA (Girls Athletic Association) sponsor.

This year the Inter-Scholastic Badminton team finished the season as Junior Varsity champions for singles and doubles. The Junior Varsity Volleyball team was also the league champions.

The GAA consists of a variety of sports. In addition to badminton and volleyball, the club includes an E.M.L. camp, basketball clinic, swimming clinic, intramural volleyball, intramural softball, intramural track, and intramural swimming in its program.

Heading the list of outstanding athletics in the club are Debbie Polittowski and Sandy Berger.

The general purpose of the club is "to promote girls athletics."

Students Profit Through Co-ops

NURSES'S CO-OP

"The general purpose of the Future Nurses Club is to inform members of the types of nursing available and schools available," replied Mrs. Ruth Semrau, club sponsor.

The Future Nurses Club planned a variety of outings this year. Club members took a trip to Harper Hospital "Open House" where they observed nursing techniques.

During the year students from four-year degree nursing, two-year associate nursing, and one-year practical nursing talked to the club.

Students on Nurses Co-op periodically informed the members of their hospital activities.

The Future Nurses Club had a candy sale before Valentine's Day, which was very successful. The proceeds from the sale paid for a banquet May 10, 1972. Nurses' caps were presented to all senior members at the banquet.

This year "the club had it's largest membership with 55 students," responded Mrs. Semrau.

Through the efforts of Karen Watchowski, President; Grace Palazzola, Secretary; Denise Hardy, Treasurer; and Nancy Hourilla, Vice President; the year was a success.

DISTRIBUTIVE EDUCATION CLUB

Our aim is to "back up the Distributive Education program and to help the students on co-op," replied Mr. Marum Mualem.

The Distributive Education Club attended the Regional Leadership Conference at Stevenson High and the State Leadership Conference at Grand Rapids this year.

Winners at the state leadership conference were Dave Killoran - 1st place for public speaking, Kim Haywood - 2nd place, sales demonstration; Luanne Nichols - 3rd place, customer survey; and Sandy Dueke - 4th place, letter of application.

The club sponsored a candy sale last fall and a car wash this spring.

The officers this year were Kim Haywood, President; Debra Giacalone, Vice President; Paulette Ziomek, Secretary; and Sandy Dueke, Treasurer.

USHERS CLUB

"The members have been very cooperative and interested in the club activities. I feel they have done a good job ushering this year," was the comment of Miss Frances Houston, sponsor of the Ushers Club.

The activities included a car in the Homecoming parade and a candy sale. Their purpose is to usher at all school

programs, such as drama plays, band concerts, and choir concerts.

This year's officers are: President, Paula Rocco, 12; Vice President, Grace Palazzola, 12; Treasurer, Karen Watchowski, 12; Secretary, Theresa Achon, 11.

THE DEBATE CLUB

"The squad of nine were all novice debaters with the exception of one returning junior. These debaters did an outstanding job against experienced teams," declared Mrs. Cynthia Haas, Debate Club sponsor.

The Debate Club represents EDHS in the Michigan High School Forensic Association. The club also debated in the Middle Macomb Debate League and the Shamrock League.

James Rowe, senior, received the speaker of the year award for his contribution to the affirmative team.

The club also attended the Novice Tournament at Ferris State College this year.

"With the only one member graduating, next year's team should be very strong," replied Mrs. Haas.

Shamettes Add Feminine Touch

by Bruce Bissonnette

This year's home basketball season was brightened by a new addition to the halftime show, the Shamettes.

These 18 girls danced to various songs with routines that they designed.

Four Seniors were on the squad, Connie Babinchak, Debbie Fracassa, Laurie Titsworth and Donna Young. Connie and Laurie also made up two-thirds of the tri-captain team. Here are the girls thoughts of the past season and some of their future plans:

"I decided to become a Shamette because I enjoy dancing very much and one of my ambitions is to be a professional dancer," stated Connie.

"I thought it would be very interesting to perform in front of a crowd and besides that, I love to dance," reflected Debbie.

The girls' two favorite routines during the year were 'Where Did Our Love Go?' and '25 or 6 to 4'.

The girls future plans vary greatly, "I plan to enroll in modeling school and study dancing in the hope of becoming a dancer," commented Connie.

"I'm going to Lake Superior State College to take up Liberal Arts. My ambition is to become a counselor," stated Debbie.

"I'll be attending Macomb to study data processing," said Donna, while Laurie will be attending North Central College in Petosky, Michigan.

We wish all these girls the best of luck in the future and the hope of a fine life where ever they go.

Officers Evaluate Student Assembly

by Kathy Marrocco

"Thanks a lot to those of you who made the Student Assembly a beneficial organization," was the reply of Jerry Morawski, president, when asked if there was anything he'd like to say to the EDHS student body. When Jerry leaves ED he plans to attend Macomb County Community College South Campus. Jerry, who worked on almost all of the Assembly-orientated projects, said that he would always remember the ED students and the activities that the Assembly sponsored. One of his biggest hopes for next year's officers is that this year's members who showed no enthusiasm or energy do the officers a favor by not running next year.

Crystal Mabery, 1st vice president of the Assembly, has been active in a number of clubs and organizations while at ED. Included in these activities are Concert Choir, Sophomore Class Treasurer, Jr. Student Assembly Caucus member, National Honor Society and Shenanigans. Next year Crys will attend Michigan State University where she will major in nursing and having a good time. She felt that everything the Assembly did was a high spot, especially the way in which the Assembly worked with the Administration this year as opposed to other years. Crys feels that her biggest accomplishment as an officer occurred when the Dress Code committee, headed by her, broke through and established a new code.

"It was a lot of work and it took a lot of time--but in the end I guess it was all worth it," was Kathy Marrocco, 2nd vice president's reply when asked if she enjoyed being an officer. Kathy has been involved in a number of activities during her stay at EDHS. Included in these are Sophomore Student Council Rep., Jr. Class Treasurer, Yearbook salesman, Shamrock newspaper staff, Shenanigans, and National Honor Society. She was selected to receive the D.A.R. Good Citizen's Award for the city of East Detroit. In the fall Kathy

STUDENT ASSEMBLY OFFICERS & SPONSORS SPENT MANY HOURS PLANNING ACTIVITIES.

will attend Wayne State University, where she will major in Counseling and Guidance. She will never forget Homecoming and all the kids who worked so hard to make it a success. Her only advice to next year's officers is to be willing to give all your time to Student Assembly--almost all (like I did this year) just isn't enough.

Corresponding secretary Reggie Walsh was one extremely busy corresponding secretary around Homecoming. It was Reggie's job to handle all correspondence for the Assembly all year long; She single-handedly planned the Homecoming tug of war and the bonfire. In the fall she will attend Eastern Michigan University. Included in her activities is extensive work for the Foundation.

Robin Jones, Recording Secretary, was active in the Out of Doors Club, Ski Club, and Pit and Balcony Drama Club while at ED. Also included in her list of activities are Shamrock cartoonist, yearbook salesman and a Cover Girl candidate. "I plan to attend M.S.U. and revolutionize the field of art, raise hell and guess who's coming to dinner," are Robin's plans for September. She believes that the Assembly made a diligent effort to unite students in school and outside activities that concern them. One of her strongest feelings centers around the point that the students at ED must realize that the Assembly

is for each of them--not just a few.

Debby Mackin, treasurer, will attend Central Michigan University. Upon graduation from college she would like to work on a magazine. Shamrock Editor-in-Chief, Shenanigans, and Yearbook salesman are the activities that Debby took part while at ED. Debby will always remember working with the other officers and all the fun that she had while doing things. She felt that the high spots of the year were Homecoming and the Foreign Exchange Student Potluck Dinner. As an officer, she feels that her biggest accomplishment was learning to work with others to put on a number of successful activities.

Sponsors of '72 Production Pleased With Shenanigans

by Debby Mackin

"We were quite pleased with the performance of the entire cast, especially considering the adverse conditions that plagued the show," stated Mr. Arnold Comer, co-director of 1972 Shenanigans. Other co-directors included Mrs. Mary Sherer and Mr. Robert Horek.

Carrying the 'Vaudeville Today' theme, Shenanigans '72 centered around a young man trying to convince his grandfather that today's generation has just as much talent as those in Vaudeville days. Twenty three acts were presented in order to convince Gramps of this fact.

By the time the curtain closed, Gramps, played by Jim Rehahn, conceded that today's youth DO have talent.

EDHS teachers also played a role in this year's show. Eleven teachers played in the act 'Schneewittchen Und Die Seven Dwarfen', a take-off on Snow White and the Seven Dwarfs. Mrs. Pat Korte and Mr. Comer portrayed sweethearts in 'Walkin' My Baby Back Home'.

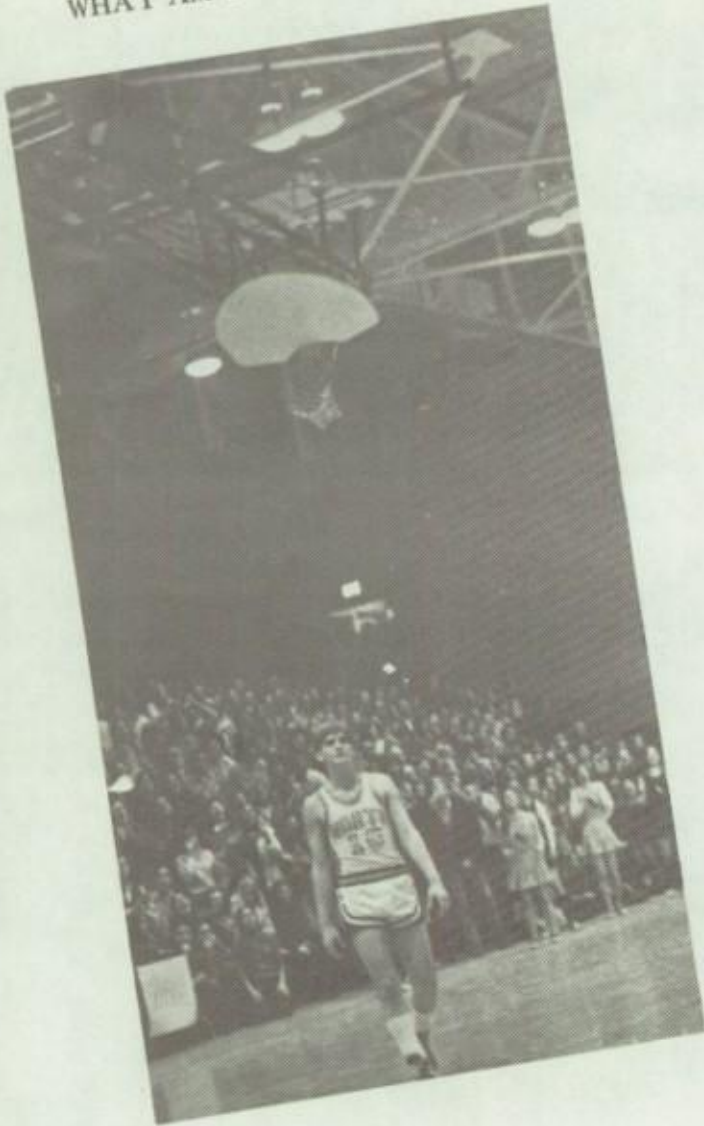

Crystal Mabery and Diane Smilka, seniors, choreographed six numbers.

The show was a sellout Friday night and Thursday and Saturday the auditorium was three-fourths filled.

WAIT A MINUTE! I LOST MY CONTACT!

IT WAS A VERY GOOD YEAR

by Bruce Bissonnette

To put into one column all the excitement my year as Sports-Editor of the Shamrock gave to me would be impossible.

The success of every team at ED this year made reporting to you and covering the games my most memorable experience at East Detroit. That's what makes saying good-bye so hard to do.

My year started off with football and cross-country. Coach Ruzzin led the gridgers to an impressive 4-1 record in the EML, their only loss coming at the hands of EML champion Mt. Clemens. Football season provided me with a lot of ups and downs. I'll never forget the 3-0 victory over Stevenson, when senior kicker Dan Laethem booted a 14 yd. field goal with just seven seconds remaining, or the joy on the bus on the way home, or the tears on the cheerleaders' faces after that crucial victory.

I'll never forget that deadly silence in the locker room after a loss, the pain an injured player goes through or the dejection in the players voices when they lose. This was football at ED this year. The ups by far exceeded the downs which is why the memory of this year's team will live with me and the senior players from that squad.

During cross-country I met the most dedicated coach and team anyone could ever hope to meet. Mr. Jack Roberts and his thinclads took second in the EML behind Mt. Clemens. The word that would describe cross-country is work. It takes a special breed of man to run five miles a day just to be ready for that 2½ mile run once or twice a week. When you're on the field at the finish line waiting for the first runner to cross you find yourself yelling like you've never yelled before. And when he crosses the line and nearly collapses from exhaustion you know that it took a lot of dedication and patience with the coach to reach that line first. Congratulations, Mr. Roberts and team for a fine season.

Our swimming team captured the EML championship this past season mainly due to the hard work and perseverance of the swimmers. It's not very comfortable sitting up in that hot balcony of the pool to watch the ED tankers swim. But again your caught up in the excitement of a race and you can see the tension on the swimmers faces as they headed into the final turn. Practice, practice and more practice is what it took for ED to bring home the EML trophy and to all the graduating seniors and to Mr. Clark it was a season they'll never forget.

If you didn't attend a wrestling meet last winter you don't know what you missed. When you can get 1 or 2 hundred people stomping on the bleachers and yelling for one man to pin another you know this sport is exciting. The '72

wrestling team produced a state qualifier in senior Sam Delia, while also proving to me that wrestling is the sport of the future at ED.

To say that this year's basketball team was great doesn't seem enough. It's hard to pick one person, one game, one situation that made this season what it was. This team's success was definitely a team effort in the strongest sense of the word. The Shamrocks tied for the E.M.L. crown, they won the District Tournament and they went to the Regional finals. Here are a few startling statistics on this year's team: they lost 3 games by a total of seven points, they averaged over 65 pts. per game but their highest individual average was less than 15 pts. per game. A total of seven points stood between the Shams and a perfect record. Teamwork is the only answer for the contrast in averages. The Shams had players on the bench that could have started for any other EML school. Our team also brought about a turnabout in school spirit. To see 2,000 kids screaming and cheering at the players on the floor was remarkable. Congratulations doesn't seem enough for this year's team but that's all I have to offer and I hope next season will be a fraction as good as this one.

Spring arrived and with it came Baseball, Tennis and Track.

Coach McKenzie molded together a fine pitching staff and a solid hitting attack to lead the Shams to a winning season on the diamond this spring.

Coach Roberts lacked the experience needed to put forth a winning team on the courts this season. Their victories over Mt. Clemens enabled ED to stay in the race for the EML All-Sports Banner.

Track season opened on a winning note as Coach Wheeler had an overabundance of depth which enabled him to place second in the EML behind Mt. Clemens.

It's impossible to pick one team, one coach or one player that made 1971-72 a great sports year at East Detroit. And it's almost impossible to believe its over, but it is. This being my last column I would like to thank all the coaches, the fans, the people, and most of all the athletes who made this year the great year it was.

PELMER GIPSON LEADS THE WAY TO AN ED CROSS-COUNTRY VICTORY.

Seniors Lead Shams In Cross Country

by Bruce Bissonnette

Cross-country came into its own this year as the ED harriers took second in the EML behind Mt. Clemens. Mt. Clemens nipped ED in the last meet of the season, 27-28, to capture the EML.

This year's team was led by senior co-captains, Pelmer Gipson and Dave Bugay. Other senior runners included Gordie Good, John O'Connor, Brad Livingston, Jay Hueber and Mark Ricci.

Gipson was voted most valuable player on this year's squad, as he failed to finish first in only two of 13 dual meets. His fastest time of the season was a 9:59 at Mt. Clemens.

Gordie Good received the most improved runner trophy for his consistent third place finishes during the season.

"I was very pleased with the outcome of this year's team. They were a fine bunch of athletes who worked hard and gave their all," reflected Coach Jack Roberts.

SENIOR CHEERLEADERS BRIGHTEN SEASONS

When East Detroit was losing 47-0 in the fourth quarter, or the temperature was 15 degrees below zero, you always found at least 8 spirited fans still cheering on the Shams, none other than the East Detroit Varsity Cheerleaders.

Cheerleading is one activity that the school does not sponsor. In order to raise money this year, the cheerleaders held a car wash, bake sale, and candy drive,

from which they used the profits to purchase new uniforms.

Seniors Cindy Algueseva and Debbie Politowski were the squad's co-captains. Mrs. Velma McLeod and Miss Constance Bartosik sponsored the 1971-72 cheerleaders.

Mrs. McLeod commented about the posters the girls made by saying, "I think we had the best signs in the EML."

Nineteen Seniors Provide Leadership For Comeback Second Place Finish In League

by Jim Baldo

COMEBACK is the one word that can sum up the story of the 1971-72 Varsity football team.

After dropping their first two non-league games of the season against Edsel Ford and Kimball, it looked as if the Shamrocks were off to a dismal season. The team moved into practice in preparation for the EML opener against Stevenson with two things against them: a 2-0 record, and a heavily-favored Stevenson for the EML crown.

However, on October 1, 1971, the varsity gridders started up the long bumpy road of comeback. With 14 seconds left to go and a 0-0 score, senior kicking star Dan Laethem booted a 6 yd. field goal to give the Shams a 3-0 victory over Stevenson.

Although the Shams dropped their next game against Mt. Clemens, ED went on to defeat Roseville and Port Huron Northern, both previously ranked in the Top 10 teams in the Detroit News Metro East Ratings. The Shams ended the EML season on a happy note by defeating Port Huron 13-6 in front of a Homecoming crowd at Memorial Field.

East Detroit placed 3 players on the All-EML first team: Dan Laethem, split-end; Dave Redash, linebacker; and Joe Fricano, guard.

The following statements are a small evaluation of the Senior members of this year's team:

GARY SCHAEFER: the tall end probably has the best hands on the team.

ROY COLE: a high-spirited senior who never gives up.

DALE BURKE: the hard-hitting guard is a member of the kick-off team.

NORM LEBLANC: a knee injury in the first game spoiled Norm's season. He was one of our best defensive players.

DOUG FRANKE: a big tackle who always had the desire to win.

LENNY SANTAMARIA: one of the best backs in the EML.

KURT PORTELLI: the hard-hitting full-back will long be remembered at ED, and was the best back in the league.

BUD THORN: a high spirited senior who had a lot of determination.

MARK TRIPI: ranked no. 1 when it came to guts on the team.

SAM DELIA: never look at his size as a handicap--a couple of inches taller and a few more pounds would have made the starting defensive halfback illegal on the field.

DINO MELE: tough man to get by and liked to run over people on pulling guard sweeps.

MIKE ELEN: the senior tightend had a good pair of hands and was a good blocker.

GARY WOTJAS: the best tackle in the EML had a good game every game.

DAN LAETHEM: the best place kicker in the area.

JOHN GROMOSAIK: a leader on and off the field, the tri-captain was probably one of the toughest hitters on the team.

STEVE DUDEK: a tough linebacker many backs feared.

TONY CARUSO: injured both ankles early in the season, but proved he was still good enough and tough enough to

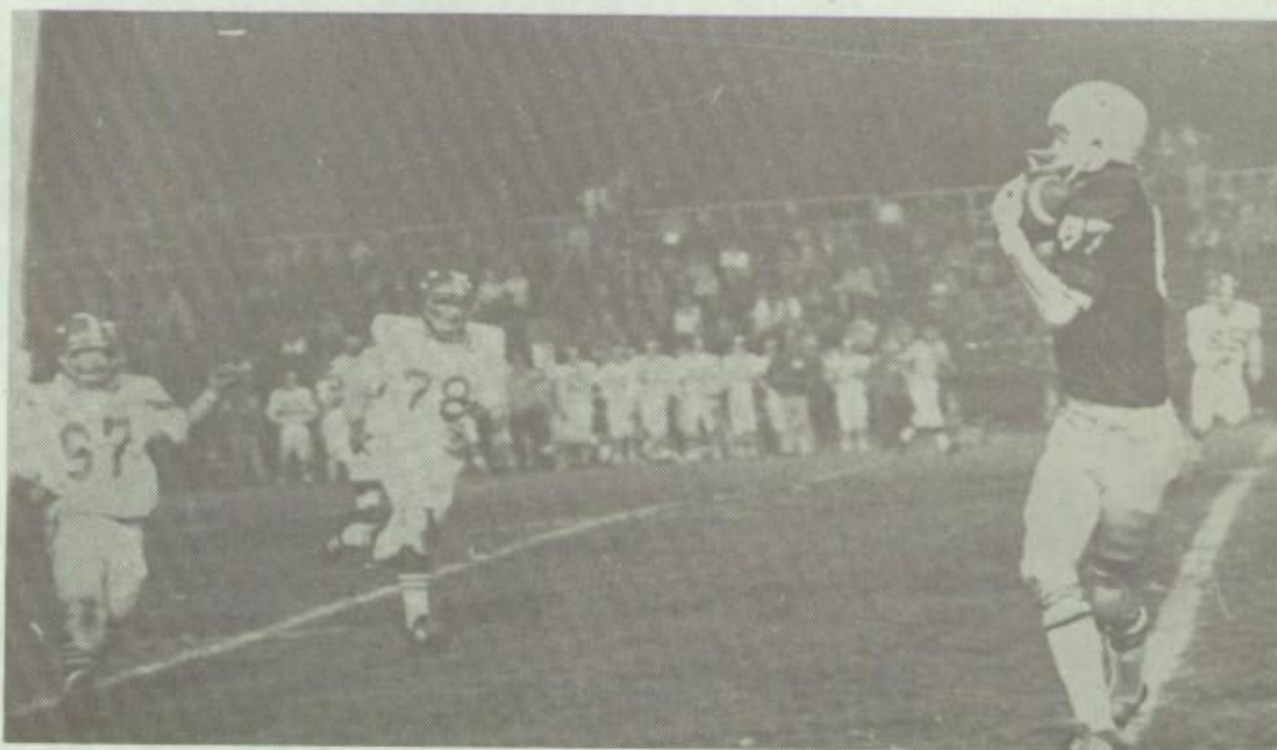

start.

SAM CICALA: a shoulder injury early in summer practice ended the starting defensive halfback's season.

JIM BALDO: a truly dedicated athlete who was second to none when it came to the courage and desire to win. (Thanks, Mr. Torp!)

DAVE REDASH: the senior linebacker hits you like a Mack truck at 80 m.p.h.

GARY SCHAEFER HAULS IN A LONG AERIAL PASS FOR ED.

"Ettes" Add Smiles, Efficiency To Sports Scene

by Gary Stein

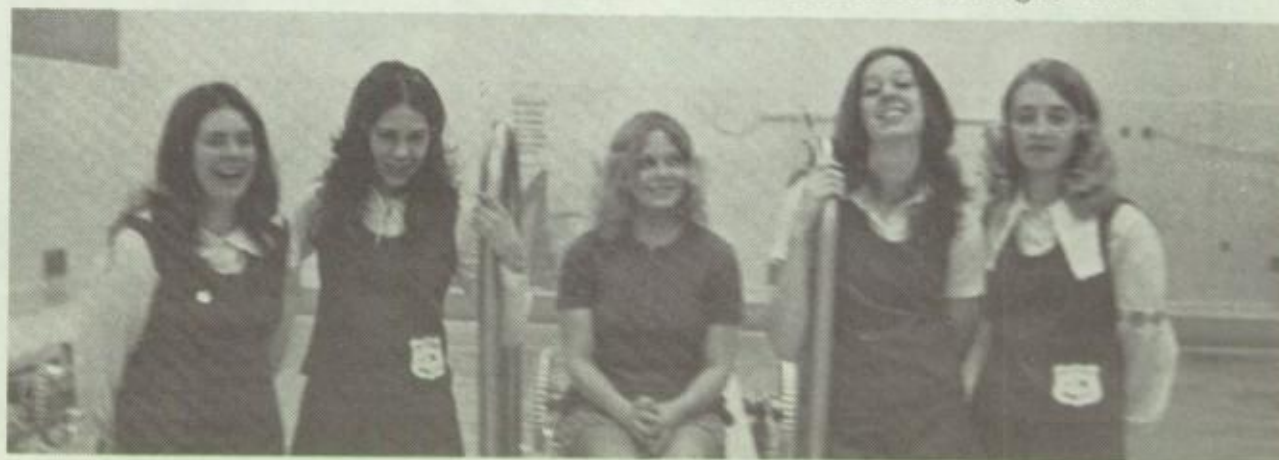

Girls played big parts in three of ED's top sports in 1972. Cross-Country, Track and Swimming each saw girls handling the stopwatches and doing other necessary jobs at home meets.

Four senior girls comprised the Cross Countryette squad this year. Kathy Felcyn, Nancy Haag, Jill Kotsis and Karen Nieckasz did an invaluable job in helping Coach Jack Roberts and his team to a second place EML finish and a 9-2 record.

Coach Dennis Wheeler and his track

team had five senior girls to run their meets very efficiently. Kathy Felcyn, Nancy Haag, Kathy Pereman, Paula Rocco, and Cathy Schulz backed the thinclads to a great season.

Last, but of course not least, are the Timettes. Coach Dave Clark and his swimming team got all the help and support they could hope for from the girls. The seniors include: Co-Captains Karen Nieckasz and Kathy Felcyn, Robin Jones, Jill Kotsis and Nancy Haag. The girls pushed the tankers to an 11-2 record and an untied league title.

ED MATMEN PLACE 2nd IN EML

by Bruce Bissonnette

Optimism flooded the wrestling team at the beginning of the season. They then tied their first two matches against Lakeshore and Fitzgerald with identical scores of 30-30. They took it on the chin at the hands of Warren Woods, 29-23. The team rallied for two straight victories over Lakeview and Sterling Hts. before beginning EML competition.

With a mediocre non-league record the Shamrocks knew they would have to work hard in the EML. And work they did. The Shams trounced Port Huron Northern in the league opener, 31-21, and then ran into a tough Mt. Clemens team which showed NO MERCY as they downed the matmen, 41-11.

Stevenson was our next EML opponent and the Shams rallied to the cause by pinning the Titans, 30-20. The Big Reds rolled into ED for the final EML contest of the season. It was no contest and the Shams fell, 48-9, to wind up with a 2-2 win-lost record in the EML.

"This year's wrestling season produced five of the best senior wrestlers I have ever coached," reflected Wrestling Coach Bob Friedland. The five are:

Sam Delia, who was one of this year's co-captains, finished third at the Avondale Tournament. He wound up with an 18-4 record and captured the EML title at 112. Sam eventually went on to qualify for the State Tournament.

Bill Stump, was second at the Catho-

lic Central Tourney and second in the EML competition. He ended his season with a 9-8 record.

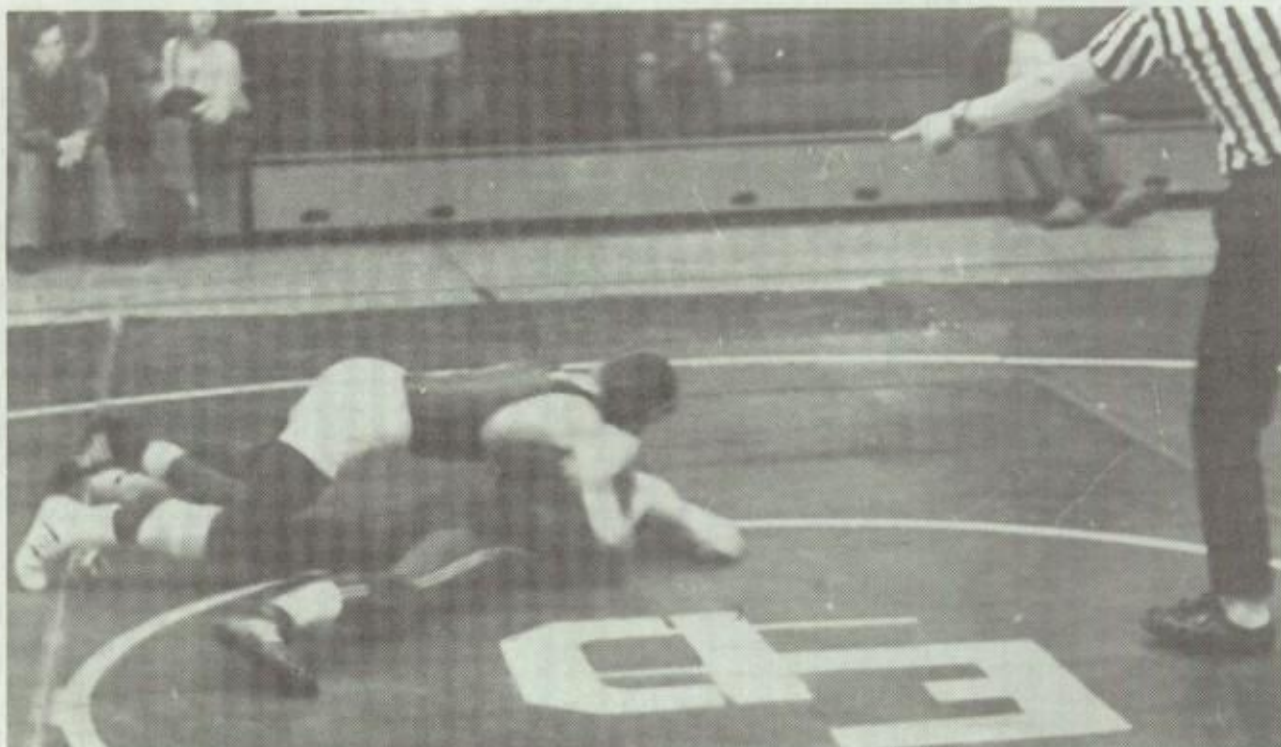

Mark Tripi, was third in Avondale, third in Anchor Bay and second in the EML. His final tally stood at 16-6-6.

Gary Wojtas, was ED's heavyweight. He finished first at C.C., second at Avondale and second in the EML. Gary's

overall record was 17-8 for the season.

Jim Vincent, ended up fourth at Anchor Bay and fourth in the EML tourneys. His record for the year was 9-7.

These five men plus all the other members of this year's squad posed a tough opponent for any team. Congratulations for a fine season, and good luck in '72-'73.

NETMEN CAP SEASON WITH THOMPSON AT NUMBER ONE

by Bruce Bissonnette

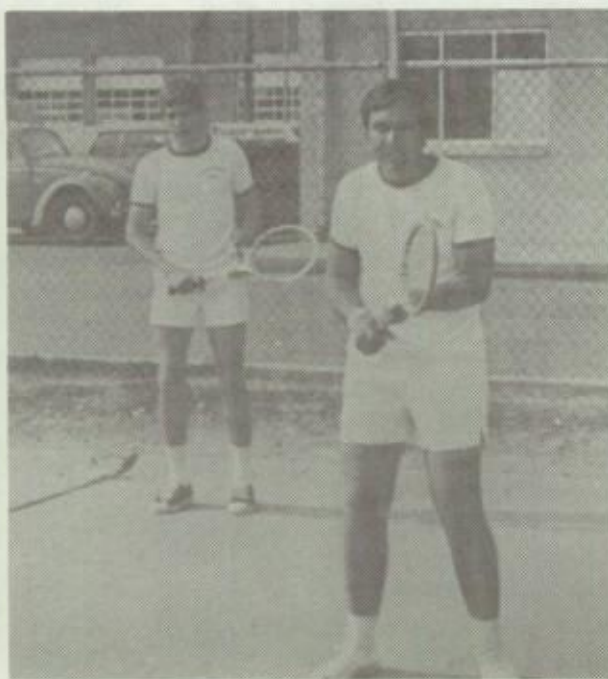

Led by Captain Brad Thompson, the netmen headed into the season with high hopes of a strong finish in the EML. Along with Thompson, seniors Cliff Black, Bruce Bissonnette, Ty Strobridge, Dave Lewis, Chris Marasco and Mark McMullen combined to give Coach Fred Roberts high hopes for the '72 season.

Thompson, Black and Strobridge made up the singles contingent for the Shams

this season. Thompson played strong at #1 singles and came up with some key victories for the netters. Black was a versatile figure in the Shamrocks' plans. Early in the season he played at various singles positions, then due to an injury to Chris Marasco, Black switched to doubles and performed well. #3 singles was usually occupied by Ty Strobridge, he was always a strong competitor and never gave up when he was down.

Bruce Bissonnette and Dave Lewis combined at #1 doubles to make an impressive combo. They played some tough matches and came up with some crucial victories during the season. Chris Marasco and junior Jerry Linenger played at second doubles and were the deciding factors in many Varsity matches (remember Mt. Clemens). Mark McMullen played his first year of ED tennis, and was one of the pleasant surprises of the team.

This year's team lacked the experience of last year's and made it hard to improve upon last year's 11-7 mark. This team had spirit though; it didn't win many matches but they never gave up and that's the mark of a winner.

Win EML, Dual Meet Championships

Sham Tankers Proven To Be Tough Opponents

by Gary Stein

There is one word which can name all the Shamrock swimmers at once--CHAMPIONS. Coach Dave Clark's tankers ran away with the Eastern Michigan League crown for dual meets and the conference meet to give the Senior Class of '72 their first championship.

The Shams began the season on a high note by trouncing Mt. Clemens 60-45. Then they rolled over three teams in a row to prepare for a big test against favored Stevenson. ED drowned the Titans 60-45 to up its record to 2-0 in the EML and 5-0 overall. The Irish ran their record to 9-0 before falling to Warren Woods' overpowering depth. The tankers bounced back to blitz Denby,

but Lakeview slipped by them in a squeaker, 54-51. Stevenson was the victim in the dual meet finale as the Shams ripped the Titans 58-47 and copied a league title and an 11-2 dual meet record.

The whole team shaved down (all the hair on arms and legs) to get psyched up for the EML conference meet. It turned out just as Coach Clark planned, as the Shams all hit their best times and took seven first places and seven second places, and ran away with the meet. ED piled up a total of 117 points to out distance runner-up Stevenson (85), third place Mt. Clemens (52), and Roseville (7).

The Green Machine seniors smashed

five individual records, tied one, and were part of both new relay marks. Steve Becroft led the assault with top times in the 100, 200, and 400 yard freestyle events. Gary Stein cracked the two-year old backstroke mark and equaled the 50 yard freestyle best. Bob Wright rounded out the individual attack by shattering the varsity diving record. Larry Getty and Stein are part of the 200 yd. medley relay mark. Getty also teamed with Jim Oloff and two others to crack the 400 yd. freestyle standard.

Four of the Sham tankers were inducted into the Swimming Hall of Fame. The names of Steve Becroft, Gary Stein, Bob Wright and Mike Wrubel are enshrined permanently as members of the Hall of Fame for their outstanding efforts during their swimming careers at ED.

The Class of '72 will be sincerely missed next year as Mr. Clark looks down the bench for his lineup against Mt. Clemens or Stevenson and can't find Steve Becroft, Larry Getty, Jim Oloff, Gary Stein, Doug Templeton, Mike Tessman, Bob Wright or Mike Wrubel.

District Title Caps 19-2 Season

by Jim Baldo

"This may be the best high school team I will ever coach--they were that good. But to be honest with you I hope it isn't!", stated Varsity Basketball Coach Wayne Brown, when asked what he thought of this year's Shams compared to past E.D. teams.

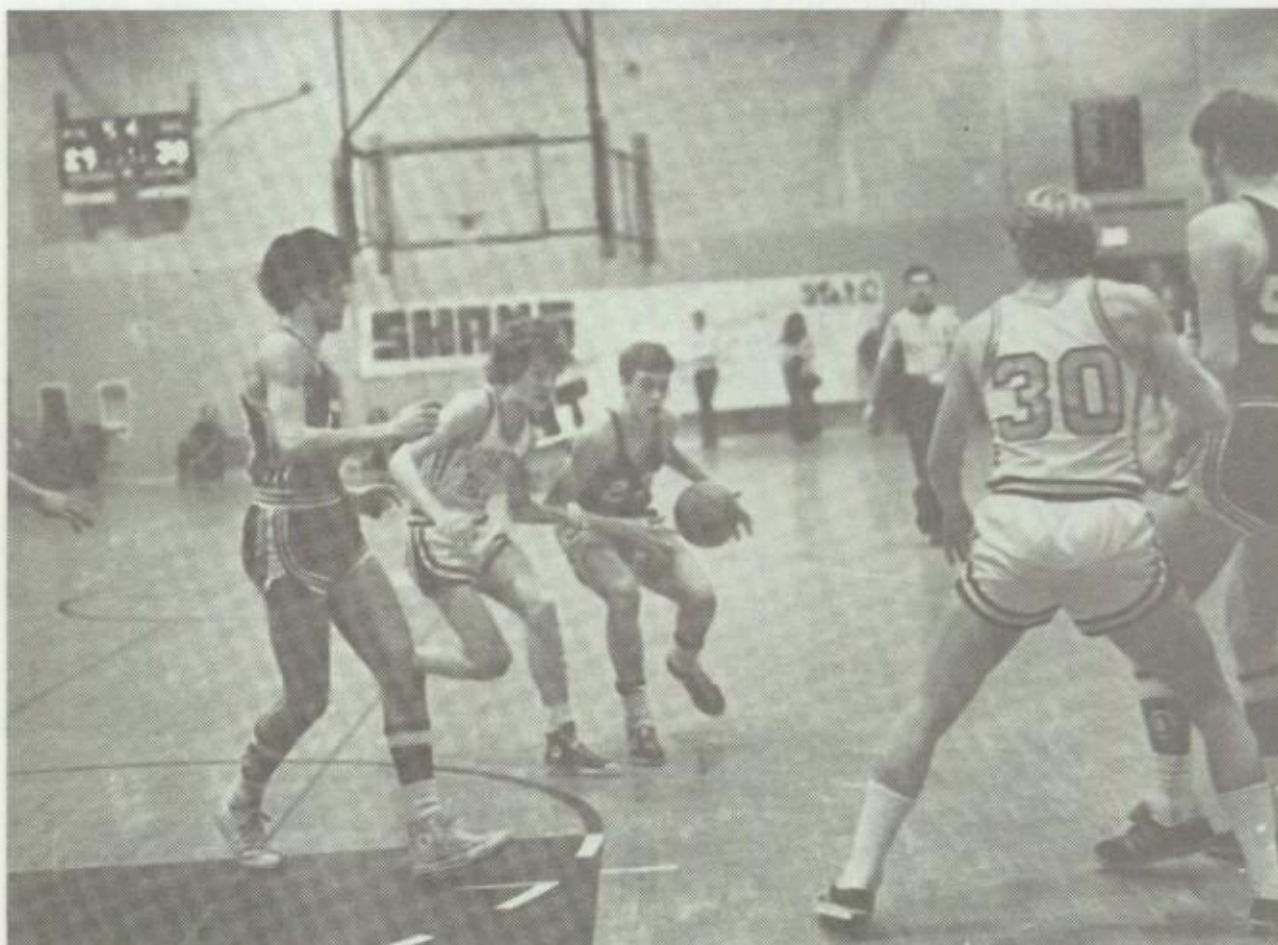

The Big Green Machine gave East Detroit their best season of basketball since the days of Doug Hess and Dave Binge in 1966.

East Detroit wasted no time in proving themselves as a basketball power house this year. The Green Machine started off on a 77-57 romp over L'anse-Creux in the season opener. From this impressive beginning, the Shamrocks went on to win their first 9 games of the season, before dropping a heartbreaker to Sterling Heights Stevenson, 44-40. The next time East Detroit saw the Titans of Sterling Heights, the Green Machine was 8-1 in league play, while Stevenson was 9-0, although both records were impressive and the two teams were about equally matched in talent. The majority of pressure inflicted upon players in this crucial game lay on the backs of East Detroit players. Since Stevenson had already clinched first place, the Shamrock's only other alternative was a co-championship. In front of 3,000 people on February 25, 1972, the Big Green Machine executed its finest game of the season by downing Stevenson 55-51.

As a team this year, the Shamrocks took a co-championship in the E.M.L. and also took the Class A district Championship at East Detroit. In the Regionals, Shamrocks downed Grosse Pointe North 52-51, but then went on to drop a tough one against Detroit Northern 72-69.

However, there is another side of East Detroit's basketball team. One in which a won-lost record and a co-championship cannot tell. When Wayne Brown started his first full season as varsity basketball coach, it didn't mean that basketball practice started in October. When most teams quit for the spring and summer, Coach Brown was just beginning spring basketball practice. After school let out, Mr. Brown was running his team through 4-day a week summer practice sessions. After a short layoff, the team moved into fall practice in preparation for the season. Although this may not be as fun as going to the beach, it does, however, prove to be worthwhile to the players on this year's team who's accomplishments in basketball will be praised by many for years to come.

Throughout the 1971-72 basketball season, a number of East Detroit players received county and state wide recognition for their fine performance on the court. The following is a list of individual awards received by the senior

basketball players this season.

BRAD THOMPSON: Macomb Daily All-County first team, Detroit Metro East 2nd team, All-E.M.L. first team, Detroit News Honorable Mention All-State.

CARL SASS: Macomb Daily All-County 2nd team, All-E.M.L. first team.

KEVIN KRASS: All-E.M.L. second team, Macomb Daily All-County Honorable Mention.

JOHN MALLO: Detroit Free Press All-State Honorable Mention, All-E.M.L. Honorable Mention.

Senior Dan Laethem was unable to play the first half of the season because of mononucleosis. He came back in the second half of the season to lead the team in free throw shooting, with a 78%. Forward Mike Rable played the 6th man in this year's team and played an important role in pulling the Big Green Machine out of some tight spots.

EXCHANGE STUDENTS ENJOY EAST DETROIT

by Monica Allen

Foreign Exchange Students from four countries attended EDHS this past school year. They are as follows; Gordana Bojovic, Yugoslavia; Geert DeVries, Belgium; Soledad Rosas, South America; and Christine Von Gablenz, Germany.

For the most part they all enjoyed their stay-only to visit; they wouldn't want to live here.

They agreed school is considerably easier here, for example; Geert goes to school six days a week from the beginning of September to the end of June. Gordana, at her school, takes 13 subjects. Soledad has 15 subjects at a time, although she doesn't attend the same classes each day during the week.

Their ideas of America were basically the same before and after visiting this country. General impressions of U.S. Americans were that of willingly friendly people.

School dress regulations are lighter here; they dress fairly conservatively at their schools. In Geert's and Soledad's case, many of their schools are completely segregated.

In Belgium, a high school student owning a car is practically unheard of, there is no time for a job during school months, and hardly any spare time for dates and other entertainment.

Christine has traveled to a number of places, but visited America to view its way of life.

Comments about downtown Detroit followed the pattern of slight disenchantment.

The younger generation appears to hold basically the same views throughout this world, which is a promising sign for satisfactory international relations.

CLASS OFFICERS GET TOGETHER

by Diane Mahaz

How do we get together great activities such as Graduation, Senior Day, Prom, All Night Party, Commencements, Convocation (Honor's Assembly), and Senior Float? None other than the help of the "72" Senior Officers.

John Gromosaik, besides being a dedicated president of the senior officers, takes part in our Student Assembly. As a sports-minded fellow he enjoys all types of sports. He plans to attend Macomb at night and work during the day. Eventually he plans to get married in about two years.

Ken Woods, vice-president, has his interests in music and singing. He has taken part in Shenanigans and is also in Student Assembly. After graduation he plans to attend U of D where he will be taking pre-dental courses. He also plans to get married.

Marianne Caras, secretary, has her special interest in oceanography. Besides her role as secretary she is involved in Forensics. Taking Science classes at Macomb are her future plans.

Carol Westveer gives her part as Senior Officer by acting as Treasurer.

SENIOR CLASS OFFICERS

Pitching Plus Hitting

Means Success For ED

by Jim Baldo

With seven returning lettermen and a successful J.V. team moving up, East Detroit's Varsity Baseball team was a top contender for the EML crown.

Experience was one department the Shams weren't lacking in this season. The Shamrocks probably had one of the best pitching staffs in the E.M.L. Junior aces Rick Zoss and Tom Lamprides were back again to aggravate opposing batters, while senior reliever Rick McNeil counted on his tricky knuckler to pull the team out of some tough late-inning situations.

Backing up the pitching staff on the infield this year was All-County shortstop Dan Laethem. When he wasn't robbing batters of groundball singles, Laethem teamed up with 2nd baseman Dave Vinson for double-plays. Veteran Dale Campbell was also back to make the long stretch at first base.

With Mike Wrubel as the only starter returning to the outfield. East Detroit's outfield relied heavily on the success of new-comers John Donegan, Roy Heron, and Steve Kazimer.

The Shams also counted on senior Dave Redash to fill in the shoes of last

year's catcher, Bob Hunwick.

The Shamrock's hitting attack was based on the bats of Laethem, Campbell, Redash, Donegan, and Kazimer. Good hitting from these players, along with some fine performances on the mound, was enough to put East Detroit in contention for the E.M.L. crown this year.

The following statements are a small evaluation of the senior members of this year's 1972 baseball team.

JOHN DONEGAN: had a good stick and glove and was always a threat on the base-paths.

RICK MCNEIL: the tall southpaw had a good knuckler, and was also a threat at the plate.

DAVE VINSON: along with his great glove, Dave was one of the most inspirational players on the team.

DAVE REDASH: was a potential two-way threat, both at the plate and on the field.

DAN LAETHEM: the senior shortstop was probably one of the best players in the league.

JIM BALDO: great spirit and determination blended together to make Jim one of ED's better players.

WINTER SOLDIERS LEAD TRACKSTERS TO 2nd PLACE

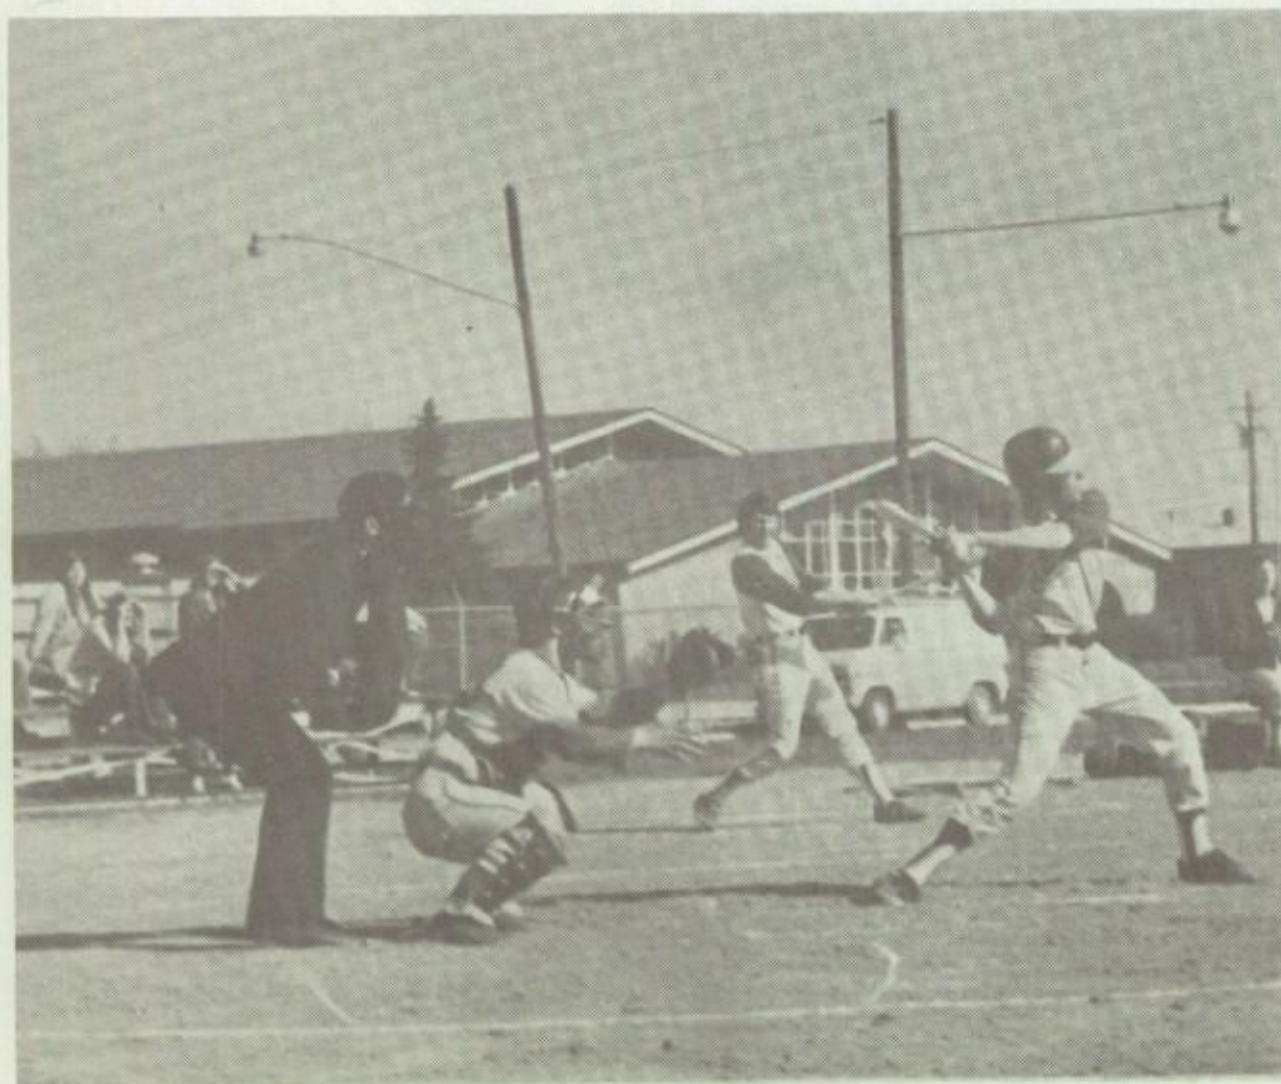

"Winter soldiers" were the story of track coach Dennis Wheeler's successful team this year. Many of the Shams' outstanding performers worked out hard all winter long to prepare for the tough season they faced.

Five seniors helped to lead the way to a second place finish in the EML. Pelmer Gipson topped the list of upper-class runners. He shattered the varsity record for the one mile run and was one of the top distance runners on the team. Dave Bugay and Gordie Good were two more of the Shams' tough distance group. Bruce Dudek ran the middle distances to help round out the Irish distance strength. Bob Bolz' specialty was the hurdles and he aided the Shams in their battle to catch Mt. Clemens.

The Bathers were the only team to top the Shams in a dual meet. The thin-clads took second in the EML with a 3-1 record and totaled a 7-1 mark overall.

IT'S OFFICIAL: WE ARE NO. 1!

by Bruce Bissonnette

Cries of "we're number 1", echoed through the gym during basketball season. Now that expression has become a reality. ED has captured the EML All-Sports Award Banner.

The banner, which is awarded to the school whose athletic teams fare the best during the school year, was awarded to ED through the efforts of all the athletes who participated in sports during 1971-72.

Going into the spring sports season, Mt. Clemens led East Detroit by $2\frac{1}{2}$ pts., 137 $\frac{1}{2}$ -135. The fine performances by all three spring sports enabled ED to win the competition, 200-192 $\frac{1}{2}$. This came about because of the second place finish of the track team, the second place finish of the baseball team, and the third place finish of the tennis team.

The banner will now hang in our gym throughout next season.

Congratulations to the spring sports and their coaches, and to all the sports, coaches and fans that made this possible.

HEY KIDS - NONE OF THAT! BACK IN THE RIVER!

Killoran Competes In Nationals

by Carolyn Young

This year the Distributive Education Clubs of America (DECA) state competition was won by David Killoran, an EDHS senior. He received a first place trophy in the Public Speaking category.

The competition was held in Grand Rapids on March 21 and 22. This qualified him to compete in the national DECA conference that was held May 1-7 in California.

Dave was given 60 minutes to prepare his speech and 6-8 minutes to give it. He spoke on Phase II of the economic policy while he was in California.

During his stay in California, not only did he speak in the competition but he was also able to see many attractions such as Disneyland, China Town, and Malibu Beach.

Dave plans on attending Macomb County Community College after he graduates. He would also like to participate in the DECA competition again next year. Dave is also a member of the Forensics Clubs.
